

MANAGEMENT INFORMATION CIRCULAR

**ROOTS CORPORATION
ANNUAL MEETING OF SHAREHOLDERS**

June 7, 2024

NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that an Annual Meeting of the Shareholders (the “**Meeting**”) of Roots Corporation (“**Roots**” or the “**Company**”) will be held on Tuesday, July 23, 2024 at 10:00 a.m. (Toronto time) by way of virtual-only meeting via live webcast.

Meeting Business

The Meeting will be held for the following purposes:

1. to receive the annual consolidated financial statements of Roots for the fiscal year ended February 3, 2024, and the auditors’ report thereon;
2. to elect members of the Board of Directors of Roots (see “Business to be Transacted at the Meeting – Election of the Board of Directors”);
3. to re-appoint Roots’ auditors and to authorize the directors to fix the auditors’ compensation (see “Business to be Transacted at the Meeting – Appointment of the Auditors”); and
4. to transact such other business as may properly be brought before the Meeting or any adjournment or postponement thereof.

Record Date

You have the right to receive notice of and vote at the Meeting as set out in the accompanying Management Information Circular (the “**Circular**”) if you are a holder (“**Shareholder**”) of common shares of Roots (“**Shares**”) as of the close of business on May 30, 2024.

Meeting Format

The Company will be holding the Meeting exclusively via live webcast. Shareholders and duly appointed proxyholders will be able to listen to, participate in, ask questions, and vote at the Meeting in real time through a web-based platform instead of attending the Meeting in person. The Company hopes that hosting the Meeting virtually will help enable greater participation by allowing Shareholders from all geographical locations (including those who might not otherwise be able to travel to a physical meeting) to attend the Meeting online.

You can attend the Meeting by joining the live webcast online at <http://www.meetnow.global/MHLHQ29>. See “Voting Information” in the accompanying Circular for detailed instructions on how to attend and vote at the Meeting.

Management currently intends on only proceeding with the formal items of business of the Meeting without any opening remarks or subsequent management presentations. However, Shareholders will still have the opportunity to submit questions during the Meeting through the live webcast.

Notice and Access

The Company is using the “Notice and Access” procedure adopted by the Canadian Securities Administrators for the delivery of the Circular to both its registered and non-registered Shareholders. Under the Notice and Access procedure, you are still entitled to receive a form of proxy (or voting instruction form) enabling you to vote at the Meeting. However, instead of a paper copy of the Circular, you are receiving this notice of meeting that contains information about how to access the Circular electronically. The principal benefit of the Notice and Access procedure is that it reduces costs and the environmental impact of producing and distributing paper copies of documents in large quantities. Shareholders who have consented to electronic delivery of materials are receiving this notice of meeting in an electronic format.

The Circular and the accompanying form of proxy (or voting instruction form) provide additional information concerning the matters to be dealt with at the Meeting. You should access and review all information contained in the Circular before voting.

Shareholders with questions about the Notice and Access procedure can call Computershare Investor Services Inc. (“**Computershare**”) toll free at 1-866-964-0492 or by going to: www.computershare.com/noticeandaccess.

Websites Where the Meeting Materials are Posted

The Circular can be viewed online on the Company’s website at investors.roots.com or under the Company’s profile on the System for Electronic Document Analysis and Retrieval+ (“**SEDAR+**”) at www.sedarplus.ca.

How to Obtain a Paper Copy of the Circular

All Shareholders may request that a paper copy of the Circular be mailed to them at no cost for up to one year from the date that the Circular was filed on SEDAR+.

Shareholders with a 15-digit Control Number may request a paper copy of the Circular at any time prior to the Meeting by calling 1-866-962-0498 (North America) or 514-982-8716 (from outside North America) and following the instructions. If you do not have a 15-digit Control Number and wish to request a paper copy of the Circular, please contact Computershare toll free at 1-800-564-6253 and a copy will be delivered to you.

All requests must be received by July 10, 2024 (i.e., at least seven business days in advance of the date and time specified in your form of proxy or voting instruction form as the voting deadline for the Meeting) if you would like to receive the Circular in advance of the voting deadline and Meeting date.

To obtain paper copies of the Circular after the Meeting date, please contact Roots Investor Relations at 1-844-762-2343.

Your Vote is Important

As a Shareholder, it is important that you read the accompanying Management Information Circular carefully.

You are entitled to vote either by proxy or at the Meeting by online ballot through the live webcast platform. If you are unable to attend the Meeting, you are requested to vote your Shares online or by using the enclosed form of proxy or voting instruction form.

Registered Shareholders (whose Shares are registered in their name) may vote in advance of the Meeting by telephone, on the internet or by mail in accordance with the instructions set out on the proxy form accompanying this Circular. For voting by mail, registered Shareholders should complete and sign their proxy form and return it to Roots' transfer agent, Computershare Investor Services Inc., 100 University Avenue, 8th Floor, North Tower, Toronto, Ontario, M5J 2Y1, Canada, Attention: Proxy Department, by no later than 10:00 a.m. (Toronto time) on July 19, 2024.

Non-registered beneficial Shareholders (whose Shares are held indirectly through an intermediary such as a bank, trust company, securities broker or other intermediary) should review the voting instruction form provided by their intermediary, which sets out the procedures to be followed for voting common shares held through intermediaries.

If you wish to appoint a proxyholder other than Erol Uzumeri or Dale H. Lastman, each of whom is a director of Roots, you must visit <http://www.computershare.com/Roots> and provide Computershare with your proxyholder's contact information, so that Computershare may provide the proxyholder with an Invite Code via email. This applies to both registered and non-registered Shareholders. Without an Invite Code, your proxyholder will not be able to vote at the Meeting.

Roots believes that the ability to participate in the Meeting in a meaningful way remains important despite the decision to hold this year's Meeting through electronic means. Shareholders will have substantially the same opportunity to vote and submit questions on matters of business at the Meeting as in past years when the annual shareholders' meeting was held in person.

For those that plan on accessing the live webcast, please allow ample time prior to the Meeting. The Meeting will begin promptly at 10:00 a.m. (Toronto time) on Tuesday, July 23, 2024, unless otherwise adjourned or postponed. Once logged in to the webcast, it is important to remain connected to the internet for the duration of the Meeting.

By Order of the Board of Directors,

Meghan Roach
President and Chief Executive Officer

If there are changes or new items, you or your proxyholder can vote your Shares on these items as you or your proxyholder sees fit. If any other matters properly come before the Meeting, it is the intention of the persons named in the form of proxy to vote in respect of those matters in accordance with their judgment.

NOTICE AND ACCESS

The Company is using "Notice and Access" procedure that allows it to furnish proxy materials over the internet instead of mailing paper copies to Shareholders. Under the Notice and Access procedure, the Company will deliver proxy-related materials by: (i) posting the Circular on its website at investors.roots.com; and (ii) sending the Notice of Meeting informing Shareholders that the Circular and proxy-related materials have been posted on the Company's website and explaining how to access them.

On or about June 18, 2024, the Company will send to Shareholders the Notice of Meeting and the relevant voting document (a form of proxy or a voting instruction form). The Notice of Meeting contains basic information about the Meeting and the matters to be voted on, instructions on how to access the proxy materials, and explains how to obtain a paper copy of the Circular.

VOTING INFORMATION

WHO CAN VOTE

We are authorized to issue an unlimited number of Shares. As of June 7, 2024, there were 40,250,213 issued and outstanding Shares.

Each Share you own as of the close of business on May 30, 2024, the record date for the Meeting, entitles you to one vote on each of the matters to be acted upon at the Meeting, or any adjournment or postponement thereof, either by proxy or at the Meeting by online ballot through the live webcast platform. The right to vote at the Meeting is limited to Shareholders who own Shares as of the above record date for the Meeting.

To the knowledge of the directors and officers of Roots, the following are the only persons or companies who, as of the date of this Circular, beneficially own, directly or indirectly, or exercise control or direction over more than 10% of the total outstanding Shares:

NAME	NUMBER OF SECURITIES OWNED OR CONTROLLED	PERCENTAGE OF THE OUTSTANDING SHARES
Searchlight	20,519,887	51.0%
Kernwood Limited ⁽¹⁾	5,626,500	14.0%

Note:

(1) Based on publicly available filings.

HOW TO VOTE

Registered Shareholder Voting

You are a registered Shareholder (“**Registered Shareholder**”) if your name appears on your Share certificate or on the register maintained by our transfer agent, Computershare Investor Services Inc. Your proxy form indicates if you are a Registered Shareholder. If you are a Registered Shareholder, you may vote at the Meeting by online ballot through the live webcast platform or by proxy in advance of the Meeting. See below for details on each voting option.

Voting at the Meeting

If you are a Registered Shareholder and you wish to vote your Shares at the Meeting, you do not need to complete and return the form of proxy. Your vote will be taken by electronic ballot and counted at the virtual Meeting. See “How to Attend and Participate at the Virtual Meeting” below.

Voting by Proxy

Registered Shareholders have four options to vote by proxy:

- ***By Mail***

Complete, date and sign the enclosed form of proxy and return it to our transfer agent, Computershare Investor Services Inc., in the envelope provided so that it arrives no later than 10:00 a.m. (Toronto time) on July 19, 2024. This will ensure your vote is recorded.

- ***By Telephone (only available to Registered Shareholders resident in Canada or the United States)***

Call 1-866-732-8683 and follow the instructions. You will need your 15-digit control number (located on the front of the form of proxy) to identify yourself to the system. If you are voting by telephone, all required information must be entered by 10:00 a.m. (Toronto time) on July 19, 2024. If you vote by telephone, you cannot appoint anyone other than the directors named on your proxy form as your proxyholder.

- ***On the Internet in advance of the Meeting***

Go to www.investorvote.com and follow the instructions on screen. You will need your 15-digit control number (located on the front of the form of proxy) to identify yourself to the system. If you are voting through the Internet in advance of the Meeting, all required information must be entered by 10:00 a.m. (Toronto time) on July 19, 2024.

Signing the enclosed form of proxy gives authority to Erol Uzumeri or Dale H. Lastman, each of whom is a director of Roots, to vote your Shares at the Meeting. **You may appoint someone other than the above-**

named directors to vote your Shares by writing the name of the person that you wish to appoint, who need not be a Shareholder, in the blank space provided on the form of proxy. It is important to ensure that any other person you appoint is aware that he or she has been appointed to vote your Shares.

If you wish to appoint a proxyholder other than one of the above-named directors, you must visit <http://www.computershare.com/Roots> and provide Computershare with your proxyholder's contact information, so that Computershare may provide the proxyholder with an Invite Code via email. This applies to both registered and non-registered Shareholders. Without an Invite Code, your proxyholder will not be able to vote at the Meeting.

