

PYXUS INTERNATIONAL, INC.
AUDIT COMMITTEE
Charter and Mandates

PURPOSE

The primary function of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Pyxus International, Inc. (“Pyxus” or the “Company”) is to assist the Board in fulfilling its oversight responsibilities with respect to the integrity of the financial statements of the Company, the Company’s compliance with legal and regulatory requirements, the independence and qualifications of the independent auditor, and the performance of the company’s internal audit function and independent auditor. Further, the Committee is charged with preparing the report of the Audit Committee required to be included in the Company’s annual proxy statement.

AUTHORITY

The Committee is formed by Board Resolution pursuant to Article IV, Section 2 of the Bylaws. Changes to the Committee’s Charter and Mandates must also be made by Board Resolution. The Committee will act only as a committee, with individual members possessing no power to act on their own.

The Company will provide appropriate funding, as determined by the Committee, for the payment of the independent auditor engaged by the Committee for the purpose of issuing an audit report. Further, the Committee shall have the authority to engage financial and internal control experts, including independent public accountants other than Pyxus’s independent auditor, counsel, including counsel other than Pyxus’s regular counsel, and other advisers as it deems reasonably necessary to assist it in carrying out its responsibilities. The Company will provide appropriate funding, as determined by the Committee, for the payment of such experts, counsel and other advisers. The Company will provide appropriate funding, as determined by the Committee, for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

The Committee shall be given the authority and financial and other resources to conduct investigations into any matters within the scope of its responsibilities. The Committee shall have the authority to meet with and seek information from other directors, officers, employees and others as determined by the Committee.

MEMBERSHIP CRITERIA

The Committee shall be composed of not less than three members of the Board. All members of the Committee shall meet the requirements of the New York Stock Exchange (“NYSE”), the SEC and any other applicable legal or regulatory requirement concerning (1) independence (including restrictions concerning employment relationships, business relationships, family relationship, and cross compensation committee links), and (2) financial literacy. Further, at least one member of the committee shall have the accounting or related financial management expertise to be considered a financial expert.

Determination that a director meets the financial literacy and/or financial expert requirements for audit committee service will be made by the Board in its business judgment. In making such determinations, the Board will consider the financial expert qualifications set forth in SEC Release 33-8177 and related pronouncements.

APPOINTMENT OF MEMBERS AND CHAIR

The Board of Directors will appoint both the members and the Chair of the Committee. The appointments will be made at each Annual Meeting of the Board or when successors are required.

If an Audit Committee member simultaneously serves on the audit committee of more than three public companies, the Board must determine that such simultaneous service would not impair the ability of the director to effectively serve on the Company's Audit Committee and disclose such determination in the annual proxy statement.

REMOVAL OF MEMBERS AND CHAIR

In accordance with Article IV, Section 9 of the Bylaws, any member of the Committee, including the Chair, may be removed by majority vote of the Directors then in office.

VACANCIES

In accordance with Article IV, Section 10 of the Bylaws, any vacancy may be filled by majority vote of the Directors then in office.

The Committee shall meet separately periodically in executive session with each of the independent auditor, the internal auditor and management. The Committee shall meet privately as a committee as necessary to discuss any matters that the Committee believes should be discussed without the presence of management.

Notice – In accordance with Article IV, Section 6 of the Bylaws (and by reference Article III, Section 6 of the Bylaws), notice of Committee meetings will be provided at least 24 hours in advance of the meeting. Meetings may be held at any time without notice if the members waive the notice requirement by attendance at the meeting or otherwise.

Forum – The Committee may meet in person, by telephone, or by other means of communication whereby all persons participating in the meeting may simultaneously hear each other.

REPORTING

Minutes of each meeting shall be prepared and distributed to the Committee. The Committee shall report on each of its proceedings to the Board at the next regular meeting of the Board.
