## **TASER International Receives Order for 443 TASER X26 Electronic Control Devices From United States Marshals Service**

SCOTTSDALE, Ariz., Nov. 3, 2009 (GLOBE NEWSWIRE) -- TASER International, Inc. (Nasdaq:TASR), a market leader in digital evidence solutions and electronic control devices (ECDs), today announced an order from the United States Marshals Service for 443 TASER® X26™ ECDs. The order will ship in the fourth quarter of 2009.

"There is nothing more rewarding to our company than providing products that help federal agents protect life," said Tom Smith, Chairman and founder of TASER International. "We are grateful for the opportunity to serve government officials in their efforts to minimize risks and increase safety."

About TASER International, Inc.

TASER International's products Protect Life and Protect Truth. TASER provides advanced Electronic Control Devices (ECDs) and innovative secured digital evidence collection and management solutions for use in the law enforcement, medical, military, corrections, professional security, and personal safety markets. TASER ECDs use proprietary technology to incapacitate dangerous, combative, or high-risk subjects who pose a risk to law enforcement officers, innocent citizens, or themselves in a manner that is generally recognized as a safer alternative to other uses of force. The TASER® AXON™, a revolutionary on-officer tactical computer and video/audio recorder, combines with an integrated digital multi-media evidence storage and management platform -- EVIDENCE.COM -- to provide an end-to-end solution to capture, store securely, and analyze digital evidence and information in ways that enables tactical and strategic decision making by law enforcement, as well as for legal evidentiary use. For more information please call TASER International at (800) 978-2737 or visit our website at [www.TASER.com](http://www.TASER.com).