The persons named on the form of proxy must vote for, against or withhold from voting your Shares, as applicable, in accordance with your directions, or you can let your proxyholder decide for you. In the absence of such directions, proxies received by management will be voted in favour of the election of directors to the Board and the appointment of the auditors and authorizing the directors to set the auditors' compensation.

The persons named in the form of proxy will have discretionary authority with respect to amendments or variations to matters identified in the Notice of Annual Meeting of Shareholders and with respect to other matters which may properly come before the Meeting.

As of the date of this Circular, management of Roots knows of no such amendment, variation or other matter expected to come before the Meeting. If any other matters properly come before the Meeting, the person named in your form of proxy will vote on them in accordance with their best judgment.

Revoking Your Proxy

If you are a Registered Shareholder and wish to revoke your proxy, you may revoke a vote you made by proxy by:

- voting again on the Internet before 10:00 a.m. (Toronto time) on July 19, 2024;
- voting at the virtual Meeting by submitting an online ballot through the live webcast platform, which will revoke any proxy you previously submitted;
- completing a proxy form that is dated later than the proxy form you are changing and mailing it to Computershare Investor Services Inc. so that it is received at the address indicated before 10:00 a.m. (Toronto time) on July 19, 2024; or
- making a request in writing stating that you wish to revoke your proxy, before any vote in respect of which the proxy has been given or taken. The written request can be from you or your authorized attorney or by electronic signature to the extent permitted by applicable law. This statement must be deposited at the registered office of Computershare Investor Services Inc. at the address listed below, or delivered in any other manner provided by law, no later than 10:00 a.m. (Toronto time) on July 19, 2024, or two business days immediately preceding any adjournment or postponement of the Meeting.

Non-Registered or Beneficial Shareholder Voting

Information in this section is very important to non-registered or beneficial owners of Shares. You are a non-registered or beneficial owner if your Shares are held in the name of an intermediary such as a bank, trust company, securities broker, depository (such as CDS Clearing and Depository Services Inc.) or other intermediary (“**Beneficial Shareholder**”). Applicable Canadian securities laws require intermediaries to seek voting instructions from Beneficial Shareholders. Accordingly, you will have received from your intermediary a voting instruction form for the number of Shares you hold.

Voting at the Meeting

A Beneficial Shareholder who receives a voting instruction form from their intermediary cannot use that voting instruction form to vote Shares directly at the virtual Meeting. To vote your Shares at the Meeting by online ballot through the live webcast platform, your intermediary must appoint you as proxyholder. In order to be appointed as proxyholder, insert your name in the space provided on the voting instruction form and follow the return instructions provided by your intermediary. In order to vote, Beneficial Shareholders who appoint themselves as a proxyholder must register with Computershare at <http://www.computershare.com/Roots> after submitting their voting instruction form, so that Computershare may provide the proxyholder with an Invite Code via e-mail. You do not need to fill in the voting directions as your vote will be taken at the Meeting. **The voting instruction form must be returned to your intermediary well in advance of the Meeting in order to appoint your proxyholder.**

If you are a Beneficial Shareholder holding your Shares through a U.S. bank, broker or dealer, you must also obtain a valid legal proxy from your broker, bank, dealer or other agent and then register in advance to attend the virtual Meeting. Follow the instructions from your broker, bank, dealer or other agent included with these proxy materials, or contact your broker, bank, dealer or other agent to request a legal proxy form. After obtaining a valid legal proxy from your broker, bank or other agent, you must submit a copy of your legal proxy to Computershare in order to register to attend the Meeting. Requests for registration should be sent:

By mail to: Computershare
100 University Avenue, 8th Floor
Toronto, ON M5J 2Y1

By email to: USLegalProxy@computershare.com

Voting Instruction

Beneficial Shareholders who do not wish to vote at the Meeting by online ballot through the live webcast platform are still encouraged to vote their Shares. You can do so by following the instructions on the voting instruction form provided by your intermediary. The voting instruction form must be returned to your intermediary well in advance of the Meeting in order to have the Shares voted.

Each intermediary has its own procedures, which should also be carefully followed to ensure that your Shares are voted at the Meeting. The persons named on the voting instruction form must vote, for, against, or withhold from voting your Shares, as applicable, in accordance with your directions, or you can let your proxyholder decide for you. In the absence of such directions, voting instruction forms received will be voted in favour of the election of directors to the Board and the appointment of the auditors and authorizing the directors to set the auditors' compensation.

The persons named in the voting instruction form you receive will have discretionary authority with respect to amendments or variations to matters identified in the Notice of Annual Meeting of Shareholders and with respect to other matters which may properly come before the Meeting.

If you are a Beneficial Shareholder and have not received a package containing a voting instruction form or form of proxy, please contact your intermediary.

As of the date of this Circular, management of Roots knows of no such amendment, variation or other matter

expected to come before the Meeting. If any other matters properly come before the Meeting, the persons named in the voting instruction form will vote on them in accordance with their best judgment.

Revoking Your Voting Instruction

If you are a Beneficial Shareholder and wish to revoke your voting instructions, please contact your intermediary well in advance of the Meeting.

Delivery of Proxy-Related Materials

Proxy-related materials will be sent by Roots to the intermediaries and not directly to Beneficial Shareholders. Roots intends to pay for intermediaries to deliver proxy-related materials and Form 54-101F7 (request for voting instructions) to “objecting beneficial owners”.

Additional Voting Information

Our transfer agent, Computershare Investor Services Inc., counts and tabulates the votes.

For general Shareholder enquiries, you can contact the transfer agent:

How to Attend and Participate at the Virtual Meeting

In order to attend the Meeting, Registered Shareholders, Beneficial Shareholders who have not duly appointed themselves as proxyholder, duly appointed proxyholders (including Beneficial Shareholders who have duly appointed themselves as proxyholder) and guests must log in online as set out below.

- **Step 1:** Log in online at <http://www.meetnow.global/MHLHQ29>
- **Step 2:** Follow the instructions below:

Registered Shareholders: Click on “Shareholder” and enter your 15-digit control number. The 15-digit control number located on both sides of your form of proxy or voting instruction form is your control number. For Registered Shareholders, if you use your control number to log in to the Meeting, any vote you cast at the Meeting will revoke any proxy you previously submitted. If you do not wish to revoke a previously submitted proxy, you should not vote at the Meeting.

Duly appointed proxyholders (including Beneficial Shareholders who have appointed themselves as proxyholders): Click on “Invitation” and enter your Invite Code. Computershare will provide the proxyholder with an Invite Code after the voting deadline has passed.

- **Guests (including Beneficial Shareholders who have not appointed themselves as proxyholders):** Click “Guest” and then complete the online form.

Registered Shareholders and duly appointed proxyholders may attend and ask questions at the Meeting and vote by completing a ballot online during the Meeting. Beneficial Shareholders who have not duly appointed themselves as proxyholders and guests may attend the Meeting, but will not be permitted to vote or ask questions.

We recognize the importance of Shareholders being able to ask questions in a virtual meeting format. At the virtual Meeting, Registered Shareholders and duly appointed proxyholders, regardless of geographic location, will be able to participate and have an equal opportunity to ask questions, and vote in real time at the Meeting, provided they are connected to the internet and have logged into the online platform accessible at <http://www.meetnow.global/MHLHQ29>. To ask a question during the Meeting you may write through the live webcast after logging-in, type your question into the “Ask a Question” field, and click “Submit”. We strongly encourage you to submit your questions as early as possible during the Meeting as we intend to answer questions in the order in which they are submitted to us by Shareholders. Questions submitted via the online platform that relate to the business of the Meeting are expected to be addressed in the question-and-answer section of the Meeting. Such questions will be read by the Chair of the Meeting or a designee of the Chair and responded to by a representative of the Company as they would be at in-person Shareholder meetings. Questions submitted via the online platform will be moderated before being sent to the Chair of the Meeting. This is to avoid repetition and to ensure an orderly Meeting. The Chair of the Meeting will decide on the amount of time allocated to each question and will have the right to limit or consolidate questions and to reject questions that do not relate to the business of the Meeting or which are determined to be inappropriate or otherwise out of order. Questions can be submitted at any time as prompted by the Chair during the Meeting until the Chair closes the session. It is anticipated that Registered Shareholders and duly appointed proxyholders attending the Meeting virtually will have substantially the same opportunity to ask questions on matters of business before the Meeting as if the Meeting was held in person.

If you plan to vote at the Meeting, it is important that you are connected to the internet at all times during the Meeting in order to vote when balloting commences. It is your responsibility to ensure internet connectivity for the duration of the Meeting. The Meeting will begin promptly at 10:00 a.m. (Toronto time) on Tuesday, July 23, 2024, unless otherwise adjourned or postponed. For those that plan on attending the Meeting via the live webcast platform, you should allow ample time to log in to the Meeting online and complete the check-in procedures.

For any technical difficulties experienced during the check-in process or during the Meeting, please call the technical support number that will be posted on the Virtual Shareholder Meeting log-in page for assistance.

Please note that the Meeting website may not be fully accessible on all Internet browsers and if you are unable to access this site on your preferred browser, we suggest trying to access it via a different browser and/or ensuring that your browser is updated to the latest version. Note that Chrome, Firefox, Edge and Safari are the preferred browsers for accessing the web based meeting platform. Internet Explorer is not supported. In addition, internal network security protocols including firewalls and virtual private network (VPN) connections may block your access to the online platform. If you are experiencing any difficulty connecting or watching the Meeting, please also ensure your VPN setting is disabled or connect to the platform on a network not restricted to the security settings of your organization.

ELECTION OF DIRECTORS

GENERAL

The Articles provide that the Board shall consist of a minimum of three (3) and a maximum of fifteen (15) directors. The Board determines the number of directors to be elected at a meeting of Shareholders. The Board has determined that, at the present time, there will be nine (9) directors, each of whom is to be elected at this Meeting and who will hold office until the end of the next annual meeting of Shareholders or until their successors are elected or appointed.

The director biographies on pages 10 to 19 of this Circular describe the directors who are proposed for election, along with their ownership of Shares.

Pursuant to an investor rights agreement among the Company, Searchlight and the Founders (the “**Investor Rights Agreement**”) entered into in connection with our Initial Public Offering on October 25, 2017 (the “**IPO**”), Searchlight and the Founders were granted the exclusive right to nominate a number of directors as described below.

