8x8, Inc. to Present At 2009 California Investor Conference

SANTA CLARA, Calif., Jun 5, 2009 (GlobeNewswire via COMTEX News Network) -- 8x8, Inc. (Nasdaq:EGHT), provider of Internet Protocol (IP) communications solutions for business and residential users, today announced that its Chairman and CEO Bryan R. Martin and President and CFO Dan Weirich will present at the 2009 California Investor Conference on Thursday, June 11 at the Hyatt Regency San Francisco Airport in Burlingame, CA.

The conference is open to the public and includes a continental breakfast and keynote luncheon. A live audio webcast of all company presentations will be available from the California Stock Report's website at www.californiastocks.com. For a complete list of presenters and presentation times please visit www.californiastocks.com.

Based in San Diego, California, Equity Research, LLC is an independent research-only firm focused exclusively on coverage of California-based companies. For more information, please visit the California Equity Research website at www.calequityresearch.com.

About 8x8, Inc.

8x8, Inc. (Nasdaq:EGHT) offers voice, video and mobile communications solutions for business and residential customers. These solutions leverage existing broadband Internet connections and cellular networks to deliver advanced features and digital quality phone service at a fraction of the cost of legacy, copper wire alternatives. Businesses of any size, configuration or geographic location can benefit from the cost, performance and operational advantages of VoIP technology. All 8x8 communications solutions carry little or no upfront investment, no maintenance or upgrade fees and no change in user behavior. For additional information, visit www.8x8.com.
