**12 June 2019**

Dear Shareholder

We are writing in connection with the Company's forthcoming Annual General Meeting (the "**AGM**"). The AGM will be held on Thursday, 11 July 2019 at 10 a.m. at the offices of Covington & Burling LLP, 265 Strand, London WC2R 1BH.

**Annual General Meeting**

Notice of the AGM is given on pages 5 and 6 (the "**Notice**").

Resolutions 1 to 7 in the Notice set out the ordinary resolutions to be proposed. Resolution 8 is being proposed as a special resolution and as such requires a two-thirds majority of the votes to be cast in favour in order to be passed.

Further explanation of each of the resolutions is set out below.

**Resolution 1 – Approval of Annual Report and Financial Statements**

Resolution 1 proposes the adoption of the Annual Report and Financial Statements of the Company for the period ended 31 December 2018, together with the Directors' Report and the Independent Auditor's Report on those Financial Statements. The Annual Report and Financial Statements are available on the Company's website [www.safeharbourplc.com](http://www.safeharbourplc.com).

**Resolutions 2 to 4 - Election and re-election of Directors**

The articles of association of the Company (the "**Articles**") require that one third of the Directors retire from office and offer themselves for re-election, and that each Director shall retire from office and stand for re-election at least every three years. Rodrigo Mascarenhas shall retire and offer himself for re-election in Resolution 2.

The Articles also require that any new Director appointed by the Board shall only hold office until the following annual general meeting, whereupon he or she shall be eligible for election. At Resolution 3, Christopher Cole will offer himself for election and at Resolution 4, James Brotherton will offer himself for election.

A brief biography of each Director seeking election/re-election is available on the Company's website at <http://www.safeharbourplc.com/about-us/board-of-directors/default.aspx>.

**Resolutions 5 and 6 – Re-appointment and remuneration of the auditor**

At every annual general meeting at which financial statements are presented to shareholders, the Company is required to appoint an auditor to serve until the next such annual general meeting. PricewaterhouseCoopers LLP ("**PwC**") has indicated its willingness to continue to act as the Company's auditor until the conclusion of the next annual general meeting. The Directors recommend PwC's appointment and seek authority to fix its remuneration.

Resolution 5 proposes the re-appointment of PwC as the Company's auditor and Resolution 6 authorises the Directors to fix the auditor's remuneration.

**Resolution 7 – Authority to allot shares or grant subscription or conversion rights**

The existing power granted to the Directors to allot Shares (as defined in the Articles) expires at the conclusion of the AGM. This resolution asks shareholders to grant the Directors authority, pursuant to and in accordance with the Articles, to allot Shares or grant rights to subscribe for or convert any equity securities in the Company into Shares up to a maximum of 18,166,666 Shares, representing approximately two-thirds of the Company's issued share capital as at 11 June 2019, being the latest practicable date before the publication of this Notice.

Of this authority, 9,083,333 Shares are reserved for a fully pre-emptive rights issue. This is the maximum permitted amount under best practice corporate governance guidelines because the Directors consider it important to have the maximum flexibility to raise finance in order to enable the Company to respond to market developments. The Directors have no present intention of exercising such authority as they currently intend that any allotment of Shares or granting of subscription or conversion rights would not be carried out on a fully pre-emptive basis.

This authority shall expire on the earlier of 15 months after the date of the approval of the resolution and the conclusion of the next annual general meeting, save that the Company may before such expiry make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities in pursuance of that offer or agreement as if such authority had not expired.

Resolution 7 replaces a similar resolution passed at the annual general meeting of the Company held on 10 July 2018.

#### **Resolution 8 – Disapplication of pre-emption rights**

Resolution 7 seeks authority for the Company to allot Shares in the Company, however, Articles 20(a) to 20(e) require that Shares or other equity securities allotted for cash are offered first to existing shareholders in proportion to their existing holdings. There may be occasions, however, when the Directors need the flexibility to finance business opportunities by the issue of Shares for cash without a pre-emptive offer to existing shareholders. This cannot be done under the Articles unless the shareholders have first waived their pre-emption rights. Accordingly, the passing of Resolution 8 would allow the Directors to allot Shares without first offering the securities to existing shareholders.

The authority would be limited to:

- (i) in the case of Resolution 8(i), allotments or sales in connection with pre-emptive offers (but where the authority to allot has been granted by Resolution 7(ii), by a rights issue only); or
- (ii) in the case of Resolution 8(ii), otherwise up to 2,725,000 Shares, representing 10 per cent. of the issued share capital of the Company as at 11 June 2019, being the latest practicable date prior to the publication of the Notice.

The Directors confirm that they will only allot Shares representing more than 5 per cent. of the issued share capital of the Company for cash pursuant to the authority referred to in Resolution 8(ii) where that allotment is in connection with an acquisition or specified capital investment (as defined in the Pre-Emption Group's Statement of Principles (the "Principles")) which is announced contemporaneously with the allotment, or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment. In respect of the authority referred to in Resolution 8(ii), the Directors also confirm their intention to follow the provisions of the Principles regarding cumulative usage of authority within a rolling three year period. The Principles provide that usage in excess of 7.5 per cent. of issued share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to above.

The authorities sought under Resolution 8 will expire on the earlier of 15 months after the date of the approval of the resolution and the conclusion of the next annual general meeting.

If the Board determines that an acquisition would be best funded through the proceeds of a cash placing in excess of this authority, a specific shareholder authority would be requested at that time.

Resolution 8 replaces a similar resolution passed at the annual general meeting of the Company held on 10 July 2018.

