**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 4, 2006**

This Proxy Statement is furnished to the stockholders of Neenah Paper, Inc. in connection with the solicitation of proxies by our Board of Directors to be voted at the 2006 Annual Meeting of Stockholders and at any adjournments thereof ("the Annual Meeting"). The Annual Meeting will be held at Preston Ridge III, 3460 Preston Ridge Road, Suite 600, Alpharetta, Georgia 30005 on Thursday, May 4, 2006 at 10:00 a.m., local time. When used in this Proxy Statement, the terms "we," "us," "our" and "Neenah" refer to Neenah Paper, Inc.

The approximate date on which this Proxy Statement and form of proxy card are first being sent or given to stockholders is April 3, 2006.

VOTING

General

The securities that can be voted at the Annual Meeting consist of our common stock, \$.01 par value per share, with each share entitling its owner to one vote on each matter submitted to the stockholders. The record date for determining the holders of common stock who are entitled to receive notice of and to vote at the Annual Meeting is March 20, 2006. On the record date, 14,765,389 shares of common stock were outstanding and eligible to be voted at the Annual Meeting.

Quorum and Vote Required

The presence, in person or by proxy, of a majority of the holders of the issued and outstanding shares of our common stock entitled to vote is necessary to constitute a quorum at the Annual Meeting.

In voting with regard to the proposal to elect two Class II directors (Proposal 1), stockholders may vote in favor of all nominees, withhold their votes as to all nominees or withhold their votes as to specific nominees. The vote required to approve Proposal 1 is set forth in our Amended and Restated Bylaws, which provides for the election of each candidate by the affirmative vote of a majority of the shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, votes that are withheld will be counted in determining the number of votes required to obtain the necessary majority vote for the proposal, and therefore, will have the same legal effect as voting against the proposal.

In voting with regard to the proposal to approve the performance measures under the Neenah Paper, Inc. 2004 Omnibus Stock and Incentive Compensation Plan, (the "Omnibus Plan") (Proposal 2), stockholders may vote in favor of the proposal, against the proposal or may abstain from voting. The vote required to approve Proposal 2 is set forth in our Amended and Restated Bylaws, which requires the affirmative vote of a majority of the shares represented and entitled to vote at the Annual Meeting,

provided a quorum is present. As a result, abstentions will be considered in determining the number of votes required to obtain the necessary majority vote for the proposal, and therefore, will have the same legal effect as voting against the proposal.

In voting with regard to the proposal to ratify the appointment of the independent registered public accounting firm (Proposal 3), stockholders may vote in favor of the proposal or against the proposal or may abstain from voting. The vote required to approve Proposal 3 is set forth in our Amended and Restated Bylaws, which requires the affirmative vote of the holders of a majority of the shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions will be considered in determining the number of votes required to obtain the necessary majority vote for the proposal, and therefore, will have the same legal effect as voting against the proposal.

Under the rules of the New York and American Stock Exchanges (the “Exchanges”) that govern most domestic stock brokerage firms, member firms that hold shares in street name for beneficial owners may, to the extent that such beneficial owners do not furnish voting instructions with respect to any or all proposals submitted for stockholder action, vote in their discretion upon proposals which are considered “discretionary” proposals under the rules of the Exchanges. These votes by brokers are considered as votes cast in determining the outcome of any discretionary proposal. We believe that Proposal 1, Proposal 2 and Proposal 3 are discretionary. Member brokerage firms that have received no instructions from their clients as to “non-discretionary” proposals do not have discretion to vote on these proposals. If the brokerage firm returns a proxy card without voting on a non-discretionary proposal because it received no instructions, this is referred to as a “broker non-vote” on the proposal. “Broker non-votes” are considered in determining whether a quorum exists at the Annual Meeting, but “broker non-votes” are not considered as votes cast or entitled to vote in determining the outcome of any proposal. Since Proposal 1, Proposal 2 and Proposal 3 are all discretionary proposals, we do not anticipate that there will be any broker non-votes with respect to such proposals, due to the fact that proxies returned by brokers without instructions will be voted “FOR” the approval of Proposal 1, Proposal 2 and Proposal 3.

