## **8x8 Partners With Master Agent MicroCorp to Deliver Secure and Reliable Cloud Communications Solutions to Enterprise Customers**

*Partnership Enables Over 1,500 Agents, System Integrators and VARs to Offer 8x8's Enterprise Cloud Telephony, Unified Communications and Contact Center Services Nationwide and Around the World*

SAN JOSE, Calif.--(BUSINESS WIRE)-- 8x8, Inc. (NASDAQ:EGHT), a provider of cloud-based [unified communications](#), contact center and collaboration solutions, today announced the establishment of a new partnership with MicroCorp, one of the nation's largest telecom and cloud solutions master agencies, enabling its 1,500+ agents, system integrators and VARs to offer 8x8's secure and reliable cloud communications services to customers nationwide and around the world.

Named "Top Overall Master Agency" in 2013 by the Telecom Association, MicroCorp supports one of the nation's largest distribution channels with a portfolio of best-in class telecommunications and cloud solutions.

"MicroCorp has earned an outstanding reputation for building a value added distribution model and agent network that is second to none," said 8x8 Vice President of Channel Sales Don Trimble. "We are looking forward to introducing agents, VARs and their customers to 8x8's industry-leading, cloud-based solutions that are not only simplifying the deployment and management of a business' communications infrastructure but also enhancing productivity, growth and bottom line results."

"As we continue to expand our cloud portfolio with the very best-of-breed applications, I am excited to add 8x8 as a Vendor Partner," said MicroCorp President & CEO Brad Miehle. "8x8 is a recognized brand leader, and our agent and VAR partners will benefit from their broad range of unified communications solutions that meet the needs of organizations of all sizes."

8x8's cloud-based software platform provides a comprehensive, secure and easy-to-use suite of unified communications and collaboration services. In addition to replacing traditional solutions with more cost effective, flexible alternatives, 8x8 solutions address critical challenges faced by many businesses today such as managing globally distributed workforces and mobile devices, maintaining business continuity, and integrating with core enterprise applications and IT systems.
