

## **Lumentum Export Compliance Policy**

It is the policy of Lumentum, headquartered in the United States, to conduct business in compliance with all relevant export laws and regulations of the United States as well as with those of all other countries in which Lumentum and its subsidiaries operate. Lumentum's products and technology may be subject to the Export Administration Regulations (EAR) or the International Traffic in Arms Regulations (ITAR). Lumentum complies fully with these laws and regulations as well as with those of the Office of Foreign Assets Control (OFAC). For more information on Lumentum's Export Compliance policy and practices contact the Lumentum Legal Department.
