

**COVIA HOLDINGS CORPORATION  
CHARTER OF THE AUDIT COMMITTEE  
OF THE BOARD OF DIRECTORS**

**(Adopted as of May 31, 2018)**

The Board of Directors (the “Board”) of Covia Holdings Corporation (the “Company”) has established the Audit Committee of the Board (the “Committee”) with authority, responsibility and specific duties as described in this Audit Committee Charter (this “Charter”).

**I. Purposes**

The purposes of the Committee are to:

- A.** Assist the Board in fulfilling its oversight responsibilities regarding the:
- Integrity of the Company’s financial statements;
  - Effectiveness of its internal control over financial reporting;
  - Company’s compliance with legal and regulatory requirements;
  - Qualifications, independence and performance of the independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company (the “independent registered public accounting firm”); and
  - Effectiveness and performance of the Company’s internal audit function;
- B.** Annually, prepare an Audit Committee Report and publish the report in the Company’s proxy statement for its annual meetings of stockholders, in accordance with applicable rules and regulations; and
- C.** Perform such other functions as the Board may assign to the Committee from time to time.

**II. Membership**

Subject to applicable transition periods, the Committee must consist of not less than three members of the Board. All members of the Committee must be “independent” as defined by the rules of the Securities and Exchange Commission (“SEC”) and the listing requirements of the New York Stock Exchange (“NYSE”); provided, however, that this requirement is subject to applicable transition periods. Each member of the Committee must meet the experience requirements of the NYSE, and at least one member of the Committee must be an “audit committee financial expert” (as defined by applicable rules of the SEC). No member of the Committee may serve simultaneously on the audit committees of more than three public companies, including the Company, unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee and such determination is disclosed in accordance with the rules of the NYSE.

Notwithstanding the foregoing membership requirements, no action of the Committee will be invalid by reason of any such requirement not being met at the time such action is taken.

The members of the Committee and its Chairman will be selected annually by the Board, taking into account the recommendation of the Governance Committee, and will serve at the pleasure of the Board. The Board may also designate directors who are not members of the Committee but who have the right to attend meetings of the Committee. Any vacancy on the Committee will be filled by, and any member of the Committee may be removed by, an affirmative vote of a majority of the Board. If a Chairman is not designated by the Board or present at a meeting, the Committee may designate a Chairman by majority vote of the Committee members then in office.

### **III. Authority and Responsibilities**

The Committee is delegated all authority of the Board as may be required or advisable to fulfill the purposes of the Committee. Without limiting the generality of the preceding statements, the Committee has the authority, and is entrusted with the responsibility, to take the following actions:

#### **A. Authority**

The Committee has the authority to:

1. Conduct or authorize investigations into any matter, including, but not limited to, complaints relating to accounting, internal accounting controls or auditing matters, within the scope of the responsibilities delegated to the Committee as it deems appropriate, including the authority to request any officer, employee or advisor of the Company to meet with the Committee or any advisors engaged by the Committee.
2. Retain and determine funding for legal counsel, accounting experts and other advisors, in each case in the context of work being carried out by the Committee, including the sole authority to appoint or replace the independent registered public accounting firm (subject, if applicable, to stockholder ratification), as it deems necessary or appropriate to fulfill its responsibilities. The Committee may also utilize the services of the Company's regular outside legal counsel or other advisors to the Company. The Company must provide for appropriate funding, as determined by the Committee, for payment of (a) compensation to any independent registered public accounting firm engaged for the purpose of rendering or issuing an audit report or performing other audit, review or attest services for the Company; (b) compensation to any advisors employed by the Committee; and (c) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
3. Delegate to its Chairman, any one of its members or any subcommittee it may form, the responsibility and authority for

any particular matter within its powers and authority, as it deems appropriate from time to time under the circumstances. However, subcommittees do not have the authority to engage independent legal counsel, accounting experts or other advisors unless expressly granted such authority by the Committee. Each subcommittee will keep minutes and regularly report to the Committee.

**B. *Responsibilities***

The Committee's responsibilities are limited to oversight. Although the Committee has the responsibilities set forth in this Charter, it is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and in accordance with U.S. generally accepted accounting principles ("GAAP") and applicable laws, rules and regulations. These are the responsibilities of management, the internal auditor and the independent registered public accounting firm. The following will be the common recurring activities of the Committee in carrying out its oversight function. These activities are set forth as a guide with the understanding that the Committee may diverge from this guide as it deems necessary or appropriate under the circumstances to the extent permitted by applicable laws, rules or regulations.

*Interaction with the Independent Registered Public Accounting Firm*

1. *Appointment and Oversight.* The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm hired for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The Committee and the independent registered public accounting firm will discuss the firm's responsibilities and the responsibilities of management in the audit process. The independent registered public accounting firm will report directly to the Committee and the Committee will routinely review such firm's performance. In addition, the Committee will oversee the resolution of any disagreements between the Company's management and the independent registered public accounting firm regarding financial reporting.
2. *Pre-Approval of Services.* Before the independent registered public accounting firm is engaged by the Company or its subsidiaries to render audit or non-audit services, the Committee must pre-approve the engagement, subject to certain de minimis exceptions provided by law or regulation. Committee pre-approval of audit and non-audit services is not required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Committee. The Chairman of the Committee has the authority to grant pre-approvals, provided such approvals are

within the pre-approval policy and presented to the Committee at a subsequent meeting.

