

A blurred background image showing two business professionals in a meeting. One person, wearing a dark suit and tie, is seated at a table. Another person, wearing a light blue shirt, is leaning over the table, pointing at a tablet device. The tablet displays a business dashboard with various charts and graphs. The overall scene is brightly lit, suggesting an office environment.

Safe Harbor Disclosure

This presentation contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Specifically, forward-looking statements within the meaning of the Safe Harbor include statements concerning: future financial performance; projections on market share and market growth; future market opportunities; NETGEAR's products and technology and their expected performance characteristics, specifications and specific uses; and anticipated new product offerings and features. These statements are based on management's current expectations and are subject to certain risks and uncertainties, including, without limitation, the following: future demand for NETGEAR's products may be lower than anticipated; consumers may choose not to adopt NETGEAR's new product offerings or adopt competing products; the actual price, performance and ease of use of NETGEAR products may not meet the price, performance and ease of use requirements of customers; product performance may be adversely affected by real world operating conditions; new cyber threats may challenge the effectiveness of features in NETGEAR's products; the ability of NETGEAR to market and sell its products and technology, the impact and pricing of competing products, and the introduction of alternative technological solutions; NETGEAR may be unsuccessful or experience delays in manufacturing and distributing its new and existing products; telecommunications service providers may choose to slow their deployment of NETGEAR's products or utilize competing products; NETGEAR may be unable to collect receivables as they become due; and NETGEAR may fail to manage costs. Further, certain forward-looking statements are based on assumptions as to future events that may not prove to be accurate. Therefore, actual outcomes and results may differ materially from what is expressed or forecast in such forward-looking statements. Further information on potential risk factors that could affect NETGEAR and its business are detailed in the Company's periodic filings with the Securities and Exchange Commission, including, but not limited to, those risks and uncertainties listed in the section entitled "Part II - Item 1A. Risk Factors," pages 51 through 72, in the Company's quarterly report on Form 10-Q for the fiscal quarter ended July 2, 2017, filed with the Securities and Exchange Commission on August 4, 2017. NETGEAR undertakes no obligation to release publicly any revisions to any forward-looking statements contained herein to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.

All product and company names herein are or may be trademarks of their respective owners.