Proxy Voting Procedures

You may vote in person at the Annual Meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting. Giving us your proxy means you authorize us to vote your shares at the meeting in the manner you direct. You may vote for all, some, or none of our director candidates. You may also vote for or against the other proposals or abstain from voting.

If your shares are held in your name, you can vote by proxy in three convenient ways:

- *Via Internet:* Go to <http://www.computershare.com/expressvote> and follow the instructions. You will need to enter the control number printed on your proxy card.
- *By Telephone:* Call toll-free 1-800-652-8683 and follow the instructions. You will need to enter the control number printed on your proxy card.
- *In Writing:* Complete, sign, date and return your proxy card in the enclosed envelope.

All properly executed proxies received by Neenah in time to be voted at the Annual Meeting and not revoked will be voted at the Annual Meeting in accordance with the directions noted on the proxy card. **In the absence of such instructions, the shares represented by a proxy will be voted “FOR” the election of all Class II director nominees described herein, “FOR” the approval of the performance measures under the Omnibus Plan and “FOR” the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.** If any other matters properly come before the Annual Meeting, the persons named as proxies will vote upon such matters according to their judgment.

Any stockholder delivering a proxy has the power to revoke it at any time before it is voted (i) by giving written notice to Steven S. Heinrichs, Senior Vice President, General Counsel and Secretary of Neenah, at 3460 Preston Ridge Road, Preston Ridge III, Suite 600, Alpharetta, Georgia, 30005, (ii) by submitting a proxy card bearing a later date, including a proxy given via the Internet or by telephone or (iii) by voting in person at the Annual Meeting. Please note, however, that under the rules of the Exchanges and the NASDAQ National Market, any beneficial owner of our common stock whose shares are held in street name by a member brokerage firm may revoke his proxy and vote his or her shares in person at the Annual Meeting only in accordance with applicable rules and procedures of the Exchanges or the NASDAQ National Market, as employed by the beneficial owner's brokerage firm.

We are also sending this Proxy Statement and voting materials to participants in various employee benefit plans of the company. The trustee of each plan, as the stockholder of record of the shares of common stock held in the plans, will vote whole shares of stock attributable to each participant's interest in the plans in accordance with the directions the participant gives or, if no directions are given by the participant, in accordance with the directions of the respective plan committees.

In addition to soliciting proxies through the mail, we may solicit proxies through our directors, officers and employees in person and by telephone or facsimile. We expect to retain Geogeson Shareholder Communications Inc. to aid in the solicitation at a cost of approximately \$7,500 plus reimbursement of out-of-pocket expenses. Brokerage firms, nominees, custodians and fiduciaries also may be requested to forward proxy materials to the beneficial owners of shares held of record by them. We will pay all expenses incurred in connection with the solicitation of proxies.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors conducts its business through meetings of the full Board and through committees of the Board, consisting of an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee (the "Nominating Committee"). During 2005 our Board of Directors held seven meetings, the Audit Committee held seven meetings, the Compensation Committee held five meetings and the Nominating Committee held five meetings. No director attended less than 75% of the 2005 meetings of the Board and meetings of the committees of which he or she is a member (except that Mr. McGovern as a newly appointed director did not attend any of the 2005 meetings; however, Mr. James G. Grosklous serving as a director of Neenah did attend at least 75% of the meetings as disclosed above). Although Neenah holds regularly scheduled executive sessions of non-management directors, Neenah has not designated a single presiding director to preside at such sessions. Instead, a director is chosen on an ad hoc basis to preside at each of the executive sessions.

Audit Committee

The Audit Committee is comprised solely of directors who meet the independence requirements of the New York Stock Exchange ("NYSE") and the Securities Exchange Act of 1934, as amended

("Exchange Act"), and are financially literate, as required by NYSE rules. At least one member of the Audit Committee is an audit committee financial expert, as defined by the rules and regulations of the Securities and Exchange Commission ("SEC"). The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee assists the Board of Directors in monitoring:

- the quality and integrity of our financial statements;
- our compliance with ethical policies contained in our Code of Business Conduct and Ethics and legal and regulatory requirements;
- the independence, qualification and performance of our registered public accounting firm; and
- the performance of our internal auditors.