Searchlight Nomination Rights

The Investor Rights Agreement provides that Searchlight (including its permitted affiliates) was initially entitled to nominate 40% of our directors (rounded up to the next whole member) and will continue to be entitled to nominate such percentage of our directors for so long as they, as a group, own, control or direct at least 40% of our outstanding Shares (on a non-diluted basis), provided that this percentage will be reduced:

- to 30% of our directors (rounded up to the next whole member) once Searchlight (including its permitted affiliates), as a group, own, control or direct less than 40% but not less than 30% of our outstanding Shares (on a non-diluted basis);
- to 20% of our directors (rounded up to the next whole member) once Searchlight (including its permitted affiliates), as a group, own, control or direct less than 30% but not less than 20% of our outstanding Shares (on a non-diluted basis);
- to 10% of our directors (rounded up to the next whole member) once Searchlight (including its permitted affiliates), as a group, own, control or direct less than 20% but not less than 10% of our outstanding Shares (on a non-diluted basis); and
- to none of our directors once Searchlight (including its permitted affiliates), as a group, own, control or direct less than 10% of our outstanding Shares (on a non-diluted basis).

Founders Nomination Rights

The Investor Rights Agreement provides that the Founders are collectively entitled to nominate one director for so long as the Founders (including its permitted affiliates), as a group, own, control or direct 10% or more of our outstanding Shares (on a non-diluted basis).

Pursuant to the Investor Rights Agreement, Searchlight and the Founders each exercise their respective nomination rights by submitting their nominees to our Board, which reviews the proposed nominations together with the remaining director nominations, determined solely by the Board or the Governance, Compensation and Nominating Committee (the “**GCN Committee**”), to be elected by the Shareholders at the Meeting.

The foregoing summary is qualified in its entirety by reference to the provisions of the Investor Rights Agreement. Any capitalized terms used but not defined in this summary are defined in our Annual Information Form. A copy of the Investor Rights Agreement is available under the Company’s profile on SEDAR+ at www.sedarplus.ca and a summary of further details has been included in the Company’s most recent Annual

Information Form, which is also available under the Company's profile on SEDAR+ at www.sedarplus.ca.

All nominees have established their eligibility and willingness to serve as directors. Six of the nine nominees are independent within the meaning of applicable securities laws. All nominees are currently directors of Roots. Management does not believe that any of the nominees will be unable to serve as a director, but if that should occur for any reason prior to the Meeting, the persons named in the accompanying form of proxy (or voting instruction form) may vote for another nominee at their discretion (subject to Searchlight's and the Founders' nomination rights as described above). Each director shall hold office until the next annual meeting of Shareholders or until the director resigns or a successor is elected or appointed.

ADVANCE NOTICE PROVISIONS

We have included certain advance notice provisions with respect to the election of our directors in our by-laws (the "**Advance Notice Provisions**"). The Advance Notice Provisions are intended to: (i) facilitate orderly and efficient annual general meetings or, where the need arises, special meetings of our Shareholders; (ii) ensure that all Shareholders receive adequate notice of Board nominations and sufficient information with respect to all nominees; and (iii) allow Shareholders to register an informed vote. Only persons who are nominated by Shareholders in accordance with the Advance Notice Provisions will be eligible for election as directors at any annual meeting of Shareholders, or at any special meeting of Shareholders if one of the purposes for which the special meeting was called was the election of directors.

Under the Advance Notice Provisions, a Shareholder wishing to nominate a director would be required to provide us notice, in the prescribed form, within the prescribed time periods. These time periods include, in the case of an annual meeting of Shareholders (including annual and special meetings), not less than 30 days prior to the date of the annual meeting of Shareholders; provided, that if the first public announcement of the date of the annual meeting of Shareholders (the "**Notice Date**") is less than 50 days before the meeting date, not later than the close of business on the 10th day following the Notice Date; and (ii) in the case of a special meeting (which is not also an annual meeting) of Shareholders called for any purpose which includes electing directors, not later than the close of business on the 15th day following the Notice Date, provided that, in either instance, if notice-and-access (as defined in National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*) is used for delivery of proxy related materials in respect of a meeting described above, and the Notice Date in respect of the meeting is not less than 50 days prior to the date of the applicable meeting, the notice must be received not later than the close of business on the 40th day before the applicable meeting.

A copy of our by-laws is available under the Company's profile on SEDAR+ at www.sedarplus.ca and on our website at investors.roots.com.

MAJORITY VOTING FOR DIRECTOR NOMINEES

The election of directors at the Meeting will be governed by the majority voting requirements under the CBCA, which became effective in August 2022. The majority voting provisions in the CBCA require that, in an uncontested election of directors, such as the one planned for the Meeting, in order for a nominee to be elected as a director, they must receive more votes in favour of their election, than against. If a nominee fails to receive a majority of votes cast by Shareholders in favour of their election, they will not be elected and the Board position will remain open, except that an incumbent director will be permitted to remain in office until the earlier of (a) the 90th day after the day of the election or (b) the day on which their successor is appointed or elected.

Notes:

- (1) Except as described below, none of the director nominees of Roots, as at the date of this Circular, is or has been within the 10 years before the date of this Circular, (a) a director, chief executive officer or chief financial officer of any company that was subject to an order (as defined below) that was issued while the existing or proposed director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer, (b) was subject to an order that was issued after the existing or proposed director or executive officer ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer, or (c) a director or executive officer of any company that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets. For the purposes of this paragraph, "order" means a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, in each case, that was in effect for a period of more than 30 consecutive days.

Meghan Roach was an executive officer of RTS USA Corp. (f/k/a Roots USA Corporation), a position she had held since January 2020. On April 29, 2020, Roots announced the liquidation of RTS USA Corp. pursuant to Chapter 7 of Title 11 of the United States Code. The filing resulted in the permanent closure of Roots stores in Boston, Washington and Chicago, as well as the pop-up location in Woodbury Commons, New York.

Joel Teitelbaum was a director of Furla Canada Inc. from February 20, 2019 to August 31, 2023. On August 31, 2023, Furla Canada Inc. filed an assignment in bankruptcy pursuant to the *Bankruptcy and Insolvency Act* (Canada).

No director nominee has, within 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or has been subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the director, executive officer or shareholder. No director nominee has been subject to: (i) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority, or has entered into a settlement agreement with a securities regulatory authority; or (ii) any other penalties or sanctions imposed by a court or regulatory body that would be likely to be considered important to a reasonable investor in deciding whether to vote for a nominee.

- (2) Phil Bacal and Erol Uzumeri are considered non-independent directors as a result of their relationship with Searchlight.
- (3) Meghan Roach is considered a non-independent director as she is the President and Chief Executive Officer of Roots.
- (4) Reflects the market value of Shares, Restricted Share Units ("RSUs"), Performance Share Units ("PSUs") and Deferred Share Units ("DSUs"). Market Value of Shares, RSUs, PSUs and DSUs represents the number of Shares, RSUs, PSUs and DSUs held as of June 7, 2024 multiplied by the closing price of the Shares on the Toronto Stock Exchange ("TSX") on

June 7, 2024, of \$2.20.

- (5) As non-independent directors, Phil Bacal, Erol Uzumeri and Meghan Roach do not receive compensation in their capacity as directors of Roots. Accordingly, Phil Bacal, Erol Uzumeri and Meghan Roach are not subject to the Director Share Ownership Guidelines. As Meghan Roach is the President and Chief Executive Officer of Roots, Ms. Roach is subject to the Executive Share Ownership Guidelines. See “Director Compensation – Director Share Ownership Guidelines” and “Executive Compensation – Governance Policies”.
- (6) In accordance with the Share Ownership Guidelines, the value of the Shares, DSUs, RSUs and PSUs will be calculated based on the higher of (i) the acquisition price of the Shares or the grant date value of the DSUs, RSUs or PSUs, and (ii) the current market price of the Shares or the current value of the DSUs, RSUs or PSUs based on the current market price of the Shares. Accordingly, directors may satisfy the Share Ownership Guidelines even if the market value of their Shares, DSUs and RSUs is less than their minimum share ownership. Mary Ann Curran satisfies the Share Ownership Guidelines based on this calculation as her Shares and DSUs amount to \$308,071.
- (7) Figure includes 15,985 RSUs granted to Joel Teitelbaum in connection with his appointment to the Board prior to the IPO and 188,088 DSUs granted from April 2018 through June 2024. The value of the RSUs and the DSUs is calculated based on the closing price of the Shares on the TSX on June 7, 2024, of \$2.20.
- (8) Each of Erol Uzumeri and Phil Bacal disclaim beneficial ownership of the 20,519,887 Shares held by Searchlight.

OUR APPROACH TO CORPORATE GOVERNANCE

GENERAL

We recognize that good corporate governance plays an important role in our overall success and in enhancing shareholder value. The disclosure set out below describes our approach to corporate governance.

THE ROLE OF THE BOARD

Our Board is responsible for supervising the management of our business and affairs, including providing guidance and strategic oversight to management. Our Board has adopted a formal mandate in the form set forth in Appendix A that includes the following:

- appointing the Chief Executive Officer;
- appointment, evaluation and development of senior management and succession planning;
- approving the corporate goals and objectives that the Chief Executive Officer is responsible for meeting and reviewing the performance of the Chief Executive Officer against such corporate goals and objectives;
- taking steps to satisfy itself as to the integrity of the Chief Executive Officer and other senior executive officers and that the Chief Executive Officer and other senior executive officers create a culture of integrity throughout the organization; and
- reviewing and approving management's strategic and business plans.

Our Board has adopted a written position description for the Chair of the Board, which sets out the Chair's key responsibilities, including, among others, duties relating to setting Board meeting agendas, chairing Board and Shareholder meetings, director development and communicating with Shareholders and regulators. Our Board has adopted a written position description for our lead director. See “– Meetings of Independent Directors and Conflicts of Interest”.

Our Board has adopted a written position description for each of our committee chairs which sets out each of the committee chair's key responsibilities, including, among others, duties relating to setting committee meeting agendas, chairing committee meetings and working with the respective committee and management to ensure, to the greatest extent possible, the effective functioning of the committee.

Our Board has adopted a written position description for our Chief Executive Officer which sets out the key responsibilities of our Chief Executive Officer, including, among other duties, in relation to providing overall leadership, ensuring the development of a strategic plan and recommending such plan to our Board for consideration, ensuring the development of an annual corporate plan and budget that supports the strategic plan and recommending such plan to our Board for consideration and supervising day-to-day management and communicating with Shareholders and regulators.

