Having opened in December 2016, Park Theater was the first step in the transformation of Monte Carlo in a partnership between MGM Resorts and Sydell Group to create two new distinct hotel experiences – a Las Vegas version of Sydell Group's famed NoMad Hotel and the launch of a new luxury hotel named Park MGM. Each hotel will feature fully redesigned hotel guest rooms and innovative food & beverage offerings, highlighted by Eataly, a vibrant Italian marketplace with cafes, to-go counters and full-service restaurants interspersed with high-quality products from sustainable Italian and local producers.
