

Advanced Drainage Systems to Present at Barclays Building & Building Products Symposium

HILLIARD, Ohio--(BUSINESS WIRE)-- Advanced Drainage Systems, Inc. (NYSE:WMS) ("ADS" or the "Company"), a leading global manufacturer of water management products and solutions for commercial, residential, infrastructure and agricultural applications, today announced that Chairman and Chief Executive Officer, Joe Chlapaty, and Executive Vice President and Chief Financial Officer, Mark Sturgeon, will participate in the Barclays Select Series: Building and Building Products Symposium in New York City on Thursday, February 26, 2015.

Mr. Chlapaty will participate in the Commercial Building Products panel discussion from 12:00 p.m. to 12:50 p.m. that day. Prior to and following the panel discussion, management will be available for meetings with interested parties from the investment community.

About ADS

Advanced Drainage Systems (ADS) is the leading manufacturer of high performance thermoplastic corrugated pipe, providing a comprehensive suite of water management products and superior drainage solutions for use in the construction and infrastructure marketplace. Its innovative products are used across a broad range of end markets and applications, including non-residential, residential, agriculture and infrastructure applications. The Company has established a leading position in many of these end markets by leveraging its national sales and distribution platform, its overall product breadth and scale and its manufacturing excellence. Founded in 1966, the Company operates a global network of 61 manufacturing plants and 29 distribution centers. To learn more about the ADS, please visit the Company's website at www.ads-pipe.com.
