TASER International Receives Order for 400 TASER X26 ECDs for Cleveland Division of Police

SCOTTSDALE, Ariz., Dec. 14, 2009 (GLOBE NEWSWIRE) -- TASER International, Inc. (Nasdaq:TASR), a market leader in digital evidence solutions and electronic control devices (ECDs), today announced an order from the Cleveland Division of Police in Cleveland, Ohio for an additional 400 TASER® X26™ ECDs and related accessories.

With this most recent order, the Cleveland Division of Police has purchased more than 1,400 TASER brand ECDs for its 1,600 sworn officers. Currently, more than 600 law enforcement agencies in Ohio currently deploy TASER brand ECDs.

The order is expected to ship in the fourth quarter of 2009.

About TASER International, Inc.

TASER International's products Protect Life and Protect Truth. TASER provides advanced Electronic Control Devices (ECDs) and innovative secured digital evidence collection and management solutions for use in the law enforcement, medical, military, corrections, professional security, and personal safety markets. TASER ECDs use proprietary technology to incapacitate dangerous, combative, or high-risk subjects who pose a risk to law enforcement officers, innocent citizens, or themselves in a manner that is generally recognized as a safer alternative to other uses of force. The TASER® AXON™, a revolutionary on-officer tactical computer and video/audio recorder, combines with an integrated digital multi-media evidence storage and management platform -- EVIDENCE.COM -- to provide an end-to-end solution to capture, store securely, and analyze digital evidence and information in ways that enables tactical and strategic decision making by law enforcement, as well as for legal evidentiary use. For more information please call TASER International at (800) 978-2737 or visit our website at www.TASER.com.