CORPORATE GOVERNANCE POLICIES AND PRACTICES

Roots is committed to strong corporate governance policies and practices. Our policies and practices continue to be developed having regard to the external environment and externally cited best practices to ensure that our governance practices are comprehensive, relevant, effective and transparent. We have adopted the following corporate governance policies to date, certain of which are available on our website at investors.roots.com:

- Code of Conduct;
- Corporate Governance Guidelines;
- Disclosure Policy;
- Insider Trading Policy;
- Whistleblower Policy; and

- Diversity Policy.

COMPOSITION OF OUR BOARD AND BOARD COMMITTEES

Under our Articles, our Board is to consist of a minimum of three (3) and a maximum of fifteen (15) directors as determined from time to time by the directors. Our Board currently consists of nine (9) directors, the majority of whom are considered to be independent under Canadian securities laws and all of whom are resident Canadians. Under the CBCA, a director may be removed with or without cause by a resolution passed by an ordinary majority of the votes cast by Shareholders present in person or by proxy at a meeting of Shareholders and who are entitled to vote. The directors will be elected by Shareholders at each annual meeting of Shareholders, and all directors will hold office for a term expiring at the close of the next annual meeting or until their respective successors are elected or appointed.

Certain aspects of the composition and functioning of our Board are governed by the terms of the Investor Rights Agreement. See also “Election of Directors”. The nominees for election by Shareholders as directors will be determined by the GCN Committee in accordance with the provisions of applicable corporate law, the Investor Rights Agreement and the charter of the GCN Committee. See also “Committees of our Board – Governance, Compensation and Nominating Committee”.

DIRECTOR INDEPENDENCE

Under National Instrument 58-101 – *Disclosure of Corporate Governance Practices*, a director is considered to be independent if such director is independent within the meaning of National Instrument 52-110 – *Audit Committees (“NI 52-110”)*. Pursuant to NI 52-110, an independent director is a director who is free from any direct or indirect relationship which could, in the view of our Board, be reasonably expected to interfere with a director’s independent judgment. Based on information provided by each director nominee concerning such director’s background, employment and affiliations, our Board has determined that, of the nine directors nominated for election to our Board, Erol Uzumeri, Phil Bacal and Meghan Roach are not considered to be “independent” within the meaning of applicable securities laws as a result of their respective relationships with us or Searchlight, as applicable. Certain members of our Board are also members of the board of directors of other public companies (see “Election of Directors – Director Nominee Biographies”). Our Board has not adopted a director interlock policy but is keeping informed of other public directorships held by its members.

MEETINGS OF INDEPENDENT DIRECTORS AND CONFLICTS OF INTEREST

Our Board believes that given its size and structure, including the fact that a majority of our directors are independent, it is able to facilitate independent judgment in carrying out its responsibilities. To enhance such independent judgment, the independent members of the Board hold in-camera meetings with members of management and the non-independent directors not in attendance, as part of regularly scheduled Board meetings. Open and candid discussion among the independent directors is facilitated by the relatively small size of the Board and great weight is attributed to the views and opinions of the independent directors. Our Board has not appointed an independent Chair; however, Dale H. Lastman has been appointed as lead director by our Board and is responsible for ensuring that the directors who are independent of management have opportunities to meet without management present, as required. The lead director shall be appointed and replaced from time to time by the Board. Discussions are led by the lead director who provides feedback subsequently to the Chair.

A director who has a material interest in a matter before our Board or any committee on which such director serves is required to disclose such interest as soon as the director becomes aware of it. In situations where a director has a material interest in a matter to be considered by our Board or any committee on which such director serves, such director may be required to exit the meeting while discussions and voting with respect to the matter are taking place. Directors are also required to comply with the relevant provisions of the CBCA regarding conflicts of interest.

COMMITTEES OF OUR BOARD

Our Board has established two committees: the Audit Committee and the GCN Committee. All members of the Audit Committee will be persons determined by our Board to be independent directors.

Audit Committee

Our Audit Committee consists of three directors, each of whom are persons determined by our Board to be independent and financially literate within the meaning of NI 52-110. Our Audit Committee is currently comprised of:

- Richard P. Mavrinc (Chair);
- Mary Ann Curran; and
- Joel Teitelbaum.

Each of our Audit Committee members has an understanding of the accounting principles used to prepare financial statements and varied experience as to the general application of such accounting principles, as well as an understanding of the internal controls and procedures necessary for financial reporting. For additional details regarding the relevant education and experience of each member of our Audit Committee, see "Election of Directors – Director Nominee Biographies".

Our Board has adopted a written charter for the Audit Committee that sets out the purpose, composition, authority and responsibility of our Audit Committee, consistent with NI 52-110. The Audit Committee assists our Board in discharging its oversight of:

- the quality and integrity of our financial statements and related information;
- the independence, qualifications and appointment of our external auditor;
- our disclosure controls and procedures, internal control over financial reporting and management's responsibility for assessing and reporting on the effectiveness of such controls;
- our risk management processes;
- monitoring and periodically reviewing our whistleblower policy; and
- transactions with our related parties.

Our Audit Committee has access to all of our books, records, facilities and personnel and may request any information about us as it may deem appropriate. It also has the authority, in its sole discretion and at our expense, to retain and set the compensation of outside legal, accounting or other advisors as necessary to assist in the performance of its duties and responsibilities. Our Audit Committee also has direct communication channels with the Chief Financial Officer and our external auditors to discuss and review such issues as our Audit Committee may deem appropriate.

Additional information about our Audit Committee, as required by NI 52-110, is in our Annual Information Form, which is available on SEDAR+ at www.sedarplus.ca.

The Audit Committee Charter provides that the Audit Committee must pre-approve the retaining of the auditors for any non-audit service. The Audit Committee may delegate to one or more members the authority to pre-approve the retaining of the auditors for any non-audit service to the extent permitted by law, but pre-approval by such member or members so delegated must be presented to the full Audit Committee at its first scheduled meeting following such pre-approval.

Governance, Compensation and Nominating Committee

Our GCN Committee is comprised of three directors, two of whom are persons determined by our Board to be independent directors, and is charged with reviewing, overseeing and evaluating our corporate governance, compensation and nominating policies. Our GCN Committee is currently comprised of:

- Erol Uzumeri (Chair);
- Gregory David; and
- Dale H. Lastman.

No member of our GCN Committee is an officer of Roots, and as such, our Board believes that the GCN Committee is able to conduct its activities in an objective manner.

Our Board believes that the members of the GCN Committee individually and collectively possess the requisite knowledge, skill and experience in governance and compensation matters, including human resource management, executive compensation matters and general business leadership, to fulfill the GCN Committee’s mandate. All members of the GCN Committee have substantial knowledge and experience as current and former senior executives of large and complex organizations and on the boards of other publicly traded entities. For additional details regarding the relevant education and experience of each member of our GCN Committee, including the direct experience that is relevant to each committee member’s responsibilities in executive compensation, see “Election of Directors – Director Nominee Biographies”.

Our Board has adopted a written charter for the GCN Committee in the form set forth in Appendix B that sets forth the purpose, composition, authority and responsibility of our GCN Committee consistent with our Corporate Governance Guidelines. On April 2, 2019, the Board amended the charter to include a diversity policy mandate. Our GCN Committee’s purpose is to assist our Board in:

- the appointment, performance, evaluation and compensation of our senior executives;
- the recruitment, development and retention of our senior executives;
- maintaining talent management and succession planning systems and processes relating to our senior management;
- developing a compensation structure for our senior executives including salaries, annual and long-

- term incentive plans including plans involving share issuances and other share-based awards;
- establishing policies and procedures designed to identify and mitigate risks associated with our compensation policies and practices;
- assessing the compensation of our directors;
- developing benefit, retirement and savings plans;
- developing our corporate governance guidelines and principles and providing us with governance leadership;
- identifying and overseeing the recruitment of candidates qualified to be nominated as members of our Board;
- reviewing the structure, composition and mandate of Board committees; and
- evaluating the performance and effectiveness of our Board and of our Board committees.

Our GCN Committee is responsible for establishing and implementing procedures to evaluate the performance and effectiveness of our Board, committees of our Board and the contributions of individual Board members. Our GCN Committee also takes reasonable steps to evaluate and assess, on an annual basis, directors' performance and effectiveness of our Board, committees of our Board, individual Board members, our chair and committee chairs. The evaluation and assessment, which includes a detailed questionnaire completed by each Board member, addresses (among other things) individual director independence, individual director and overall Board skills, and individual director financial literacy. Our Board receives and considers the recommendations from our GCN Committee regarding the results of the evaluation of the performance and effectiveness of our Board, committees of our Board, individual Board members, our chair and committee chairs. In identifying new candidates for our Board, the GCN Committee will consider what competencies and skills our Board, as a whole, should possess and assess what competencies and skills each existing director possesses, considering our Board as a group, and the personality and other qualities of each director, as these may ultimately determine the boardroom dynamic. Our GCN Committee is also responsible for orientation and continuing education programs for our directors (see "Orientation and Continuing Education"). Following the adoption of our Diversity Policy (as defined below), the GCN Committee is also responsible for monitoring adherence to the Diversity Policy. See "Diversity". Finally, the GCN Committee also reviews, considers and advises on a range of other related matters, including employee engagement, developments in corporate governance policy and practices, employee conflict of interest policies and director and officer insurance.

For information on the process by which the GCN Committee and the Board determine the compensation of our directors and executive officers, see "Director Compensation" and "Executive Compensation" below.

DIRECTOR TERM LIMITS AND OTHER MECHANISMS OF BOARD RENEWAL

Directors are to be elected at each annual meeting of Shareholders to hold office for a term expiring at the close of the next annual meeting, or until a successor is appointed or elected, and will be eligible for re-election. Other than the nominees which may be nominated by Searchlight and the Founders pursuant to their nomination rights as described above, nominees will be nominated by the GCN Committee, in each case for election by Shareholders as directors in accordance with the provisions of our constating documents and applicable corporate and securities laws. All nominees who are nominated, whether by Searchlight, the Founders or the GCN Committee, will be included in the proxy-related materials to be sent to Shareholders prior to each annual meeting of Shareholders.

Our Board has not adopted director term limits or other automatic mechanisms of board renewal. Rather than adopting formal term limits, mandatory age-related retirement policies and other mechanisms of board renewal, the GCN Committee of our Board will seek to maintain the composition of our Board in a way that provides, in the judgment of our Board, the best mix of skills and experience to provide for our overall stewardship. Our GCN Committee is also expected to conduct a process for the assessment of our Board, each committee and each director regarding such director's or committee's effectiveness and performance, and to report evaluation results to our Board. See also "Diversity".

