## **8x8, Inc. to Webcast First Quarter Fiscal 2010 Earnings Conference Call**

SANTA CLARA, Calif., Jul 24, 2009 (GlobeNewswire via COMTEX News Network) -- 8x8, Inc. (Nasdaq:EGHT), provider of Internet Protocol (IP) communications solutions for business and residential users, today announced that it will webcast its quarterly earnings conference call on Wednesday, July 29, 2009 at 4:30 p.m. ET. Led by the company's Chairman and Chief Executive Officer Bryan R. Martin and President and Chief Financial Officer Dan Weirich, the conference call will cover the company's first quarter fiscal 2010 financial results to be released after market close on July 29.

The conference call webcast will be available on the company's Investor Relations website at <http://investors.8x8.com/>. Supplemental financial slides, presented through the 8x8 Virtual Meeting (alpha version) web conferencing portal, will be available at <http://virtualmeeting.8x8.com/Q1FY2010Earnings>. Individuals can listen to the live call at 1-888-569-5033. International participants can listen to the call at 1-719-325-2122. Participants should plan to dial in or log on ten minutes prior to the start time. A telephonic replay of the call will be available following the call for a period of seven days. An online replay will be available for a period of one year.

The company will also be broadcasting its Annual Meeting of Stockholders on Thursday, July 30, 2009 at 10:00 a.m. PT via 8x8 Virtual Meeting (alpha version). Individuals can access this webcast at <http://virtualmeeting.8x8.com/AnnualMeeting2009> or at <http://investors.8x8.com>. To dial into this meeting, please call 1-888-661-8114 (domestic) or 1-408-329-4756 (international) and reference Meeting ID #253 864 91.

About 8x8, Inc.

8x8, Inc. (Nasdaq:EGHT) offers voice, video and mobile communications solutions for business and residential customers. These solutions leverage existing broadband Internet connections and cellular networks to deliver advanced features and digital quality phone service at a fraction of the cost of legacy, copper wire alternatives. Businesses of any size, configuration or geographic location can benefit from the cost, performance and operational advantages of VoIP technology. All 8x8 communications solutions carry little or no upfront investment, no maintenance or upgrade fees and no change in user behavior. For additional information, visit [www.8x8.com](http://www.8x8.com).
