

Advanced Drainage Systems to Present at Deutsche Bank Global Industrials and Basic Materials Conference

HILLIARD, Ohio--(BUSINESS WIRE)-- Advanced Drainage Systems, Inc. (NYSE: WMS) ("ADS" or the "Company"), a leading global manufacturer of water management products and solutions for commercial, residential, infrastructure and agricultural applications, today announced that management will be participating in the Deutsche Bank's Global Industrials and Basic Materials Conference in Chicago on June 3, 2015.

Co-Chief Operating Officer and Executive Vice President, Ron Vitarelli, and Chief Financial Officer, Mark Sturgeon will present from 2:20 p.m. to 2:55 p.m. that day. Management will also be available for meetings with interested parties from the investment community prior to and after the panel discussion.

About ADS

Advanced Drainage Systems (ADS) is the leading manufacturer of high performance thermoplastic corrugated pipe, providing a comprehensive suite of water management products and superior drainage solutions for use in the construction and infrastructure marketplace. Its innovative products are used across a broad range of end markets and applications, including non-residential, residential, agriculture and infrastructure applications. The Company has established a leading position in many of these end markets by leveraging its national sales and distribution platform, its overall product breadth and scale and its manufacturing excellence. Founded in 1966, the Company operates a global network of 61 manufacturing plants and 29 distribution centers. To learn more about the ADS, please visit the Company's website at www.ads-pipe.com.