ORIENTATION AND CONTINUING EDUCATION

To maintain reasonable assurance that every new director engages in a comprehensive orientation process and that all directors are provided with continuing education opportunities, the GCN Committee has implemented an orientation program for new directors under which a new director will meet with the chair, the lead director, members of senior management and our secretary. New directors will be provided with comprehensive orientation and education as to the nature and operation of Roots and our business, the role of our Board and its committees, and the contribution that an individual director is expected to make. The GCN Committee is responsible for overseeing director continuing education designed to maintain or enhance the skills and abilities of the directors and to ensure that their knowledge and understanding of our business remains current. The chair of each committee is responsible for coordinating orientation and continuing director development programs relating to the GCN Committee's mandate.

BOARD, COMMITTEE AND DIRECTOR EVALUATIONS

The GCN Committee is responsible for assessing the effectiveness of the Board, its committees and the performance of each member of the Board. In fulfilling this responsibility, the GCN Committee generally prepares a questionnaire to be completed by each director. The questionnaire generally includes self, peer, board and committee evaluations focused on several topics including: Board structure, operations and dynamics; corporate governance; strategy and plans; management and human resources; risk management; finance matters; shareholder communications; and policies and procedures. Questionnaires are collected on a confidential basis and the results are then summarized in a report to the Chair of the GCN Committee. The GCN Committee will then review the report and develop recommendations to the Board for consideration. Upon reviewing the report and recommendations, the Board will decide whether necessary action is required in respect thereof.

ETHICAL BUSINESS CONDUCT

We have adopted a written code of conduct (the "**Code of Conduct**") that applies to all of our directors, officers and employees. The objective of the Code of Conduct is to provide guidelines for maintaining our and our subsidiaries' integrity, reputation, honesty, objectivity and impartiality. The Code of Conduct addresses conflicts of interest, protection of our assets, confidentiality, fair dealing with Shareholders, competitors and employees, insider trading, compliance with laws and reporting any illegal or unethical behaviour. As part of the Code of Conduct, any person subject to the Code of Conduct is required to avoid or fully disclose interests or relationships that are harmful or detrimental to our best interests or that may give rise to real, potential or the appearance of conflicts of interest. Our Board has ultimate responsibility for the stewardship of the Code of Conduct and it monitors compliance through the GCN Committee. Officers and senior employees are required to certify on a quarterly basis that they are not aware of any violations of the Code of Conduct that have not been otherwise been disclosed to the Company. The Code of Conduct is available on our website at investors.roots.com and on SEDAR+ at www.sedarplus.ca.

ENVIRONMENTAL AND CORPORATE SOCIAL RESPONSIBILITY

We have also adopted a written code of conduct that applies to our suppliers which establishes basic minimum requirements that all suppliers must adhere to in order to do business with the Company. In Fiscal 2022, we joined the Fair Labor Association ("**FLA**") as a participating company. The FLA is an international network of companies, universities, and civil society organizations collaborating to ensure that millions of people working at the world's factories and farms are paid fairly and protected from risks to their health, safety, and well-being. We are proud to be pursuing FLA accreditation, a process which verifies that the Company has systems in place to improve conditions for manufacturing workers in our global supply chain, based on FLA's internationally recognized standards. Our work with FLA means that we are a part of a global movement to protect millions of workers at every link of international supply chains.

We also report on the steps that we take to prevent and reduce the risk that forced or child labour is used in our supply chain in accordance with the *Fighting Against Forced Labour and Child Labour in Supply Chains Act* (Canada) (the "**Modern Slavery Act**"). Our Modern Slavery Report for Fiscal 2023 is available on our

website at investors.roots.com and on SEDAR+ at sedarplus.ca.

The Chief Financial Officer and the Senior Vice President, General Counsel, in consultation with other employees of the Company, have established an enterprise risk management framework across the Company to identify potential key risks to the Company and risk mitigation strategies. The identified risks – which include risks of an environmental and social nature – are categorized and “scored” on the basis of expected frequency and severity to the business were such risk to materialize, and are evaluated in terms of response strategies. The risk identification and evaluation process is intended to be continuous and reflect the ongoing changes in the business and the operating environment. An update on the enterprise risk management process, including key high risks and changes in enterprise risks over the subsequent period, is reported to the Audit Committee on a quarterly basis.

The Senior Vice President, Information Strategy & Systems reports to the Audit Committee, typically bi-annually, on the Company’s cybersecurity position. This report highlights policies and practices adopted in the most recent period, threats and risks for the Company and the industry more broadly, and priorities of focus in the subsequent period. The purpose of these reports is to measure performance of the Company’s cybersecurity performance against its cybersecurity plan, assess the suitability of technical controls and consider opportunities for process and procedure improvements.

DIVERSITY

We recognize the value and benefits of diversity in the Board and senior management. We believe that having a diverse Board can offer breadth and depth of perspectives, experience and expertise that achieves effective stewardship and enhances our Board’s performance. We value diversity of abilities, experience, perspective, education, gender, background, race and national origin. Accordingly, the Board has adopted a written diversity policy (the “**Diversity Policy**”) which outlines our approach to achieving and maintaining diversity on our Board and ensures that our recruitment practices reflect our commitment to diversity. In 2020, we established a Diversity Equality Equity and Inclusion Council (the “**DEEI Council**”) of employees with a mandate to manage initiatives, raise issues and advance programs focused on diversity and inclusion. The DEEI Council is a cross-functional group of employees, including our Chief Executive Officer and several members of the senior management team. In addition, in furtherance of enhancing diversity in our governance, Roots became a signatory to the BlackNorth Initiative CEO Pledge which recognizes the need to create opportunities for Black people in Canada and, as part of the pledge, Roots committed to have, at a minimum, 3.5% of board and executive roles being held by Black leaders by 2025.

The composition of our Board and senior management team is shaped by not only the selection criteria established by the GCN Committee but also diversity characteristics outlined in the Diversity Policy. We believe that “diversity” is, among other things, any characteristic or quality that can be used to differentiate groups and people from one another and includes gender, age, race, nationality, culture, language, geographic representation and other ethnic distinctions, education, disability, sexual orientation, regional and industry experience, and perspective. Each of these characteristics are considered as part of our Board’s overall annual evaluation of director nominees for election or re-election. Gender, however, is of particular importance to us in ensuring diversity within the Board. We recognize that gender diversity is a significant aspect of diversity and acknowledge the role that women with relevant competencies and skills can play in contributing to diversity of perspective in the boardroom and among the senior management team. To that end, for the past five years Roots has been recognized by the Globe and Mail as a leading Canadian business for the promotion of women to leadership roles in their publication “Women Lead Here.”

It is an objective of the Diversity Policy that diversity be considered in determining the optimal composition of the Board and senior management. We are committed to a merit-based system for Board and senior management composition within a diverse and inclusive culture that solicits multiple perspectives and views and is free of conscious or unconscious bias or discrimination. Recommendations concerning director nominees and senior management hires are, foremost, based on merit and performance using objective criteria, but due consideration is given to diversity (including the level of representation of members of designated groups) in identifying and selecting candidates.

In assessing recommendations for director nominees and senior executives, the Diversity Policy requires the GCN Committee to not only have regard to competencies and skills but also to whether a pool of qualified candidates will enhance the diversity and needs of the Board and senior management. The Diversity Policy establishes the objective of having a pool of director candidates that is comprised of at least 50% women. The GCN Committee reviews the effectiveness of the policy annually and will recommend any changes in order to meet diversity objectives. As of the date of this Circular, 2 of 9 members on our Board (22.2%) self-identify as women. One member of the Board currently self-identifies as a member of visible minorities or a member of other designated groups.

Similar to our approach regarding Board composition, we believe that having a diverse senior management and executive team offers depth of perspective, enhances management operations and fosters better leadership. This is evidenced by the fact that, as of the date of this Circular, three of four (75%) of our “C-Suite” executive officers and 6 of 12 (50%) of all executive officers self-identify as female. In addition, five of our executive officers self-identify as a member of visible minorities. We will continue to follow a balanced approach in identifying the factors to be considered when determining the make-up of our executive and senior management teams and expect to recruit and select candidates that represent, among other factors, gender diversity, level of representation of members of designated groups, and business understanding and experience. We will also consider other factors including experience, leadership capabilities, innovative thinking and strategic agility.

The Diversity Policy is available on our website at investors.roots.com.

DISCLOSURE POLICY

The Board has adopted a Disclosure Policy to deal with the timely dissemination of all material information. The Disclosure Policy, which will be reviewed annually, establishes consistent guidance for determining what information is material and how it is to be disclosed to avoid selective disclosure and to ensure wide dissemination. The Board, directly and through its committees, reviews and approves the contents of major disclosure documents, including annual and interim consolidated financial statements, prospectuses, the annual information form, management’s discussion and analysis and the management information circular. The Company seeks to communicate to its Shareholders through these documents as well as by means of news releases, its website and investor relations calls and meetings.

Disclosure Committee

A Disclosure Committee comprised of senior management of the Company oversees the Company’s disclosure process as outlined in the Disclosure Policy. The Disclosure Committee’s mandate includes ensuring that effective controls and procedures are in place to allow the Company to satisfy all of its continuous disclosure obligations, including certification requirements. The Disclosure Committee is also responsible for ensuring that the policies and procedures contained in the Disclosure Policy are in compliance with regulatory requirements. Our Audit Committee is responsible for reviewing our disclosure relating to our financial reporting.

DIRECTOR COMPENSATION

DIRECTOR FEES

Our director compensation program is designed to attract and retain the most qualified individuals to serve on our Board. Our Board, on the recommendation of the GCN Committee, is responsible for reviewing and approving any changes to the directors’ compensation arrangements. In consideration for serving on our Board, each director, other than a director who is a Roots employee or a director nominee of Searchlight who is a partner, principal, member of, or employee of Searchlight (each, an “**Excluded Director**”), was entitled to be compensated during Fiscal 2023 as indicated below:

<u>Type of Fee</u>	<u>Amount</u>

Lead Director	\$ 15,000

Audit Committee Membership	\$ 5,000
Governance, Compensation and Nominating Committee Membership	\$ 4,000

All directors are also entitled to be reimbursed for their reasonable out-of-pocket expenses incurred while serving as directors.

Director Deferred Share Unit Plan

We have established a Director Deferred Share Unit Plan (the “**DSU Plan**”) which allows our directors, other than Excluded Directors, to elect to take all or a portion of their annual Board retainer in the form of DSUs. Each such director wishing to make such an election is required to elect to receive all or a portion of their annual Board retainer in DSUs no later than the end of the calendar year preceding the year in which such election is to apply. Participation by the eligible directors in the DSU Plan is entirely voluntary.