3. *Independence of Registered Public Accounting Firm.* The Committee will, at least annually, review the independence and quality control procedures of the independent registered public accounting firm and the experience and qualifications of the independent registered public accounting firm's senior personnel that are providing audit services to the Company. In conducting its review, the Committee will:
  - a) Obtain and review a report prepared by the independent registered public accounting firm describing (i) the firm's internal quality-control procedures and (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, involving one or more independent audits carried out by the firm, and any steps taken to address and respond to any such issues.
  - b) Discuss with representatives of the independent registered public accounting firm its independence from the Company, and obtain and review a written statement prepared by the independent registered public accounting firm describing all relationships between the independent registered public accounting firm and the Company, consistent with applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Committee concerning independence, and consider the impact that any relationships or services may have on the objectivity and independence of the independent registered public accounting firm.
  - c) If applicable, consider whether the provision by the independent registered public accounting firm of any permitted information technology services or other non-audit services to the Company is compatible with maintaining the independence of the independent registered public accounting firm.
  - d) Confirm with the independent registered public accounting firm that the firm is in compliance with the partner rotation requirements established by the SEC.
  - e) Consider whether, in order to assure continuing independence of the independent registered public accounting firm, it is appropriate to adopt a policy of rotating the independent registered public accounting firm on a regular basis.

- f) Review and evaluate the lead partner of the independent registered public accounting firm.

Annual Financial Statements and Annual Audit

1. *Meetings with Management, the Independent Registered Public Accounting Firm and the Internal Auditor (or the Personnel Performing the Internal Audit Function).* The Committee will:
  - a) Meet with management, the independent registered public accounting firm and the internal auditor in connection with each annual audit to discuss the scope of the audit, the procedures to be followed and the staffing of the audit.
  - b) Review and discuss with management and the independent registered public accounting firm: (i) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (ii) any analyses prepared by management or the independent registered public accounting firm setting forth significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including analyses of the effects of alternative treatments of financial information within GAAP on the Company's financial statements; and (iii) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the Company's financial statements.
  - c) Review and discuss the annual audited financial statements with management and the independent registered public accounting firm, including the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations."

  - a) Review with the independent registered public accounting firm any problems or difficulties the independent registered public accounting firm may have

encountered during the course of the audit work, including any restrictions on the scope of activities or access to required information or any significant disagreements with management and management's responses to such matters. Among the items that the Committee should consider reviewing with the independent registered public accounting firm are: (i) any accounting adjustments that were noted or proposed by the independent registered public accounting firm but were "passed" (as immaterial or otherwise); (ii) any communications between the audit team and the independent registered public accounting firm's national office respecting auditing or accounting issues presented by the engagement; and (iii) any "management" or "internal control" letter issued, or proposed to be issued, by the independent registered public accounting firm to the Company. The Committee will obtain from the independent registered public accounting firm assurances that Section 10A(b) of the Securities Exchange Act of 1934, as amended, has not been implicated. The review should also include discussion of the responsibilities, budget and staffing of the Company's internal audit function.

- b) Discuss with the independent registered public accounting firm the report that such firm is required to make to the Committee regarding: (i) all accounting policies and practices to be used that the independent registered public accounting firm identifies as critical; (ii) all alternative treatments of financial information within GAAP for policies and practices related to material items that have been discussed among management and the independent registered public accounting firm, including the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent registered public accounting firm; and (iii) all other material written communications between the independent registered public accounting firm and management of the Company, such as any management letter, management representation letter, reports on observations and recommendations on internal control over financial reporting, the independent registered public accounting firm's engagement letter, the independent registered public accounting firm's independence letter, schedule of unadjusted audit differences and a listing of adjustments and classifications not recorded, if any.
- c) Discuss with the independent registered public accounting firm the matters required to be discussed by AS 1301 (or any successor standard).

3. *Recommendation to Include Financial Statements in Annual Report.* The Committee will, based on the review and discussions in paragraphs 1(c) and 2(c) of this “Annual Financial Statements and Annual Audit” Section, and based on the disclosures received from the independent registered public accounting firm regarding its independence and discussions with representatives of the firm regarding such independence pursuant to subparagraph 3(b) of the “Interaction with the Independent Registered Public Accounting Firm” Section, determine whether to recommend to the Board that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year subject to the audit.

#### Quarterly Financial Statements

The senior internal auditing executive (or any outside auditor performing the function of an internal auditing department) shall report directly to management, with oversight provided by the Committee. The Committee shall review the scope and duties of the internal audit function with the senior internal auditing executive (or any outside auditor performing the function of an internal auditing department) during at least one Committee meeting annually.