The Audit Committee is governed by the Audit Committee Charter approved by the Board. The charter is available on our website at www.neenah.com. We will also provide a copy of the charter to stockholders upon request at no charge.

The members of the Audit Committee are Messrs. Lucas (Chairperson) and Moore and Dr. Wood. The Board has determined that Mr. Lucas is an audit committee financial expert.

Nominating and Corporate Governance Committee

The Nominating Committee is comprised solely of directors who meet NYSE independence requirements. The Nominating Committee:

- oversees the process by which individuals are nominated to our Board of Directors;
- reviews the qualifications, performance and independence of members of our Board of Directors;
- reviews and recommends policies with respect to composition, organization, processes and practices of our Board of Directors; and
- identifies and investigates emerging corporate governance issues and trends that may affect us.

The Nominating Committee is governed by the Nominating and Corporate Governance Committee Charter approved by the Board. The charter is available on our website at www.neenah.com. We will also provide a copy of the charter to stockholders upon request at no charge.

The members of the Nominating Committee are Dr. Leeper (Chairperson), Mr. McGovern and Mr. Grzedzinski.

Compensation Committee

The Compensation Committee is comprised solely of directors who meet NYSE independence requirements, meet the requirements for a "Nonemployee Director" under the Exchange Act, and meet the requirements for an "outside director" under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Compensation Committee:

- reviews and approves corporate goals and objectives relevant to the compensation of our Chief Executive Officer and sets such compensation;
- approves, in consultation with our Chief Executive Officer, the compensation of our officers who are elected by our Board of Directors;
- makes recommendations to our Board of Directors with respect to our equity-based plans and executive incentive-compensation plans; and

- reviews with management and approves awards under our long-term incentive-compensation plans and equity-based plans.

The Compensation Committee is governed by the Compensation Committee Charter approved by the Board. The charter is available on our website at www.neenah.com. We will also provide a copy of the charter to stockholders upon request at no charge.

The members of the Compensation Committee are Messrs. Moore (Chairperson) and McGovern and Dr. Wood.

CORPORATE GOVERNANCE

Independent Directors

Our Amended and Restated Bylaws provide that a majority of the directors on our Board shall be independent. In addition, the Corporate Governance Policies adopted by the Board, described further below, provide independence standards consistent with NYSE listing standards. The nominees for director are such that immediately after the election of the nominees to the Board of Directors, a majority of all directors holding office will be independent directors. The Nominating Committee and the Board have determined that all directors and nominees, except for Mr. Erwin, do not have any relationship that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors and are independent in accordance with NYSE listing standards and our Corporate Governance Policies.

Nomination of Directors

The Board of Directors is responsible for approving candidates for Board membership. The Board has delegated the screening and recruitment process to the Nominating Committee, in consultation with the Chairman of the Board and Chief Executive Officer. More specifically, our Nominating Committee has adopted, and the Board of Directors has ratified, the Neenah Paper, Inc. Policy Regarding Qualification and Nomination of Director Candidates.

The Nominating Committee seeks to create a Board that is as a whole strong in its collective knowledge of, and diversity of skills and experience with respect to, accounting and finance, management and leadership, vision and strategy, business operations, business judgment, crisis management, risk assessment, industry knowledge, corporate governance and global markets.

Qualified candidates for director are those who, in the judgment of the Nominating Committee, possess all of the following personal attributes and a sufficient mix of the experience attributes to assure effective service on the Board. Personal attributes of a Board candidate considered by the Nominating Committee include: leadership, ethical nature, contributing nature, independence, interpersonal skills, and effectiveness. Experience attributes of a Board candidate considered by the Nominating Committee include: financial acumen, general business experience, industry knowledge, diversity of view points, special business experience and expertise. When the Nominating Committee reviews a potential new candidate, the Nominating Committee looks specifically at the candidate's qualifications in light of the needs of the Board and our company at that time given the then current mix of director attributes.

