

Q3

CROCS inc.

2024 Earnings

CCY Growth Rates vs. Q3 2023

Total Revenue	\$1,062 / +2%
Adjusted Gross Margin ¹	59.6%
Adjusted Operating Margin ¹	25.4%
Adjusted EPS ¹	\$3.60 / +11%

“We reported third quarter results which exceeded our Enterprise guidance on sales and profitability,” said Andrew Rees, Chief Executive Officer. “Our overall performance including strong gross margin gains allowed us to accelerate our strategic investments in the quarter while continuing to deliver earnings per share growth through the deployment of our strong cash flow. Strength was led by our Crocs Brand fueled by 17% international and 8% direct-to-consumer growth.”

Forward-looking statements

This document includes estimates, projections, and statements relating to our business plans, commitments, objectives, and expected operating results that are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended.

These statements include, but are not limited to, statements regarding potential impacts to our business related to cost inflation, our financial condition, brand and liquidity outlook, and expectations regarding our future financial results, share repurchases, our strategy, plans, objectives, expectations (financial or otherwise) and intentions, future financial results and growth potential, statements regarding fourth quarter and full year 2024 financial outlook and future profitability, cash flows, and brand strength, anticipated product portfolio and our ability to deliver sustained, highly profitable growth and create significant shareholder value. These statements involve known and unknown risks, uncertainties, and other factors, which may cause our actual results, performance, or achievements to be materially different from any future results, performances, or achievements expressed or implied by the forward-looking statements. These risks and uncertainties include, but are not limited to, the following: cost inflation; current global financial conditions; the effect of competition in our industry; our ability to effectively manage our future growth or declines in revenues; changing consumer preferences; our ability to maintain and expand revenues and gross margin; our ability to accurately forecast consumer demand for our products; our ability to successfully implement our strategic plans; our ability to develop and sell new products; our ability to obtain and protect intellectual property rights; the effect of potential adverse currency exchange rate fluctuations and other international operating risks; and

other factors described in our most recent Annual Report on Form 10-K under the heading “Risk Factors” and our subsequent filings with the Securities and Exchange Commission. Readers are encouraged to review that section and all other disclosures appearing in our filings with the Securities and Exchange Commission.

All information in this document speaks only as of October 29, 2024. We do not undertake any obligation to update publicly any forward-looking statements, whether as a result of the receipt of new information, future events, or otherwise, except as required by applicable law.

Please refer to our third quarter earnings release, which is available free of charge at www.investors.crocs.com and to our Report on Form 10-Q filed with the SEC on October 29, 2024 which is available free of charge at www.sec.gov.