#### **Dividends**

The Directors have not yet determined the Company's dividend policy as the Company has not yet completed its Platform Acquisition (as defined in the Annual Report). Accordingly, the Directors do not recommend a dividend at this time. Future dividends will be considered by the Directors on an ongoing basis once a formal dividend policy has been adopted by the Company, following completion of a Platform Acquisition.

#### **Electronic communications**

The Company may communicate electronically with its members in accordance with the provisions of the Electronic Communications (Jersey) Law 2000, as amended from time to time, and the Articles. These provisions allow the Company to use its website to publish statutory documents and communications to shareholders, such as the Annual Report and Financial Statements, as its default method of publication.

Notices of General Meetings (including AGMs), the Company's Annual Report and Financial Statements and other communications with shareholders will be published on the Company's website at [www.safeharbourplc.com](http://www.safeharbourplc.com). Reducing the volume of communications sent by post will not only result in cost savings to the Company but also reduce the impact that the unnecessary printing and distribution of reports has on the environment.

You will continue to be notified each time that the Company places a statutory communication on its website, and may request a hard copy of any document at any time.

**Recommendation**

The Directors believe that the resolutions to be put to the AGM are in the best interests of the shareholders as a whole and, accordingly, recommend that shareholders vote in favour of the resolutions.

**Action to be taken**

You are requested to vote electronically at [www.signalshares.com](http://www.signalshares.com); full instructions on the procedure for online voting are set out in paragraph 6 of the Notes to this Notice. If you hold your shares in uncertificated form, use the CREST electronic proxy appointment service as described in the Notes to the Notice of General Meeting as soon as possible, but in any event so as to be received by the Company's Registrar, Link Asset Services, not later than 10 a.m. on 9 July 2019, being 48 hours (excluding non-working days) before the time appointed for the AGM. Completion of a form of proxy either online or in hard copy will not prevent you from attending and voting at the AGM if you so wish.

Yours sincerely

## Notes:

The following notes explain your general rights as a shareholder and your right to attend and vote at this Annual General Meeting ("Meeting") or to appoint someone else to vote on your behalf.

1. To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the number of votes they may cast), shareholders must be registered in the register of members of the Company at close of business on 9 July 2019 (or, in the event of any adjournment, close of business on the date which is 2 days (excluding non-working days) before the date of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.
2. Shareholders, or their proxies, intending to attend the Meeting in person are requested, if possible, to arrive at the Meeting venue at least 20 minutes prior to the commencement of the Meeting at 10:00 am (UK time) on 11 July 2019 so that their shareholding may be checked against the Company's register of members and attendances recorded.
3. Shareholders entitled to attend and vote at the Meeting are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote on their behalf at the Meeting and at any adjournment of it. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company.
4. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior).
5. A vote withheld option is provided on the form of proxy to enable you to instruct your proxy not to vote on any particular resolution, although it should be noted that a vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
6. You can vote either:
  - by logging on to [www.signalshares.com](http://www.signalshares.com) and following the instructions. You will need to log into your Signal Shares account, or register if you have not previously done so. To register, you will need your Investor Code, which is detailed on your share certificate or available from the Company's Registrar, Link Asset Services;
  - You may request a hard copy form of proxy directly from the Registrar, Link Asset Services, by telephone from the UK – 0871 664 0300, from overseas call +44 (0) 371 664 0300 or by email - [enquiries@linkgroup.co.uk](mailto:enquiries@linkgroup.co.uk);

- on tel: 0371 664 0300. Calls cost 12p per minute plus your phone company's access charge. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales; or
- in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below.

In order for a proxy appointment to be valid a form of proxy must be completed. In each case the form of proxy must be received by Link Asset Services at PXS, 34 Beckenham Road, Beckenham, Kent, BR3 4TU by 10:00 am on 9 July 2019, together with, if appropriate, the power of attorney or other authority (if any) under which it is signed, or a duly certified copy of that power or authority. A shareholder must inform the Registrar in writing no later than 10:00am on 9 July 2019 of any termination of the authority of a proxy.

7. If you return more than one proxy appointment, the appointment received last by Link Asset Services before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged.
8. The return of a completed form of proxy, electronic filing or any CREST Proxy Instruction (as described below) will not prevent a shareholder from attending the Meeting and voting in person if he/she wishes to do so.
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting (and any adjournment of the Meeting) by using the procedures described in the CREST Manual (available from [www.euroclear.com/site/public/EUI](http://www.euroclear.com/site/public/EUI)). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time for receipt of proxy appointments specified in this Notice. For this purpose, the time of receipt will be taken to mean the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

11. *CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001, as amended or equivalent circumstances set out in the Companies (Uncertificated Securities) (Jersey) Order 1999.*
12. *Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that no more than one corporate representative exercises powers in relation to the same shares.*
13. *As at 11 June 2019 (being the latest practicable business day prior to the publication of this Notice), the Company's ordinary issued share capital consists of 27,250,001 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 11 June 2019 are 27,250,001.*
14. *Any shareholder attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the Meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.*
15. *Copies of the Directors' letters of appointment or service contracts are available for inspection during normal business hours at the registered office of the Company on any business day from the date of this Notice until the time of the Meeting and may also be inspected at the Meeting venue, as specified in this Notice, from 10:00 am on the day of the Meeting until the conclusion of the Meeting.*
16. *You may not use any electronic address (within the meaning of Section 333(4) of the Companies Act 2006) provided in either this Notice or any related documents (including the form of proxy) to communicate with the Company for any purposes other than those expressly stated.*

*A copy of this Notice can be found on the Company's website at [www.safeharbourplc.com](http://www.safeharbourplc.com)*
