INFORMATION CIRCULAR

THIS INFORMATION CIRCULAR CONTAINS INFORMATION AS AT MARCH 6, 2018 (unless otherwise noted).

PERSONS MAKING THIS SOLICITATION OF PROXIES

This Information Circular is furnished to you in connection with the solicitation of Proxies by management of Telson Mining Corporation (the “**Company**”) for use at the Annual General Meeting (the “**Meeting**”) of the shareholders of the Company to be held on Tuesday, April 10, 2018 for the purposes set forth in the accompanying Notice of Meeting, and at any adjournment thereof. The Company will conduct its solicitation primarily by mail and our officers, directors and employees may, without receiving special compensation contact shareholders by telephone, electronic means or personal contact. We will not specifically engage employees or soliciting agent to solicit proxies. We will pay expenses of this solicitation.

COMPLETION AND VOTING OF PROXIES

Voting at the Meeting will be by a show of hands, each shareholder having one vote, unless a poll is requested or required (if the number of shares represented by proxies that are to be voted against a motion are greater than 5% of the votes that could be cast at the Meeting), in which case each shareholder is entitled to one vote for each share held. In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “ordinary resolution”) unless the motion requires a special resolution in which case a majority of two-thirds (2/3) of the votes cast will be required.

The persons named as proxyholders in the enclosed Proxy are directors or executive officers of the Company. **AS A SHAREHOLDER OR AN INTERMEDIARY HOLDING SHARES AND ACTING ON BEHALF OF AN UNREGISTERED SHAREHOLDER YOU HAVE THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT ON YOUR BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS. TO EXERCISE THIS RIGHT, YOU OR THE INTERMEDIARY MUST STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS AND INSERT THE NAME OF YOUR NOMINEE IN THE SPACE PROVIDED OR COMPLETE ANOTHER PROXY.**

A shareholder or intermediary acting on behalf of a shareholder may indicate the manner in which the persons named in the enclosed Proxy are to vote with respect to any matter by checking the appropriate space. On any poll required by virtue of 5% or more of the outstanding shares of the Company being represented by proxies at the Meeting that are to be voted against a matter or by a shareholder or proxyholder requesting a poll, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy provided such directions are certain.

If you or an intermediary acting on your behalf wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **IN SUCH INSTANCE, THE PROXYHOLDER, IF ONE PROPOSED BY MANAGEMENT, INTENDS TO VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.** The enclosed Proxy, when properly signed, also confers

discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may be properly brought before the Meeting. At the time of printing this Information Circular, our management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. If, however, other matters which are not now known to management should properly come before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their best judgment.

The Proxy must be dated and signed by you or by your attorney authorized in writing or by the intermediary acting on your behalf. In the case of a corporation, the Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

COMPLETED PROXIES TOGETHER WITH THE POWER OF ATTORNEY OR OTHER AUTHORITY, IF ANY, UNDER WHICH IT WAS SIGNED OR A NOTARIALLY CERTIFIED COPY THEREOF MUST BE DEPOSITED WITH THE COMPANY'S TRANSFER AGENT, COMPUTERSHARE INVESTOR SERVICES INC., OF COMPUTERSHARE INVESTOR SERVICES INC., PROXY DEPT., 100 UNIVERSITY AVENUE, 8TH FLOOR, TORONTO, ONTARIO M5J 2Y1, FACSIMILE (WITHIN NORTH AMERICA) 1-866-249-7775 (OUTSIDE NORTH AMERICA) (416) 263-9524, BY FAX, HAND OR BY MAIL OR TO THE COMPANY'S HEAD OFFICE AT THE ADDRESS LISTED ON THE COVER PAGE OF THIS INFORMATION CIRCULAR, AT LEAST 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF. UNREGISTERED SHAREHOLDERS WHO RECEIVED THE PROXY THROUGH AN INTERMEDIARY MUST DELIVER THE PROXY IN ACCORDANCE WITH THE INSTRUCTIONS GIVEN BY SUCH INTERMEDIARY.

REVOCAION OF PROXIES

If you are a registered shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are "non-registered" shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency

such as CDS Clearing and Depository Services Inc. (a “**Nominee**”). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as “NOBOs”. Those non-registered shareholders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as “OBOs”.