A DSU is a unit, equivalent in value to a Share, credited by means of a bookkeeping entry in the books of the Company, to an account in the name of the director. When dividends (other than share dividends) are paid on Shares, additional DSUs will automatically be granted to each director who holds DSUs on the record date for such dividends. Following the end of an eligible director’s tenure as a member of the Board, the director will receive a payment in cash equal to the fair market value of the Shares represented by such director’s DSUs on the director’s elected redemption date. Each director’s elected redemption date will not be earlier than the date the director’s tenure as a member of the Board ceases and will not be later than December 15th of the year following the year in which the director’s tenure as a member of the Board ceases.

DIRECTOR SHARE OWNERSHIP GUIDELINES

We have established share ownership guidelines for directors (other than Excluded Directors) to further align the interests of such directors with those of our Shareholders. The ownership guidelines establish minimum equity ownership levels for each of our directors, other than Excluded Directors, based on a multiple of their annual Board retainer. Such directors are expected to meet the prescribed ownership levels within five years of the later of (i) completion of the IPO and (ii) the date of their appointment to the Board. Shares and the value of DSUs and other share-based awards (including RSUs granted before closing of the IPO) will be included in determining an individual’s equity ownership value. The ownership guideline for the directors, other than the Excluded Directors, is 3.0x their Board retainer, which currently equates to \$300,000. Each director that is subject to the ownership guidelines is encouraged to elect to receive a portion of their Board retainer in the form of DSUs until such ownership guidelines have been met.

DIRECTORS’ HEDGING POLICY

Our insider trading policy prohibits all directors of Roots from selling “short” or selling “call options” on any of our securities and from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in the market value of equity securities granted to such directors as compensation or of any other securities of Roots held directly or indirectly by such person.

DIRECTOR COMPENSATION TABLE

The following table sets out the compensation that was earned by, paid to, or awarded to directors (other than Excluded Directors) during Fiscal 2023 under the compensation arrangements described above. Meghan

Roach, Erol Uzumeri and Phil Bacal did not receive any compensation in Fiscal 2023 for serving as a director of Roots.

EXECUTIVE COMPENSATION

INTRODUCTION

The following discussion describes the significant elements of the compensation that the Board has adopted for our Named Executive Officers (“NEOs” and each, an “NEO”). The Board is confident that the policies and practices in place support our overarching strategic business and financial objectives, while enabling us to attract, retain and motivate our executive team as we continue to grow.

NAMED EXECUTIVE OFFICERS FOR FISCAL 2023

Our NEOs in respect of Fiscal 2023 were the following individuals:

Named Executive Officer	Title
Meghan Roach	President and Chief Executive Officer
Leon Wu	Chief Financial Officer
Karuna Scheinfeld	Chief Product Officer
Sonya Thomas	Vice President, eCommerce & Customer Experience
Melinda McDonald	Vice President, Wholesale and Business Development

COMPENSATION DISCUSSION AND ANALYSIS

Overview

We operate in a highly competitive and evolving market. To succeed in this market and achieve our strategic business and financial objectives, we need to attract, retain and motivate a highly talented executive team. Our executive compensation program is designed to achieve the following objectives:

- provide compensation opportunities in order to attract and retain talented, high-performing and experienced executive officers, whose knowledge, skills and performance are critical to our success;
- motivate our executive team to achieve our strategic business and financial objectives;
- align the interests of our executive officers with those of our Shareholders by tying a meaningful portion of compensation directly to the long-term value and growth of our business; and
- provide incentives that encourage appropriate levels of risk-taking by our executive team.

We offer our executive officers short-term compensation in the form of base salary and an annual bonus, and long-term incentives which, prior to completion of the IPO, was awarded in the form of stock options (“Options”) under the Legacy Equity Incentive Plan or the Legacy Employee Option Plan (each as defined below). Following completion of the IPO, we have and expect to continue to grant to our executive officers long-term incentives consisting of Options, PSUs and/or RSUs under the Omnibus Plan (as defined below). We believe that these equity-based compensation awards motivate our executive officers to achieve our strategic business and financial objectives, and also align their interests with the long-term interests of our Shareholders.

While we have determined that our current executive officer compensation program is effective at attracting and maintaining executive officer talent, we evaluate our compensation philosophy and

compensation program on an ongoing basis and plan to continue to review the compensation of our executive team on an annual basis to ensure that we are providing competitive compensation opportunities. As part of this review process, we expect to be guided by the philosophy and objectives outlined above, as well as by other factors which may become relevant, such as the cost to us if we were required to find a replacement for a key employee.

Compensation-Setting Process

The GCN Committee is responsible for assisting our Board in fulfilling its governance and supervisory responsibilities, and overseeing our human resources, succession planning, and compensation policies, processes and practices. The GCN Committee is also responsible for ensuring that our compensation policies and practices provide an appropriate balance of risk and reward consistent with our risk profile.

Our Board has adopted a written charter for the GCN Committee setting out its responsibilities for administering our compensation programs and reviewing and making recommendations to our Board concerning the level and nature of the compensation payable to our directors and executive officers. The GCN Committee's oversight includes reviewing objectives, evaluating performance and ensuring that total compensation paid to our executive officers, personnel who report directly to our CEO and various other key officers and managers is fair, reasonable and consistent with the objectives and philosophy of our compensation program. See also "Our Approach to Corporate Governance – Committees of our Board – Governance, Compensation and Nominating Committee."

Our CEO makes recommendations to the GCN Committee each year with respect to the compensation for the other executive officers. Generally, in Fiscal 2023, the GCN Committee (i) reviewed, updated and aligned on the Company's short term and long term incentive plan awards strategy in order to better support its executives and senior leaders; (ii) implemented strategies to support employee retention, including with respect to benefits plans; (iii) surveyed labour market dynamics in the retail sector; and (iv) reviewed the impact of provincial minimum wage on the Company's wage structure.

The GCN Committee meets annually to review the compensation program and make recommendations for any changes to the Board, as appropriate. As part of the GCN Committee's annual review of the compensation program, the committee may engage an independent compensation consultant to evaluate the Company's executive compensation program. The Company did not retain a compensation consultant in Fiscal 2023.

RISK AND EXECUTIVE COMPENSATION

In reviewing our compensation policies and practices each year, the GCN Committee seeks to ensure that our executive compensation program provides an appropriate balance of risk and reward consistent with the risk profile of the Company. The GCN Committee also seeks to ensure that the Company's compensation practices do not encourage excessive risk-taking behaviour by our executive team.

There are a number of features of our executive compensation program that we believe help ensure an appropriate level of risk taking:

- Effective goal-setting process designed around realistic mid-term goals that are challenging but not excessive;
- The use of at-risk pay and share ownership guidelines for executive officers which encourages our executive officers to think like Shareholders and make decisions that drive the long-term sustainable success of Roots, consistent with our strategic business and financial objectives;
- Our clawback policy which allows for recoupment of incentive awards granted to executive officers;
- Maximum annual bonus opportunities are capped to ensure that short-term risks are aligned with our risk profile and long-term value creation; and
- Our anti-hedging policy that prohibits equity participants from entering into certain types of hedging or equity monetization transactions, where individuals benefit from volatility (and potentially drops)

in the price of our Shares.

The Board's most recent review of the compensation framework determined that we have a responsible and effective approach to risk management and compensation governance and concluded that all compensation plans are well balanced and do not encourage excessive risk-taking behaviour. The risk assessment will be conducted on a regular basis.

GOVERNANCE POLICIES

The Board has established a number of policies which we believe are in the best interests of our Shareholders. The policies are also widely observed in the market among other listed companies.

Share Ownership Guidelines

Our executive officers, including the NEOs, are expected to maintain a significant equity investment in Roots to align their interests with those of our Shareholders, and mitigate against the likelihood of inappropriate risk-taking.

The share ownership guidelines define a minimum equity ownership level based on a multiple of base salary in accordance with the applicable executive officer's level of seniority. Executive officers are expected to meet the prescribed ownership levels within five years of October 25, 2017 (the closing of our IPO), or the date of their designation as an executive officer, whichever is later.

In assessing progress towards the guideline, Shares that are beneficially owned along with the value of RSUs will be counted.

The following table shows the share ownership guidelines that apply to our current NEOs as at June 7, 2024:

Trading Restrictions

Roots has a comprehensive insider trading policy which applies to all of our directors and employees, including our executive officers. The policy:

- prohibits trading in our securities while in possession of material undisclosed information about the Company; and
- prohibits individuals from entering into certain types of hedging transactions involving the securities of the Company, such as short sales, puts and calls.

In addition, executive officers, including the NEOs, are only permitted to trade in the Company's securities, including the exercise of Options, during prescribed trading windows.

Clawback Policy

Roots has a clawback policy which applies to incentive awards made to executive officers, including the NEOs.

The Board has defined a number of reasons for which it may pursue a clawback of an executive officer's incentive awards. Under our clawback policy, a clawback may be triggered if an executive officer:

- engages in misconduct that results in the need to restate our financial statements, where the individual received an award calculated on the achievement of those financial statements and the award received would have been lower had the financial statements been properly reported;
- commits a material breach of our Code of Conduct;
- engages in gross negligence, fraud, theft, dishonesty or willful misconduct; or
- is convicted of a criminal offence or certain statutory offences.

The clawback policy requires that when a clawback is triggered, the executive officer must repay all of the incentive payments received over a specified period preceding the triggering event. The GCN Committee will continue to keep this policy under review as part of its regular risk review.

USE OF MARKET DATA

We operate in a highly competitive and evolving market. As a result, it is important to regularly assess the market competitiveness of our executive compensation program in order to attract and retain a highly talented executive team. The compensation levels, compensation mix, incentive design and pay range opportunities are reviewed annually by the GCN Committee in order to ensure alignment with market practice and our overall business strategy.

When assessing executive compensation levels, multiple reference points are used. The primary reference is our *North American Proxy Peer Group*, which is described below, though a specific percentile is not targeted. There are many factors that are taken into account when determining compensation, including:

- each executive officer's knowledge, skills and performance;
- motivating executive officers to achieve our strategic business and financial objectives;
- aligning the interest of the executive officers to those of our Shareholders; and
- providing incentives that encourage appropriate levels of risk-taking.

