Performance Food Group Company Announces Pricing of Offering of \$1.06 billion of 5.500% Senior Notes due 2027

RICHMOND, Va. – Performance Food Group Company (“PFG”) (NYSE: PFGC) announced today that its indirect wholly-owned subsidiary, PFG Escrow Corporation (the “Escrow Issuer”) priced its previously announced offering of \$1.06 billion aggregate principal amount of 5.500% Senior Notes due 2027 (the “notes”). PFG anticipates that the consummation of the offering will occur on September 27, 2019. PFG intends to use the net proceeds from the offering, along with other financing sources, to finance the cash consideration payable in connection with PFG’s previously announced acquisition of Reinhart Foodservice, L.L.C. (the “Acquisition”) and to pay related fees and expenses.

Upon consummation of the Acquisition, the Escrow Issuer will merge with and into Performance Food Group, Inc. (the “Issuer”), a wholly-owned subsidiary of PFG, with the Issuer continuing as the surviving corporation, and the Issuer will assume all of the Escrow Issuer’s obligations under the notes, the related indenture and the other applicable documents. Upon the closing of the Acquisition, the notes will be guaranteed by the Issuer and all of the Issuer’s existing and future material wholly-owned domestic restricted subsidiaries, subject to certain exceptions. The closing of the offering is not conditioned on the closing of the Acquisition. If the Acquisition is not consummated, the Escrow Issuer will be required to redeem the notes at a price equal to 100% of the issue price of the notes plus accrued and unpaid interest, if any, to, but not including, the redemption date. Prior to the closing of the Acquisition, the notes will be the sole obligation of the Escrow Issuer.

The notes to be offered have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws and, unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The notes will be offered, by the initial purchasers, only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act and non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act.

This press release is being issued pursuant to Rule 135(c) under the Securities Act, and it is neither an offer to sell nor a solicitation of an offer to buy any securities and shall not constitute an offer to sell or a solicitation of an offer to buy, or a sale of any securities in any jurisdiction in which such offer, solicitation or sale is unlawful.