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular, and the Proxy directly to NOBOs and to the Nominees for onward distribution to OBOs. **The Company does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO’s Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting materials sent to non-registered holders who have not waived the right to receive Meeting materials are accompanied by a request for voting instructions (a “**VIF**”), instead of a Proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIF’s, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the shares of the Company which they beneficially own. Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.** Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and the approval of the stock option plan, all described in this Information Circular, approval of which will be sought at the Meeting.

EXECUTIVE COMPENSATION

During the financial year ended December 31, 2016 the Company had three Named Executive Officers (as defined below), Ralph Shearing, the Company's President, Jose Antonio Berlanga Balderas the Company's Chief Executive Officer ("CEO"), and Omar Garcia Abrego, the Company's Chief Financial Officer ("CFO").

Compensation discussion and analysis

Compensation, Philosophy and Objectives

The Company does not have a formal compensation program; however, it has established a Human Resources and Compensation Committee to assist the Board of Directors in fulfilling its responsibility by reviewing matters relating to the human resource policies and compensation of the directors, officers and employees of the Company and its subsidiaries in the context of the budget and business plan of the Company. The Human Resources and Compensation Committee meets to discuss and determine management compensation, without reference to formal objectives, criteria or analysis.

The general objectives of the Company's compensation strategy are to: (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long term shareholder value; (b) align management's interests with the long term interest of shareholders; (c) provide a compensation package that is commensurate with other junior mineral exploration companies to enable the Company to attract and retain talent; and (d) to ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is a junior exploration company without a history of earnings.

The Human Resources and Compensation Committee ensures that total compensation paid to all Named Executive Officers, is fair and reasonable. The Human Resources and Compensation Committee relies on the experience of its members as officers and directors with other junior mining companies in assessing compensation levels.

The Human Resources and Compensation Committee did not consider the implications of the risks associated with the Company's compensation practices; however, given the Company's size and nature of compensation provided to its executives in the last financial year, the Human Resources and Compensation Committee does not view significant risk that would be likely to have a material adverse effect on the Company.

The Company's management is not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities of the Company granted as compensation or held, directly or indirectly, by management.

Analysis of Elements

Base salary is used to provide the Named Executive Officers a set amount of money during the year with the expectation that each Named Executive Officer will perform his responsibilities to the best of his ability and in the best interests of the Company.

The Company considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward each Named Executive Officer's efforts to increase value for shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to directors, officers, consultants and employees at the commencement of employment and periodically thereafter. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company's stock option plan (the "**Stock Option Plan**").

Long Term Compensation and Option Based Awards

The Company has no long term incentive plans other than the Stock Option Plan. The Company's directors, officers, consultants and employees are entitled to participate in the Stock Option Plan. The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Stock Option Plan aligns the interests of the Named Executive Officer and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Company's common shares.

The Human Resources and Compensation Committee makes recommendations to the Board of directors with regard to granting options. The Board reviews the recommendations and determines whether or not to approve the option grants. In monitoring or adjusting the option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contributions to shareholder value, previous option grants and the objectives set for the Name Executive Officers and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility. In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board also makes the following determinations:

- parties who are entitled to participate in the Stock Option Plan;
- the exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than prescribed discount permitted by the TSX Venture Exchange (the "**Exchange**") from the market price on the date of grant;
- the date on which each option is granted;
- the vesting period, if any, for each stock option;
- the other material terms and conditions of each stock option grant; and
- any re-pricing or amendment to a stock option grant.

The Board makes these determinations subject to and in accordance with the provisions of the Stock Option Plan. The board of directors reviews and approves grants of options recommended by the Human Resources and Compensation Committee on an annual basis and periodically during a financial year.

Pursuant to the Company's Stock Option Plan, the Company's Board of Directors grants options to directors, officers, consultants and employees as incentives. The level of stock options awarded to a Named Executive Officer is determined by his position and his potential future contributions to the Company. The exercise price of stock options is determined by the Board of Directors but shall in no event be less than the trading price of the common shares of the Company on the Exchange at the time of the grant of the option. The Company granted stock options to Named Executive Officers during the year ended December 31, 2016.

