McDermott's CB&I Storage Solutions Recognized with Multiple STI/SPFA Safety Awards

HOUSTON, May 5, 2021 /PRNewswire/ -- McDermott International, Ltd today announced that its CB&I Storage Solutions business received three safety awards from the Steel Tank Institute/Steel Plate Fabricators Association (STI/SPFA).

STI/SPFA Safety Awards are presented annually to celebrate the highest safety achievements of member companies engaged in shop fabrication, inspection, maintenance and field construction activities. Divisions of CB&I Storage Solutions with operations in the U.S. and Central & South America were recognized in the following categories:

- 2020 Safety Diamond Club Award: Fabricators who achieve more than 1 million work hours without a recordable incident for the calendar year ending Dec. 31, 2020.
- 2020 Safety Award of Excellence: Organizations whose employees have achieved a safety record with zero OSHA Recordable Incidents in the previous calendar year.
- 2020 Safety Award of Achievement: Companies whose employees have achieved at least a 10 percent reduction in the rate of OSHA Total Recordable Incidents compared to their average rate for the prior three years.

"The safety and well-being of our employees remains our number one priority," said Cesar Canals, Senior Vice President of CB&I Storage Solutions. "This industry recognition is a testament of the safety culture each and every employee helps cultivate—every day—and in everything we do."

Winners were announced during the STI/SPFA Annual Business Meeting, held virtually, on March 31.

About CB&I Storage Solutions

CB&I Storage Solutions is the world's leading designer and builder of storage facilities, tanks and terminals. With more than 59,000 structures completed throughout its 130-year history, CB&I Storage Solutions has the global expertise and strategically-located operations to provide its customers world-class storage solutions for even the most complex energy infrastructure projects.