The Nominating Committee will utilize a variety of methods for identifying and evaluating nominees for director. The Nominating Committee will periodically assess the appropriate size of the Board and whether any vacancies on the Board are expected. In the event that vacancies are anticipated or otherwise arise, the Nominating Committee will seek to identify director candidates based on input provided by a number of sources, including: (i) Nominating Committee members, (ii) other directors of Neenah, (iii) management of Neenah and (iv) stockholders of Neenah. The Nominating Committee also has the authority to consult with or retain advisors or search firms to assist in the identification of qualified director candidates.

In accordance with NYSE listing standards, we ensure that at least a majority of our Board is independent under the NYSE definition of independence, and that the members of the Board as a group maintain the requisite qualifications under NYSE listing standards for populating the Audit, Compensation and Nominating Committees.

The Nominating Committee considers nominees recommended by stockholders as candidates for election to the Board of Directors. A stockholder wishing to nominate a candidate for election to the Board at the Annual Meeting is required to give written notice to the Secretary of Neenah of his or her intention to make a nomination. Pursuant to our Amended and Restated Bylaws, the notice of nomination must be received by Neenah not less than 50 days nor more than 75 days prior to the Annual Meeting, or if Neenah gives less than 60 days notice of the meeting date, the notice of nomination must be received within 10 days after the Annual Meeting date is announced.

To recommend a nominee, a stockholder should write to Steven S. Heinrichs, Senior Vice President, General Counsel and Secretary of Neenah, at 3460 Preston Ridge Road, Preston Ridge III, Suite 600, Alpharetta, Georgia 30005. Any such recommendation must include:

- the name and address of the stockholder and a representation that the stockholder is a holder of record of shares of our common stock;
- a brief biographical description for the nominee, including his or her name, age, business and residence addresses, occupation for at least the last five years, and a statement of the qualifications of the candidate, taking into account the qualification requirements set forth above;
- a description of all arrangements or understandings between the stockholder and each nominee; and
- the candidate's consent to serve as a director if elected.

Once director candidates have been identified, the Nominating Committee will then evaluate each candidate in light of his or her qualifications and credentials, and any additional factors that the Nominating Committee deems necessary or appropriate, including those set forth above. Qualified prospective candidates will be interviewed by the Chairman of the Board, the Chief Executive Officer and at least one member of the Nominating Committee. The full Board will be kept informed of the candidate's progress. Using input from such interviews and other information obtained by the Nominating Committee, the Nominating Committee will evaluate whether a prospective candidate is qualified to serve as a director and, if so qualified, will seek full Board approval of the nomination of the candidate or the election of such candidate to fill a vacancy on the Board.

Existing directors who are being considered for re-nomination will be re-evaluated by the Nominating Committee based on each director's satisfaction of the qualifications described above and his or her performance as a director during the preceding year. All candidates submitted by stockholders will be evaluated in the same manner as candidates recommended from other sources, provided that the procedures set forth above have been followed.

All of the current nominees for director recommended for election by the stockholders at the 2006 Annual Meeting are current members of the Board. Based on the Nominating Committee's evaluation of each nominee's satisfaction of the qualifications described above and their performance as directors in 2005, the Nominating Committee determined to recommend the two directors for re-election. No other person or entity has recommended the current nominations for re-election. The Nominating Committee has not received any nominations from stockholders for the 2006 Annual Meeting.

Corporate Governance Policies

We have adopted the Neenah Paper, Inc. Corporate Governance Policies (the “Corporate Governance Policies”) that guide the company and the Board on matters of corporate governance, including director responsibilities, Board committees and their charters, director independence, director qualifications, director evaluations, director orientation and education, director access to management, Board access to independent advisors, and management development and succession planning. A copy the Corporate Governance Policies are available on our website at www.neenah.com. We will provide a copy of the Corporate Governance Policies to stockholders upon request at no charge.

