

## ADS Opens New Distribution Center in British Columbia

Abbotsford Location to Enhance Service and Supply for the Province of British Columbia

HILLIARD, Ohio--(BUSINESS WIRE)-- Advanced Drainage Systems, Inc. (ADS), (NYSE:WMS), a leading global manufacturer of water management products and solutions for non-residential, residential, infrastructure and agricultural applications, has opened a new distribution center in Abbotsford, British Columbia. The Abbotsford location, the company's first in British Columbia and ninth in Canada, will increase the local supply of the company's products and improve customer service. ### **Forward Looking Statements:**

Certain statements in this press release may be deemed to be forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements are not historical facts but rather are based on the Company's current expectations, estimates and projections regarding the Company's business, operations and other factors relating thereto. Words such as "may," "will," "could," "would," "should," "anticipate," "predict," "potential," "continue," "expects," "intends," "plans," "projects," "believes," "estimates," "confident" and similar expressions are used to identify these forward-looking statements. These statements are only predictions and as such are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Actual results may differ materially from those in the forward-looking statements as a result of a number of factors, including those described from time to time in the Company's filings with the Securities and Exchange Commission.
