FORWARD LOOKING STATEMENT

Some of the statements in this presentation constitute forward-looking statements, which relate to future events or our future performance or financial condition. The forward-looking statements contained in this presentation involve risks and uncertainties, including statements as to: our future operating results; our business prospects and the prospects of our portfolio companies; our relationships with third-parties including venture capital investors; the impact and timing of our unfunded obligations; the expected market for venture capital investments; the performance of our portfolio and other investments that we may make in the future; the impact of investments that we expect to make; actual and potential conflicts of interest with TriplePoint Capital LLC ("TriplePoint Capital") and TPVG Advisers LLC (our "Adviser") and its senior investment team and Investment Committee; our contractual arrangements and relationships with third-parties; the dependence of our future success on the general economy and its impact on the industries in which we invest; the ability of our portfolio companies to achieve their objectives; our expected financings and investments; the ability of our Adviser to attract, retain and have access to highly talented professionals, including our Adviser's senior investment team; our ability to qualify and maintain our qualification as a regulated investment company, or "RIC," and as a business development company, or "BDC;" the adequacy of our cash resources and working capital; and the timing of cash flows, if any, from the operations of our portfolio companies.

Such forward-looking statements may include statements preceded by, followed by or that otherwise include the words "may," "might," "will," "intend," "should," "could," "can," "would," "expect," "believe," "estimate," "anticipate," "predict," "potential," "plan" or similar words.

We have based the forward-looking statements included in this presentation on information available to us on the date of this presentation, and we assume no obligation to update any such forward-looking statements. Actual results could differ materially from those anticipated in our forward-looking statements, and future results could differ materially from historical performance. Although we undertake no obligation to revise or update any forward-looking statements, whether as a result of new information, future events or otherwise, you are advised to consult any additional disclosures that we may make directly to you or through reports that we in the future may file with the Securities and Exchange Commission ("SEC"), including annual reports on Form 10-K, quarterly reports on Form 10-Q and current reports on Form 8-K. For a further discussion of factors that could cause our future results to differ materially from any forward-looking statements, see the section entitled "Risk Factors" in the Company's annual report on Form 10-K and other public filings.

Although we believe that the assumptions on which these forward-looking statements are based are reasonable, any of those assumptions could prove to be inaccurate, and as a result, the forward-looking statements based on those assumptions also could be inaccurate. In light of these and other uncertainties, the inclusion of a projection or forward-looking statement in this presentation should not be regarded as a representation by us that our plans and objectives will be achieved. These risks and uncertainties include those described or identified in the "Risk Factors" section of the Company's annual report on Form 10-K and elsewhere in our filings with the SEC. You should not place undue reliance on these forward-looking statements, which apply only as of the date of this presentation.

This presentation contains statistics and other data that has been obtained from or compiled from information made available by third-party service providers. We have not independently verified such statistics or data.

These materials and any presentation of which they form a part are neither an offer to sell, nor a solicitation of an offer to purchase, an interest in the Company in any jurisdiction where the offer or sale is not permitted or would be unlawful under the securities laws of such jurisdiction. The information presented in this presentation is as of September 30, 2016 unless indicated otherwise.

For the three and nine months ended September 30, 2016, the Company had no accrued capital gains incentive fee and for the three and nine months ended September 30, 2015, the Company recorded accrued capital gains incentive fee of $0.2 million and a reversal of $81 thousand, respectively. The capital gains incentive fee accrual, as reported under generally accepted accounting principles, is calculated on the basis of net realized and unrealized gains and losses at the end of each applicable calendar year.

The actual capital gains incentive fee payable to the Company's investment adviser is calculated and paid as of the end of each calendar year and is only based on net realized gains, if any, offset by gross unrealized depreciation for the calendar year. No effect is given to gross unrealized appreciation in this calculation.