Code of Business Conduct and Ethics

We have adopted the Neenah Paper, Inc. Code of Business Conduct and Ethics, which applies to all of our directors, officers and employees. The Code of Business Conduct and Ethics meets the requirements of a “code of ethics” as defined by Item 406 of Regulation S-K, and applies to our Chief Executive Officer, Chief Financial Officer (who is both our principal financial and principal accounting officer), as well as all other employees, as indicated above. The Code of Business Conduct and Ethics also meets the requirements of a code of conduct under NYSE listing standards. The Code of Business Conduct and Ethics is available on our website at www.neenah.com. We will provide a copy of the Code of Business Conduct and Ethics to stockholders upon request at no charge.

Communications with the Board of Directors

We have established a process for stockholders to communicate with members of the Board, including non-management members of the Board. If you have any concern, question or complaint regarding any accounting, auditing or internal controls matter, or any issue with regard to our Code of Business Conduct and Ethics or other matters that you wish to communicate to our Board or non-management directors, send these matters in writing to c/o General Counsel, Neenah Paper, Inc., 3460 Preston Ridge Road, Preston Ridge III, Suite 600, Alpharetta, Georgia 30005. Information about our Board communications policy and procedures for processing Board communications can be found on our website at www.neenah.com under the link “Investor Relations—Corporate Governance—Board of Directors—Board Communications Policy.”

DIRECTOR COMPENSATION

Each of our directors who is not an employee receives an annual cash retainer fee of \$36,000 and is paid \$1,000 for each Board and committee meeting attended. The chairperson of the Audit Committee is paid an additional \$5,000 in cash per year and directors chairing other committees are paid an additional \$3,000 in cash per year. In addition to the cash compensation, to ensure that our directors will have an equity ownership interest aligned with our stockholders, we plan to make annual awards of nonqualified stock options, restricted shares and/or restricted stock units of our common stock under the Omnibus Plan to each nonemployee director. On June 21, 2005, each nonemployee director was granted 1,875 nonqualified stock options at a per share exercise price of \$33.32 (which was the fair market value of our common stock on that date) and 585 restricted stock units. These stock options and restricted stock units will become fully exercisable and/or vested, as applicable, on the first anniversary of the date of grant. Employee directors will receive no additional compensation and no prerequisites for serving on our Board.

- (1) For 2004 amounts reported as salary and bonus for all named executive officers are for the one month of operation as a separate entity. The salary and bonus amounts for Ms. Lind and Messrs. Heinrichs, O'Connor and Piedmonte did not exceed \$100,000, due to the fact that we only operated as a separate entity for one month of the 2004 fiscal year.
- (2) 2005 restricted stock unit awards were granted as performance share units pursuant to the Omnibus Plan. All performance share unit awards were valued at the closing price of our common stock on the date earned, which is the same as the grant date. The performance share unit awards were earned on December 31, 2005, when the closing price of our common stock was \$28.00. The performance share units will vest in full on December 31, 2007 and thereafter are subject to a mandatory two year holding period. See the Compensation Committee Report on Executive Compensation below for more details. As of December 31, 2005, the number and value of shares of restricted stock, restricted stock units and performance share units held by the named executive officers are: Mr. Erwin, 24,237 shares, \$678,636; Mr. Heinrichs, 2,510 shares, \$70,280; Ms. Lind, 7,849 shares, \$219,772; Mr. O'Connor, 5,253 shares, \$147,084; and Mr. Piedmonte, 2,380 shares, \$66,640. 2004 restricted stock unit awards were granted pursuant to the Omnibus Plan. - (1) Amounts represent hypothetical gains assuming exercise at the end of the option term and assuming annual rates of stock price appreciation of 5% and 10%, compounded annually from the date the respective options were granted to their expiration date. The 5% and 10% assumed rates of appreciation are mandated by the rules of the SEC. These assumptions are not intended to forecast future appreciation, if any, of our stock price. The potential realizable value computation does not take into account federal or state income tax consequences of option exercises or sales of appreciated stock. The actual gains, if any, on the stock option exercises will depend on the future performance of our common stock, the optionee's continued employment through applicable exercisability periods, the dates on which the options are exercised and the dates on which the underlying shares are sold. The closing price of our common stock on March 20, 2006, the record date, was \$32.77 per share.
- (2) These options were granted on February 21, 2005, and vest as follows: 33.34% on February 21, 2006 and 33.33% on both February 21, 2007 and February 21, 2008.
- (3) These options were granted on August 22, 2005, and vest as follows: 33.34% on August 22, 2006 and 33.33% on both August 22, 2007 and August 22, 2008.

