Stryker to Provide Webcast and Telephone Access to Annual Shareholder Meeting

March 28, 2008 11:27 AM ET

KALAMAZOO, Mich., March 28 /PRNewswire-FirstCall/ -- Stryker Corporation (NYSE: SYK) announced today that it will provide webcast and telephone access to its Annual Shareholder Meeting that will be held:

April 23, 2008 - 2:00 p.m. Eastern Time
Radisson Plaza Hotel
Kalamazoo, Michigan

Information about the webcast, which will include both the audio and the video presentation from the meeting, is available in the Calendar of Events area of the Investor section of the Company's website at www.stryker.com . The telephone number to listen to the meeting is 800-798-2801 (domestic) or 617-614-6205 (international) and the passcode is 70030737.

A recording of the meeting will also be available from 4:00 p.m., Eastern Time, on Wednesday, April 23, 2008, until 4:00 p.m. on Wednesday, April 30, 2008. To hear this recording, dial 888-286-8010 (domestic) or 617-801-6888 (international) and enter the passcode 81949187.

An archived copy of the webcast will continue to be available on the Company's website until June 30, 2008.

Certain statements made during the meeting may constitute forward-looking statements. They will be based upon management's current expectations and will be subject to various risks and uncertainties that could cause the Company's actual results to differ materially from those expressed or implied in such statements. Such factors include, but are not limited to: pricing pressures generally, including cost-containment measures that could adversely affect the price of or demand for the Company's products; regulatory actions; unanticipated issues arising in connection with clinical studies and otherwise that affect United States Food and Drug Administration approval of new products; changes in reimbursement levels from third-party payors; a significant increase in product liability claims; changes in economic conditions that adversely affect the level of demand for the Company's products; changes in foreign exchange markets; changes in financial markets; and changes in the competitive environment. Additional information concerning these and other factors are contained in the Company's filings with the Securities and Exchange Commission, including the Company's Annual Report on Form 10-K and Quarterly Reports on Form 10-Q.

Stryker Corporation is one of the world's leading medical technology companies with the most broadly based range of products in orthopaedics and a significant presence in other medical specialties. Stryker works with respected medical professionals to help people lead more active and more satisfying lives. The Company's products include implants used in joint replacement, trauma, craniomaxillofacial and spinal surgeries; biologics; surgical, neurologic, ear, nose & throat and interventional pain equipment; and endoscopic, surgical navigation, communications and digital imaging systems; as well as patient handling and emergency medical equipment.
