

PRESS RELEASE

Oceaneering to Participate at the Morgan Stanley Energy Conference

HOUSTON, May 8, 2017 – Oceaneering International, Inc. ("Oceaneering") (NYSE:OII) announced today that President and Chief Executive Officer Roderick A. Larson will participate on the Subsea Services Trends Panel at the Morgan Stanley Energy Conference in Houston on Tuesday, May 9, 2017. The panel will not be webcast. Mr. Larson and other members of management will also meet with institutional investors.

The conference handout will be made available after the close of the market on Monday, May 8, 2017, through the Investor Relations section of Oceaneering's website at www.oceaneering.com.

Oceaneering is a global provider of engineered services and products, primarily to the offshore oil and gas industry, with a focus on deepwater applications. Through the use of its applied technology expertise, Oceaneering also serves the defense, entertainment, and aerospace industries.