Option Exercises

The following table sets forth option exercises by the named executive officers during the fiscal year ended December 31, 2005, including the aggregate value of gains on the date of exercise. The table also sets forth (i) the number of shares covered by options (both exercisable and unexercisable) as of December 31, 2005 and (ii) the respective value for “in-the-money” options, which represents the positive spread between the exercise price of existing options and the fair market value of our common stock at the close of business on December 31, 2005, which was \$28.00.

Plan compensation considered in calculating benefits under the defined benefit plans includes all compensation except payments in lieu of vacation, severance, noncash compensation, service or suggestion awards, and any other special or unusual compensation.

The amounts set forth in the table above are subject to offset for social security benefits. The estimated years of benefit service as of normal retirement at age 65 for our named executive officers are: 38.1 years for Mr. Erwin, 41.9 years for Ms. Lind, 37.3 years for Mr. O'Connor, and 43.4 years for Mr. Piedmonte. Mr. Heinrichs was not eligible to participate in our defined benefit pension plan, or the Neenah Paper Pension Plan; however, he does participate in our Retirement Contribution Plan, a defined contribution plan. Under the defined benefit pension plan, an employee is entitled to receive an annual benefit based on the number of his completed years of benefit service and the average of his earnings over the highest five years, as offset by social security benefits. Benefits under the Neenah Paper Pension Plan will be limited to the extent required by the Code, with any excess benefits over those limitations being paid under the Neenah Paper Supplemental Pension Plan (as described below).

Retirement benefits for participants who have at least five years of vesting service may begin on a reduced basis at age 55, or on an unreduced basis at normal retirement age. Unreduced benefits also are available for participants with 10 years of vesting service at age 62 or as early as age 60 with 30 years of vesting service. The normal form of benefit is a single-life annuity, payable monthly. Benefits will be actuarially adjusted if the employee receives payment in the form of a joint and survivor annuity or any of other optional forms of benefit available under the Neenah Paper Pension Plan.

Mr. Heinrichs participates in our Retirement Contribution Plan, a defined contribution money purchase pension plan. Under the Retirement Contribution Plan, we provide monthly contributions to an account pursuant to a schedule based on the participant's age and eligible earnings. Contributions are based on a percentage of the employee's compensation and are invested in certain designated investment options as elected by the participant. Distributions of the participant's account balance are only available after termination of employment. Contributions under this plan will be limited to the extent required by the Code, with any excess benefits over those limitations being paid under the Neenah Paper Supplemental Retirement Contribution Plan (as described below). As of normal retirement age, assuming a return rate of five percent (5%) on investments and a three percent (3%) average annual increase in salary, Mr. Heinrichs will have a total of approximately \$1,300,000 available, on a combined basis, in the Retirement Contribution Plan and the Neenah Paper Supplemental Retirement Contribution Plan.

Supplemental Retirement Plans

The Neenah Paper Supplemental Pension Plan and the Neenah Paper Supplemental Retirement Contribution Plan provide participants with a benefit equal to the difference between (i) the benefit payable to a participant under our tax-qualified Pension Plan and/or our Retirement Contribution Plan, as applicable, and (ii) the benefit that would be payable to a participant under such plans, calculated without regard to the annual benefit and compensation limitations imposed by the Code. The supplemental retirement plans are currently unfunded and all benefits under those plans would be payable from our general assets. In the event of a change of control, each participant would receive the present value of his or her accrued benefits or account balance in the supplemental retirement plans in a lump sum. Each of the named executive officers participates in only one supplemental retirement plan.

