

Environmental Policy

Tutor Perini's Environmental Commitment

As part of its commitment to sustainability, Tutor Perini Corporation and its subsidiaries ("Tutor Perini" or "the Company") is committed to environmental stewardship. This includes a strong focus on managing resources and conducting our business in an environmentally responsible manner consistent with the Company's core values, as well as those of our project owners and the communities in which we operate. Tutor Perini will strive to minimize the environmental impacts of our operations through consistent and feasible working methodologies and improvements that address environmental management and performance.

In implementing this policy, the Company will:

- Reflect our commitment to environmental protection in carrying out all aspects of our business;
- Create and maintain environmental awareness by communicating this policy to Company personnel;
- Use natural resources efficiently;
- Reduce emissions and waste whenever practical;
- Monitor environmental performance and make changes or improvements whenever necessary;
- Report periodically on environmental challenges and our successes;
- Comply with all applicable environmental laws and regulations; and
- Fulfill our corporate responsibilities as a steward of the environment through environmental training and regular consultation with stakeholders, including employees, project team members, subcontractors, regulatory agencies and communities in which we work.

Tutor Perini is also committed to providing a safe and healthy work environment for our employees and to working in a manner that ensures the safety of our subcontractors, customers and the general public, as well as the protection of facilities, equipment and the environment.

Tutor Perini's executive management has approved this environmental policy. The policy will be updated as needed to meet the requirements of pertinent new laws and regulations.

This environmental policy applies to all Company employees. The Company will also strive to have its suppliers and subcontractors comply with this policy whenever possible.