Compensation Governance

The Human Resources and Compensation Committee determines an appropriate amount of compensation for its executives, reflecting the need to provide incentive and compensation for the time and effort expended by the executives while taking into account the financial and other resources of the Company. The Human Resources and Compensation Committee consists of Mr. Berlanga, Mr. Bonillas and Mr. Sun of which Mr. Bonillas and Mr. Sun are independent (as that term is defined below).

The role of the Human Resources and Compensation Committee is to assist the Board of Directors of the Company in fulfilling its responsibility by reviewing matters relating to the human resource policies and compensation of the directors, officers and employees of the Company and its subsidiaries within the context of the budget and business plan of the Company when applicable. This includes matters such as compensation philosophy and remuneration policy, Board retainer fees, performance objectives and evaluation of the CEO and President, compensation and benefit package for senior officers, proposed stock option or share purchase plans, bonuses, and the annual disclosure of compensation information as required by securities law.

The Human Resources and Compensation Committee bears in mind the stage of development of the Company, the small number of executive officers and financial resources of the Company. These factors influence both the elements of compensation and the sophistication of the manner of their determination.

It is the objective of the Company's compensation program to attract and retain highly qualified executives and to link incentive compensation to performance and shareholder value. The Human Resources and Compensation Committee's goal is to endeavour to ensure that the compensation of executive officers is sufficiently competitive to achieve the objectives of the executive compensation program. The Human Resources and Compensation Committee gives consideration to the Company's contractual obligations, performance, quantitative financial objectives, including relative shareholder return, as well to the qualitative aspects of each individual's performance and achievements.

The Company's compensation program is comprised of base salary and benefits and long term incentives including an incentive stock option plan. Each component of the executive compensation program is addressed below.

All options were vested when granted on March 22, 2016, but were granted at a price that was above market price on that date.

Pension Plan Benefits

The Company does not have in place any deferred compensation plan or pension plan that provides for payments or benefits at, following or in connection with retirement.

Termination and change of control benefits

The Company entered into an employment agreement with Ralph Shearing effective October 31, 2007, as amended effective August 1, 2008, and July 1, 2013 (the “**Shearing Agreement**”) under which Mr. Shearing receives a base salary of \$72,000 per annum. Further to an amendment of August 1, 2016 (which was then in effect for the balance of the financial year ended December 31, 2016), the base salary was \$120,000 per annum.

Under the terms of the Shearing Agreement, in the event of Mr. Shearing’s death or as a result of Disability Termination (as that term is defined in the Shearing Agreement) the Company will pay and provide Mr. Shearing or his estate, any unpaid Base Salary and any outstanding and accrued regular and special vacation pay through the termination date and reimbursement for any unreimbursed expenses incurred through to the termination date.

Mr. Shearing is entitled to be paid a severance package consisting of an amount equal to two years’ Base Salary in the event his employment is terminated other than for Just Cause (as that term is defined in the Shearing Agreement) or where Mr. Shearing provided the Company with written notice of resignation at any time within 12 months of a Change of Control (as that term is defined in the Shearing Agreement).

In the event of a Change of Control where Mr. Shearing’s employment is terminated other than for Just Cause in the twelve month period following the Change of Control, Mr. Shearing is entitled to receive an amount equal to two times the sum of the Base Salary, payable within 30 days and the contributions to twelve month’s benefits.

The following table shows the estimated compensation that would have been payable to Mr. Shearing assuming termination and/or Change of Control events occurred on December 31, 2016:

Payment Upon Death or Disability Termination⁽¹⁾	Payment Upon Termination after Change of Control Other than for Just Cause⁽²⁾	Payment Upon Resignation after Change of Control⁽²⁾	Payment Upon Termination without Cause⁽²⁾
\$38,976	\$366,176	\$366,176	\$358,976

(1) This amount assumes that there was no unpaid Base Salary or reimbursement for any unreimbursed expenses. It does include accrued unpaid vacation pay.

(2) This amount is based on the following assumptions:

- (a) Mr. Shearing receives the Base Payment as compensation; and
- (b) the contributions to twelve month’s benefits are approximately \$600.

Other than as set out above, there are no compensatory plans or arrangements, with respect to the any Named Executive Officer resulting from the resignation, retirement or any other termination of

employment of the officer's employment or from a change of any Named Executive Officers' responsibilities following a change in control.