As a result of the limited number of autonomous Canadian public companies in our industry, a broader *North American Proxy Peer Group* was developed. This peer group is comprised of approximately two-thirds Canadian and one-third U.S. retail companies, with similar financial scope and a strong consumer brand. The following criteria were applied when selecting this peer group:

- **Geography:** Canada and the United States
- **Ownership Structure:** Publicly-traded
- **Industry:** Similar retail / consumer-related industries (e.g. textiles, apparel & luxury goods, specialty stores, apparel retail)
- **Similar financial scope:** revenue, profitability and market capitalization
- **Strong consumer brand**
- **Companies with retail stores who sell their own brand**
- **North American / international operations**

The following companies were included in the *North American Proxy Peer Group* developed in Fiscal 2019, which peer group has not been adjusted since Fiscal 2019 except to remove certain companies which are no longer publicly-listed:

NORTH AMERICAN PROXY PEER GROUP		
Canadian Peers (n = 7)	Aritzia Inc.	Lululemon Athletica Inc.
	Canada Goose Holdings Inc.	Reitmans (Canada) Ltd.
	DAVIDs TEA Inc.	Sleep Country Canada Holdings Inc.
	Indigo Books & Music Inc.	
U.S. Peers (n = 3)	Duluth Holdings Inc.	Tilly's, Inc.
	J.Jill, Inc.	

We also reviewed industry specific data and Canadian and United States retail data obtained from various surveys.

COMPONENTS OF COMPENSATION

The compensation of our executive officers includes three major elements: (i) base salary; (ii) short-term incentives, consisting of an annual bonus; and (iii) long-term equity incentives, consisting of Options, PSUs and/or RSUs granted from time to time under the Omnibus Plan. Perquisites and benefits do not comprise a significant element of compensation for our executive officers.

Base Salaries

Base salary is provided as a fixed source of compensation for our executive officers. Base salaries are determined on an individual basis taking into account the scope of the executive officer's responsibilities and their prior experience. Base salaries are reviewed annually by the Board and may be increased based on the executive officer's success in meeting or exceeding individual objectives, as well as to maintain market competitiveness. In addition, base salaries can be adjusted as warranted throughout the year to reflect promotions or other changes in the scope or breadth of an executive officer's role or responsibilities.

Annual Bonuses

Annual bonuses are designed to motivate our executive officers to meet our short-term strategic business and financial objectives generally and our annual financial performance targets in particular. Annual bonus targets are set as a percentage of the relevant executive officer's base salary, which varies based on the executive officer's position (ranging between 40% to 75% of base salary). Individual annual bonus payouts will be higher or lower than the target amount depending on the level of achievement of the applicable performance targets and it is possible for no annual bonus to be payable to a NEO in respect of a particular year. We currently make annual bonus payments in cash and anticipate continuing to do so in the future. Bonus payments are determined by the Board on the recommendation of the GCN Committee. Our President and Chief Executive Officer makes recommendations to the GCN Committee each year with respect to annual bonuses for the other executive officers.

LONG-TERM INCENTIVE PLANS

Omnibus Equity Incentive Plan

In connection with the IPO, we established the Omnibus Equity Incentive Plan (the “**Omnibus Plan**”). The Omnibus Plan provides eligible participants with compensation opportunities that encourages ownership of our Shares, enhances our ability to attract, retain and motivate our executive officers and other key management and incentivizes them to increase the long-term growth and equity value of our Company in alignment with the interests of our Shareholders. The material features of the Omnibus Plan are summarized below.

Administration and Eligibility

The Omnibus Plan is administered by our Board, provided that the Board may, in its discretion, delegate its administrative powers under the Omnibus Plan to the GCN Committee. Employees of the Company and its designated affiliates are eligible to participate in the Omnibus Plan. Non-employee directors are not eligible to participate in the Omnibus Plan.

Shares Subject to the Omnibus Plan and Participation Limits

The maximum number of Shares that are available for issuance under the Omnibus Plan as of February 3, 2024 was 3,274,476, representing approximately 8.1% of the issued and outstanding Shares as of February 3, 2024.

Shares underlying Options that have expired or have been cancelled will become available for subsequent issuance under the Omnibus Plan. Shares underlying RSUs, PSUs and Dividend Share Units (as defined below) that have expired or have been cancelled or settled in cash or without issuing Shares from treasury will become available for subsequent issuance under the Omnibus Plan.

During Fiscal 2023, 350,000 Options were granted and 194,675 Options were cancelled under the Omnibus Plan.

As at February 3, 2024, 2,279,547 Options and 134,741 RSUs have been granted in total under the Omnibus Plan (net of cancelled awards) and 100,000 Warrants (as defined below) have been issued to Mr. Saturday (as defined below), representing in the aggregate approximately 6.2% of the issued and outstanding Shares

as of that date, and 1,164,932 Shares remain available for future issuance under the Omnibus Plan, representing approximately 2.9% of the issued and outstanding Shares as of that date. See “Warrants Issued to Mr. Saturday” for further information relating to the Warrants.

As of June 7, 2024, 2,267,297 Options and 134,471 RSUs have been granted under the Omnibus Plan (net of cancelled awards) and 100,000 Warrants have been issued to Mr. Saturday, representing in the aggregate approximately 6.2% of the issued and outstanding Shares as of that date, and 1,177,182 Shares remain available for future issuance under the Omnibus Plan, representing approximately 2.9% of the issued and outstanding Shares as of that date. No PSUs have been granted under the Omnibus Plan to date. See “Warrants Issued to Mr. Saturday” for further information relating to the Warrants.

No more than 5% of the outstanding Shares may be issued under the Omnibus Plan or pursuant to any other security-based compensation arrangements of the Company to any one person. The number of Shares that may be (i) issued to insiders of the Company within any one-year period, or (ii) issuable to insiders of the Company at any time, in each case, under the Omnibus Plan alone, or when combined with all of the Company’s other security-based compensation arrangements, cannot exceed 10% of the outstanding Shares.

Options

The exercise price for Options will be determined by our Board, which may not be less than the fair market value of a Share (being the closing price of a Share on the TSX on the last trading day immediately prior to the applicable date (the “**Market Value**”)) on the date the Option is granted. Options will vest in accordance with the vesting schedule established on the grant date.

Options must be exercised within a period fixed by our Board that may not exceed 10 years from the date of grant, provided that if the expiry date falls during or within 10 business days immediately following a blackout period, the expiry date will be automatically extended until 10 business days after the end of the blackout period. The Omnibus Plan also provides for earlier expiration of Options upon the occurrence of certain events, including the termination of a participant’s employment.

In order to facilitate the payment of the exercise price of the Options, the Omnibus Plan has a cashless exercise feature (with a full deduction from the number of Shares available for issuance under the Omnibus Plan). The participant may elect to receive (i) an amount in cash equal to the cash proceeds realized upon the sale of the Shares underlying the Options by a securities dealer in the capital markets, minus the aggregate exercise price, any applicable withholding taxes and any transfer costs charged by the securities dealer, (ii) a number of Shares that is equal to the number of Shares underlying the unexercised Options, minus the number of Shares sold by a securities dealer in the capital markets as required to realize cash proceeds equal to the aggregate exercise price, any applicable withholding taxes and any transfer costs charged by the securities dealer, or (iii) a combination of (i) and (ii).

RSUs and PSUs

An RSU is a right to acquire a Share or a cash payment equal to the Market Value thereof that generally becomes vested, if at all, following a period of continuous employment. PSUs are similar to RSUs, but their vesting is, in whole or in part, conditioned on the attainment of specified performance metrics as may be determined by the Board.

The terms and conditions of grants of RSUs or PSUs, including the quantity, type of award, grant date, vesting conditions, vesting periods, settlement date and other terms and conditions with respect to the awards, will be set out in the participant’s grant agreement.

In the case of PSUs, the performance-related vesting conditions may include financial or operational performance of the Company, total shareholder return, individual performance criteria or other criteria as determined by our Board, which will be measured over a specified period.

Subject to the achievement of the applicable vesting conditions, on the settlement date of an RSU or PSU,

the Company will either (i) issue from treasury the number of Shares covered by the RSUs or PSUs and related Dividend Share Units, or (ii) deliver to the participant an amount in cash that is equal to the number of Shares underlying the RSUs or PSUs and related Dividend Share Units, minus any applicable withholding taxes, multiplied by the Market Value as at the settlement date.

Dividend Share Units

When dividends (other than share dividends) are paid on Shares, additional share units (“**Dividend Share Units**”) will be automatically granted to each participant who holds RSUs or PSUs on the record date for such dividends. This treatment does not apply to Options. The number of Dividend Share Units to be granted to a participant is equal to the aggregate number of RSUs and PSUs held by the participant on the relevant record date multiplied by the amount of the dividend paid by the Company on each Share, and then divided by the Market Value of the Shares on the dividend payment date. Dividend Share Units granted to a participant will be subject to the same vesting conditions applicable to the related RSUs or PSUs.

Termination of Employment

Unless otherwise determined by our Board, upon a participant’s resignation or termination of employment without cause, all rights, title and interest in awards granted to the participant under the Omnibus Plan that are unvested on the termination date will be forfeited. Options that have vested as of the termination date may be exercised until the earlier of (i) 30 days after the termination date (in the event of a resignation) or 90 days after the termination date (in the event of a termination without cause), and (ii) the expiry date of the Options, after which time all remaining vested Options will expire.

Unless otherwise determined by our Board, upon termination of a participant’s employment for cause, all rights, title and interest in awards granted to the participant under the Omnibus Plan, whether vested or unvested on the termination date, will be forfeited.

Unless otherwise determined by our Board, upon a participant’s termination of employment as a result of death, retirement or disability, all rights, title and interest in Options granted to the participant under the Omnibus Plan which are unvested on the date of death, retirement or disability, as applicable, will be forfeited. Options that have vested as of the date of death, retirement or disability, as applicable, may be exercised until the earlier of 12 months after the date of death, retirement or disability, as applicable, and the expiry date of the Options, after which time all Options will expire.

Unless otherwise determined by our Board, upon a participant’s termination of employment as a result of death, retirement or disability, a *pro rata* portion of the participant’s unvested RSUs and PSUs will vest and be settled (assuming target performance was achieved in respect of PSUs).

Change of Control

Unless otherwise determined by our Board, if a participant’s employment is terminated without cause or the participant resigns with good reason, in each case, within 12 months following a change of control of the Company, all RSUs and PSUs granted to the participant under the Omnibus Plan will immediately vest and be settled (based on the performance achieved up to the termination date in respect of PSUs) and all Options will immediately vest and be exercisable until the earlier of 12 months after the termination date and the expiry date of the Options, after which time all Options will expire.