Executive Severance Plan

The Neenah Paper Executive Severance Plan (the "Executive Severance Plan") covers designated officers, including all of our named executive officers, and provides certain severance benefits upon termination of employment following a change in control of Neenah. Upon termination of the officer's employment by Neenah without "cause" or by the officer for "good reason" (as defined in the Executive Severance Plan) within the two-year period following a change in control or a termination by us without "cause" during the one-year period preceding such a change of control, the officer will be entitled to a lump-sum cash payment equal to the sum of: (i) two times the sum of his annual base salary and targeted annual bonus; (ii) any qualified retirement plan benefits forfeited as a result of such termination, (iii) the amount of retirement benefits such officer would have received under the qualified and supplemental retirement plans but for his or her termination for the two-year period following his or her termination; (iv) the cost of medical and dental COBRA premiums for a period of two years; and (v) a cash settlement of any accrued retiree medical credits. In addition, the officer will be eligible to receive outplacement services for a period of two years (up to a maximum cost to us of \$50,000). Payment of the benefits under the Executive Severance Plan is subject to the applicable executive executing an agreement that includes restrictive covenants and a general release of claims against us. The Executive Severance Plan has been designed to limit exposure for any "parachute" excise taxes; but if such excise taxes apply, we will reimburse the officer on an after-tax basis for any excise taxes incurred by that executive due to payments under the Executive Severance Plan.

Severance Pay Plan

The Neenah Paper Severance Pay Plan (the "Severance Pay Plan") provides regular and change in control severance to salaried employees of our U.S. companies. Participation in the Severance Pay Plan is conditioned upon each participant's execution of a noncompete agreement. In the event of a qualifying termination, the Severance Pay Plan generally provides officers (including named executive officers) severance equal to one year of base salary. Other eligible employees generally receive severance equal to one week's pay for each year of employment with a minimum of six weeks pay (provided they are eligible for at least one week of severance pay) and a maximum of 26 weeks pay. In the event of a qualifying termination within two years following a change in control of Neenah, the severance pay plan generally provides (i) officers (other than officers covered by the Executive Severance Plan discussed above) with a lump sum severance payment equal to two years of base salary, (ii) director-level employees with one year of base salary, and (iii) other eligible employees with one week's pay for each year of employment with a minimum of six weeks of pay and a maximum of 26 weeks of pay. Payment of severance under the Severance Pay Plan is subject to the employee executing a severance agreement that includes restrictive covenants and a general release of claims against us.

Omnibus Stock and Incentive Compensation Plan

The Omnibus Plan was approved by Neenah's sole stockholder, Kimberly-Clark, on August 31, 2004. The purpose of the Omnibus Plan is to encourage ownership in our common stock by those employees, directors and others who have contributed, or are determined to be in a position to contribute, materially to our success, thereby increasing their interest in our long-term success. Grants and awards under the plan may be made to our employees, directors, employees of our affiliated companies, consultants, agents, advisors or independent contractors who perform services for us or our affiliates.

We have reserved 3,500,000 shares of our common stock for issuance under the Omnibus Plan. The number of shares available for issuance under the Omnibus Plan may be adjusted in the event of any corporate reorganization or transaction. In addition, any outstanding awards would be adjusted to reflect any changes in number of shares or exercise price subject to the awards, upon such a corporate event or upon any unusual or nonrecurring event that affects our stock, if appropriate to prevent unintended dilution or enlargement of awards.

The Omnibus Plan is administered by the Compensation Committee, which consists entirely of independent directors. The Compensation Committee may, from time to time, select participants, determine the extent of awards under the plan and make all other necessary decisions and interpretations under the plan. Under the Omnibus Plan, the Compensation Committee, in its discretion, may grant awards of various types of equity-based compensation, including incentive and nonqualified stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, and performance units, in addition to certain cash-based awards. Options granted pursuant to the Omnibus Plan have a maximum 10 year exercise term from the grant date. Grants and awards under the Omnibus Plan are made at fair market value and no grant or award may be re-priced after its grant. The terms and conditions of each grant or award are determined by the Compensation Committee at the time of grant and are documented in an award agreement with the participant.