CORPORATE GOVERNANCE

The following is a summary of the Company's corporate governance disclosure required by Form 58-101F2 of National Instrument 58-101 *Disclosure of Corporate Governance Practices*.

Board of Directors

The Board, at present, is composed of seven directors, three of whom are executive officers of the Company and four of whom are considered to be "independent", as that term is defined in applicable securities legislation. Each of Mr. Bonillas, Mr. Sun, Mr. Godinho and Mr. Martinez is considered to be an independent director. Mr. Shearing, by reason of his being the President of the Company, is not independent. Mr. Berlanga, by reason of his being the CEO of the Company, is not independent. Mr. Margalef, by reason of his officer role, is not independent. See Other Information – Management Contracts. In determining whether a director is independent, the Board chiefly considers whether the director has a relationship which could, or could be perceived to interfere with the director's ability to objectively assess the performance of management.

Board Mandate

The Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

Directorships

Certain of the directors of the Company are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

<i>Name of Director</i>	<i>Other reporting issuer (or equivalent in a foreign jurisdiction)</i>
Yao Sun	Red Pine Petroleum Ltd.

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for new directors. As required, new directors will have the opportunity to become familiar with the Company by meeting with the other directors and with officers and employees. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

Ethical Business Conduct

The Board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board has not appointed a nominating committee because the Board fulfills these functions.

Compensation

The Human Resources and Compensation Committee is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the CEO and President of the Company and the directors, and for reviewing the CEO and President's recommendations respecting compensation of the other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Human Resources and Compensation Committee considers: (a) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (b) providing fair and competitive compensation; (c) balancing the interests of management and the Company's shareholders; and (d) rewarding performance, both on an individual basis and with respect to operations in general.

Committees of the Board of Directors

The Board has appointed an Audit Committee, the members of which are Mr. Margalef, Mr. Sun and Mr. Bonillas. A description of the function of the Audit Committee can be found in this Information Circular under the heading “Audit Committee” above.

The Board has also appointed a Human Resources and Compensation Committee, the members of which are Mr. Berlanga, Mr. Bonillas and Mr. Sun.

Assessments

The Board has not, as yet, adopted formal procedures for assessing the effectiveness of the Board, its Audit Committee or individual directors.

REMUNERATION AND APPOINTMENT OF AUDITORS

The persons named in the enclosed Proxy will vote for the re-appointment of Davidson & Company LLP, Chartered Professional Accountants, Suite 1200, 609 Granville Street, Vancouver, British Columbia, V7Y 1G6, as auditors for the Company to hold office until the next annual general meeting of the shareholders, at a remuneration to be fixed by the directors.

MANAGEMENT CONTRACTS

Management services for the Company are not, to any material degree, performed by persons other than the directors and executive officers of the Company.

PARTICULARS OF MATTERS TO BE ACTED UPON

Incentive Stock Option Plan

The only equity compensation plan which the Company currently has in place is the 2016 stock option plan (the “**2016 Plan**”) which was previously approved by shareholders on December 13, 2016. The 2016 Plan was established to provide incentive to employees, directors, officers, management companies and consultants who provide services to the Company. The Exchange policies respecting the granting of stock options requires that all companies listed on the Exchange adopt a stock option plan and that any stock option plans that reserve a maximum of 10% of the issued and outstanding share capital of the Company at the time of grant (a “**Rolling Plan**”), must be approved and ratified by shareholders on an annual basis. The 2016 Plan was a Rolling Plan and the Company seeks shareholder approval for a renewal of the 2016 Plan, as the Company’s 2018 Plan (the “**2018 Plan**”) in accordance with and subject to the rules and policies of the Exchange. The intention of management in proposing the 2018 Plan is to increase the proprietary interest of such persons in the Company and thereby aid the Company in attracting, retaining and encouraging the continued involvement of such persons with the Company.

It is proposed that under the 2018 Plan, which will be subject to approval by the Exchange, the total number of common shares allotted and reserved for future issuance will be equivalent to 10% of the issued and outstanding share capital of the Company from time to time. The Company is presently classified as a Tier 2 Issuer by the Exchange.