In the event of a change of control of the Company, our Board has the authority to take all necessary steps to ensure the preservation of the economic interests of the participants in, and to prevent the dilution or enlargement of, any awards granted under the Omnibus Plan, including ensuring that the Company or any entity which is or would be the successor to the Company or which may issue securities in exchange for the Shares upon the change of control will assume each outstanding award, or provide each participant with new, replacement or amended awards which will continue to vest following the change of control on similar terms and conditions as provided in the Omnibus Plan, failing which all outstanding awards will vest and be settled (having regard to the performance achieved prior to the change of control in respect of PSUs) or be exercisable, as applicable, prior to the date on which the change of control is consummated.

Adjustments

In the event of any share dividend, share split, combination or exchange of shares, merger, amalgamation, arrangement, consolidation, spin-off or other distribution (other than normal cash dividends) of the Company's assets to shareholders, or any other change in the capital of the Company affecting Shares (collectively, "**Adjustment Events**"), our Board will make such proportionate adjustments, if any, as it deems appropriate to reflect such change with respect to the number or kind of securities subject to outstanding awards under the Omnibus Plan, the exercise price of outstanding Options and the number of RSUs or PSUs granted to a participant, in order to preserve the proportion of the rights and obligations of the participants under the Omnibus Plan.

Amendment or Discontinuance

Our Board may amend, suspend or terminate the Omnibus Plan, or any portion thereof, subject to applicable law and stock exchange rules that requires the approval of shareholders or any governmental or regulatory body, provided that no such action may be taken that adversely alters or impairs any rights of a participant under any award previously granted by the Company without the consent of such affected participant.

Notwithstanding the above, our Board will be able to make certain amendments to the Omnibus Plan or to any award outstanding thereunder without seeking shareholder approval, including housekeeping amendments, amendments to comply with applicable law or stock exchange rules, amendments to reduce or restrict participation or amendments to the vesting, termination or early termination provisions of the Omnibus Plan. However, the following types of amendments will not be able to be made without obtaining shareholder approval:

- increasing the number of Shares reserved for issuance under the Omnibus Plan;
- increasing the length of the period after a blackout period during which Options may be exercised;
- permitting the participation of non-employee directors in the Omnibus Plan;
- removing or exceeding the insider participation limit;
- reducing the exercise price of an Option, except pursuant to an Adjustment Event;
- extending the expiry date of an award, except for an automatic extension of an award that expires during or shortly following a blackout period;
- permitting awards to be transferred or assigned other than for normal estate settlement purposes;
or
- amending the amendment provision under the Omnibus Plan.

Assignment

Except as required by law, the rights of a participant under the Omnibus Plan are not transferable or assignable.

Burn Rate

The following table provides the number of Options and RSUs granted under the Omnibus Plan and the issuance of the Warrants for Fiscal 2023, Fiscal 2022, and Fiscal 2021, expressed as a percentage of the weighted average number of Shares outstanding during the applicable fiscal year ("**Burn Rate**").

FISCAL YEAR	NUMBER OF OPTIONS, RSUS, AND WARRANTS GRANTED	WEIGHTED AVERAGE NUMBER OF SHARES OUTSTANDING	BURN RATE
Fiscal 2023	450,000	40,657,335	1.1%
Fiscal 2022	150,000	41,739,504	0.4%
Fiscal 2021	909,500	42,221,249	2.2%

Legacy Equity Incentive Plan

Our Legacy Equity Incentive Plan is a part of a legacy compensation program pursuant to which four former executive officers and one current director of the Company were granted Options to purchase Shares and/or RSUs that provide rights to acquire Shares. No additional awards will be made under the Legacy Equity Incentive Plan, but awards previously granted under the plan remain outstanding in accordance with their terms and continue to be governed by the provisions of the Legacy Equity Incentive Plan.

As at February 3, 2024, there were no Options outstanding under the Legacy Equity Incentive Plan and 15,985 RSUs outstanding held by one participant, which represents approximately 0.04% of the issued and outstanding Shares on such date.

None of the NEOs currently have any outstanding Options or RSUs under the Legacy Equity Incentive Plan.

Legacy Employee Option Plan

Our Legacy Employee Option Plan is a part of a legacy compensation program pursuant to which certain employees of the Company were granted Options to purchase Shares. No additional awards will be made under the Legacy Employee Option Plan, but Options previously granted under the plan remain outstanding in accordance with their terms and continue to be governed by the provisions of the Legacy Employee Option Plan.

As at February 3, 2024, there were outstanding under the Legacy Employee Option Plan Options to purchase an aggregate of 155,284 Shares, which represents approximately 0.4% of the issued and outstanding Shares on such date.

Options granted under the Legacy Employee Option Plan generally vest as to 1/3 on each of the first, second and third anniversaries of the completion of the IPO. Any stock option that is not vested as of a participant's death, disability, retirement, voluntary resignation or termination by the Company (with or without cause), is forfeited and cancelled and may not be exercised. If a participant is terminated with cause, such participant's Options, whether or not vested, will be immediately forfeited and cancelled and may not be exercised.

Subject to earlier expiration in connection with a termination of employment as provided for under the Legacy Employee Option Plan, the Options granted thereunder generally expire eleven years after the grant date. In addition to exercising vested Options for Shares under the Legacy Employee Option Plan, a participant may elect to receive (i) an amount in cash per stock option equal to the cash proceeds realized upon the sale of Shares by a securities dealer in the capital markets, less the applicable exercise price and any applicable withholding taxes, (ii) an aggregate number of Shares that is equal to the number of Shares underlying the vested Options minus the number of Shares sold by a securities dealer in the capital markets as required to realize cash proceeds equal to the applicable exercise price and any applicable withholding taxes, or (iii) a combination of (i) and (ii). The transfer cost incurred to sell the Shares will be deducted from the net proceeds payable to the participant.

Warrants Issued to Mr. Saturday

In March 2023, Roots appointed Saturday Industries Limited (“**Mr. Saturday**”) and its principal, Joey Gollish, as Creative Director in Residence for a period expected to extend through 2025, pursuant to the terms of a Creative Director Residency Agreement. Mr. Gollish is the founder and creative director of Mr. Saturday, an acclaimed fashion label known as “Mr. Saturday”, who will continue to helm its design and creative direction during this period.

In connection with this arrangement, on April 10, 2023, Roots issued 100,000 common share purchase warrants (the “**Warrants**”) to Mr. Saturday, on a private placement basis. Each Warrant is exercisable for one Share at an exercise price of \$2.98, subject to adjustment under customary anti-dilution provisions. The Warrants are subject to time vesting conditions and will expire ten years from the date of issuance. The Warrants vest fully over three years: 1/3 on each of the first, second and third anniversaries of the grant date. The Warrants would be cancelled in the event of the early termination of the Creative Director Residency Agreement in accordance with the terms thereof.

In accordance with TSX requirements, the Warrants are counted towards the maximum number of securities available for issuance under the Omnibus Plan. See “Omnibus Equity Incentive Plan – Shares Subject to the Omnibus Plan and Participation Limits” above.

Benefit Plans

We provide our executive officers with life, disability, health and dental insurance programs and paid time off on the same basis as other employees. We offer these benefits consistent with local market practice.

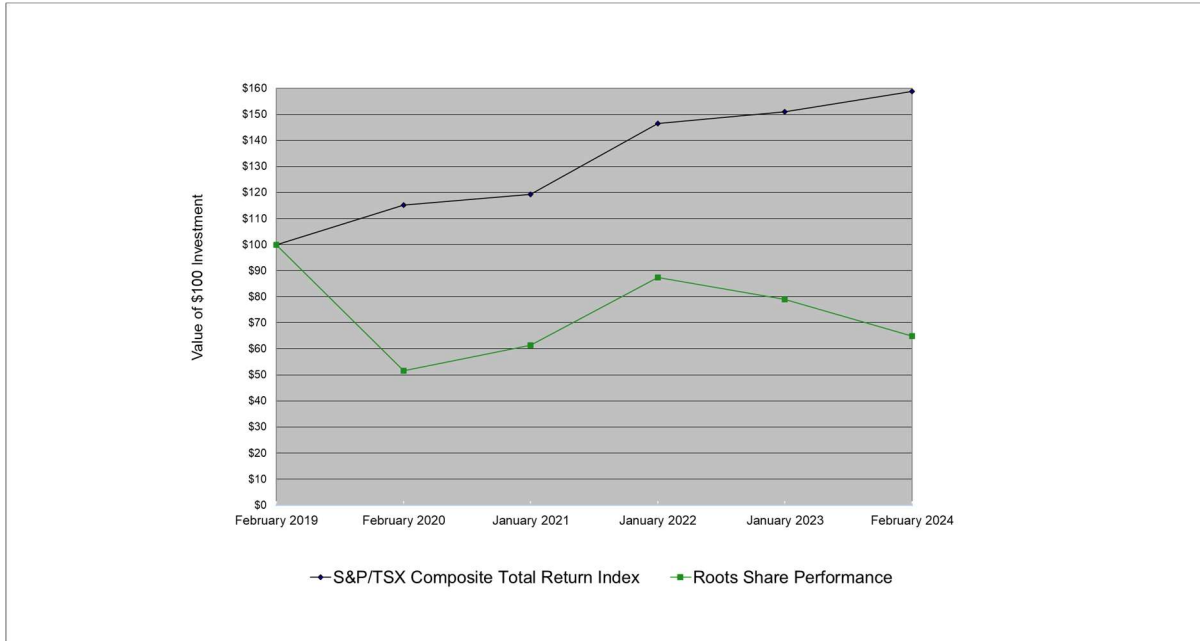

Perquisites

We generally do not offer significant perquisites as part of our compensation program, unless otherwise described below under “– Employment Agreements, Termination and Change of Control Benefits”.

PERFORMANCE GRAPH

The following graph compares the Company's cumulative total shareholder return to the S&P/TSX Composite Total Return Index, assuming reinvestment of any dividends and considering a \$100 investment on February 2, 2019. The S&P/TSX Composite Total Return Index tracks the share prices of the largest companies on the TSX measured by market capitalization. Stocks included in this index cover all sectors of the economy and are not significantly weighted in the retail or any other comparable industry and are therefore not directly comparable to Roots.

Cumulative Total Shareholder Return
February 2, 2019 to February 3, 2024

During the period covered by the performance graph, our Shares have underperformed the S&P/TSX Composite Total Return Index.

Executive officer compensation is not strongly correlated to Shareholder returns in the short term, in part because equity-based incentives are calculated at the time of grant using grant date fair values, which do not reflect the actual value of compensation received when such incentives vest or are settled. In the longer term, executive officer compensation is directly impacted by the Company's Share price performance.

Aside from base salaries, our compensation program is designed to include short-term incentives that align with the near-term targets of the business as well as long-term incentives that are tied to successful execution against our long-term growth strategy.
