Axon Promotes Key Leaders to Chief Revenue Officer and Chief Information Security Officer

SCOTTSDALE, Ariz. and SEATTLE, Dec. 21, 2017 /PRNewswire/-- [Axon](#) (Nasdaq: AAXN), the global leader in connected law enforcement technologies, today announced two recent promotions for key leaders on the executive team. Josh Isner has been promoted to Chief Revenue Officer and Jenner Holden to Chief Information Security Officer. Isner and Holden will assume their new positions and responsibilities starting January 2018, to support Axon's strategic business initiatives.

Josh Isner, Chief Revenue Officer. Previously Executive Vice President of Global Sales, Isner will continue to lead global growth, customer service, professional services, and sales operations. Isner joined Axon in 2009 as a member of the Leadership and Development Program and has held a variety of roles within the company including Northeast Regional Sales Executive and VP of [Evidence.com](#) Sales. This year, Isner led Axon to record revenue and bookings both domestically and internationally.

Jenner Holden, Chief Information Security Officer. Previously Senior Vice President of Information Security, Holden will continue to oversee the information security program that protects Axon's systems and products, including the [Evidence.com](#) platform. Since joining Axon in 2013, Holden has been instrumental in building a company-wide culture of security. He has more than 12 years' experience evaluating and managing enterprise-level information security programs.

"These executives have made significant contributions to Axon and embody the great values that codify our company," says Axon CEO and founder, Rick Smith. "We're thrilled to have Jenner join the leadership team given his dedication to making the Axon network strong and secure for our customers. Josh continues to be a key strategic thinker with a great ability to drive bold sales initiatives."

About Axon

The Axon network is a network of devices, apps and people that helps law enforcement become smarter and safer. Our mission is to protect life. Our technologies give law enforcement the confidence, focus and time they need to keep their communities safe. Our products impact almost every aspect of an officer's day-to-day experience:

- | **In the field** - Our Smart Weapons offer a less-lethal intermediate use of force response and our body-worn and in-car cameras collect video evidence to assist in capturing the truth of an incident; and our mobile applications enable simple evidence collection.
- | **At the station** - Our secure, cloud-based digital evidence management solution allows officers and command staff to manage, review, share and process digital evidence using forensic, redaction, transcription, and other tools.
- | **In the courtroom** - Our solutions for prosecutors make collaborating across jurisdictions and agencies easy so that cases can be resolved quickly.

We work hard for those who put themselves in harm's way for all of us. To date, there are more than 187,400 licensed users from around the world and more than [193,000](#) lives and countless dollars have been saved with the Axon network of devices, apps and people.