Terms of the 2018 Plan

A full copy of the 2018 Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the 2018 Plan from the Company prior to the Meeting on written request. The following is a summary of the material terms of 2018 Plan:

Number of Shares Reserved. The number of common shares reserved for issuance under the 2018 Plan is 10% of the number of common shares outstanding at any given time.

Administration. The 2018 Plan is to be administered by the Board of Directors of the Company or by a committee to which such authority is delegated by the Board of Directors from time to time.

Eligible Persons. The 2018 Plan provides that stock options may be issued only to directors, officers, employees and consultants and part-time dependent contractors of the Company or of any of its affiliates or subsidiaries, to employees of consultant companies providing management or administrative services to the Company, and to consultant companies themselves. Such persons and entities are referred to herein as “Eligible Persons”.

Board Discretion. The 2018 Plan provides that, generally, the number of shares subject to each option, the exercise price, the expiry time, the extent to which such option is exercisable and other terms and conditions relating to such options shall be determined by the Board of Directors of the Company or any committee to which such authority is delegated by the Board of Directors from time to time.

Maximum Term of Options. Options granted under the 2018 Plan will be for a term not exceeding ten years from the date of grant.

Maximum Options per Person. The number of shares reserved for issuance to any one option holder pursuant to options granted under the 2018 Plan during any twelve month period may not exceed 5% (or, in the case of a consultant, 2%) of the outstanding shares of the Company at the time of grant. The number of shares reserved for issuance to consultants and employees who are engaged in investor relations activities is limited to an aggregate of 2% of the outstanding shares of the Company at the time of grant.

No Assignment. The options may not be assigned or transferred.

Termination Prior to Expiry. If an optionee ceases to be a director, officer, employee or consultant for any reason other than death, then such optionee’s option will terminate within a reasonable period to be determined by the administrator of the 2018 Plan (the “**Exercise Period**”) commencing on the effective date the optionee ceases to be employed by or provide services to the Company (but only to the extent that such option has vested on or before the date the optionee ceased to be so employed or provide services to the Company) as provided for in the written option agreement between the Company and the optionee, and all rights to purchase shares under such option will expire as of the last day of such Exercise Period, provided however that the maximum Exercise Period shall be three (3) months, unless the optionee has entered into a valid employment or consulting agreement that provides for a longer Exercise Period, but in no case shall the Exercise Period be greater than one (1) year unless prior Exchange approval has been given. If an option holder dies, the options of the deceased option holder will be exercisable by his or her estate for a period not exceeding 12 months or the balance of the term of the options, whichever is shorter.

Exercise Price. Options granted under the terms of the 2018 Plan will be exercisable at a price which is not less than the Discounted Market Price, as that term is defined in the Exchange policy manual as

of the date hereof, or such other minimum price as is permitted by the Exchange in accordance with its policies from time to time.

Full Payment for Shares. The Company will not issue shares pursuant to options granted under the 2018 Plan unless and until the shares have been fully paid for. The Company will not provide financial assistance to option holders to assist them in exercising their options.

Reduction of Exercise Price. The exercise price of stock options granted to Insiders may not be decreased without disinterested shareholder approval (as described above).

Termination of Plan. The 2018 Plan will terminate pursuant to a resolution of the Board or the Company's shareholders.

At the Meeting, shareholders will be asked to pass an ordinary resolution approving the 2018 Plan in the following form:

"IT IS RESOLVED THAT:

1. The Company adopt a 2018 Stock Option Plan (the "Plan"), including the reserving for issuance under the Plan at any time of a maximum of 10% of the issued common shares of the Company;
2. The Board of Directors be authorized on behalf of the Company to make any further amendments to the Plan as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure adoption of the Plan;
3. The Company file the Plan with the TSX Venture Exchange for acceptance; and
4. Any one director or officer of the Company is authorized and directed to do all such acts and things and to execute and deliver all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to this resolution."

In order to be effective, the foregoing ordinary resolutions must be approved by a simple majority of the votes cast by those shareholders of the Company who, being entitled to do so, vote in person or by proxy at the Meeting in respect of such resolution.

Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote FOR the approval of the 2018 Plan.

The Directors of the Company believe the passing of the foregoing ordinary resolution is in the best interests of the Company and recommend that shareholders of the Company vote in favor of the resolution.