The Omnibus Plan is designed to allow certain awards to meet the requirements for exemptions under Section 16 of the Exchange Act and the tax deductibility requirements for performance-based compensation under Code Section 162(m). The Omnibus Plan specifies that the Compensation Committee may design performance-based grants and awards using performance measures for exercisability, vesting or payment subject to the deduction limits of Code Section 162(m) for our Chief Executive Officer and four other most highly compensated officers based on the following: (i) net earnings or net income (before or after taxes); (ii) earnings per share; (iii) net sales or revenue growth; (iv) gross or net operating profit; (v) return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales or revenue); (vi) cash flow (including, but not limited to, operating cash flow, free cash flow, and cash flow return on capital); (vii) earnings before or after taxes, interest, depreciation and/or amortization; (viii) gross or operating margins; (ix) productivity ratios; (x) share price (including, but not limited to, growth measures and total shareholder return); (xi) expense targets; (xii) margins; (xiii) operating efficiency; (xiv) customer satisfaction; (xv) working capital targets; (xvi) economic value added; (xvii) volume; (xviii) capital expenditures; (xix) market share; (xx) costs; (xxi) regulatory ratings; (xxii) asset quality; (xxiii) net worth; and (xxiv) safety. Performance measures may be used to measure the performance of our company, our affiliates and/or subsidiaries or any combination thereof, and may be compared to the performance of a group of comparable companies or an index, all as determined by the Compensation Committee.

Subject to the limit of available shares the following are the annual limits in any one year to any one participant in the Omnibus Plan:

Options:	200,000
Stock Appreciation Rights:	300,000
Restricted Stock Units:	200,000
Performance Shares or Performance Share Units:	200,000
Cash Based Awards:	\$5,000,000
Other Stock Based Awards:	200,000
162(m) Employee Award Incentive Award:	Established by the Compensation Committee based on a percentage of an incentive pool equal to the greater of: (i) 20% of Neenah's consolidated operating-earnings for the plan year or (ii) 20% of Neenah's operating cash flow for the plan year. In no event may the incentive pool percentage for any 162(m) Employee exceed 40% of the total pool.

The Compensation Committee may provide in an award that any evaluation of performance may include or exclude any of the following events: asset write-downs; litigation or claim judgments or settlements; the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results; any reorganization or restructuring programs; extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or management's discussion and analysis of financial condition and results of operations appearing in our annual report to shareholders for the applicable year; acquisitions or divestitures; and foreign exchange gains and losses. The Compensation Committee may adjust awards that are intended to be performance-based compensation downward in its discretion, but may not adjust them upward.

Upon a change in control of our company, unless otherwise determined by the Compensation Committee and reflected in a specific award agreement, all outstanding options and stock appreciation rights granted under the Omnibus Plan will become fully exercisable and all other outstanding awards that vest based on service will become fully vested and free of restrictions. Any outstanding awards based on performance, such as performance-based restricted stock, performance-based restricted stock units, performance units, performance shares and performance-based cash-based awards, will be deemed fully vested at target level upon a change in control.

Notwithstanding the above, if a replacement award is provided to the participant following the change in control, the treatment of outstanding awards under the Omnibus Plan will be determined by the Compensation Committee. Upon termination of employment by us without cause, termination by the employee with good reason, or termination of service of a director within two years following a change in control of Neenah, (i) all replacement awards held by that individual will become fully exercisable, vested and free of restrictions, and (ii) outstanding options and stock appreciation rights that are replacement awards or that were held by that individual as of the date of the change in control will remain exercisable

for at least one year following termination of employment or service (but not to exceed the maximum term of the award).

Tax Consequences of Omnibus Plan

The following discussion outlines generally the federal income tax consequences of participation in the Omnibus Plan, and is not intended to be a complete description of all of the possible tax consequences arising out of the Omnibus Plan. The federal income tax law and regulations are frequently amended, and individual circumstances may vary these results. The information below is not intended to be used, and cannot be used, to avoid penalties imposed under the Code. ALL PARTICIPANTS SHOULD CONSULT THEIR OWN TAX COUNSEL FOR ADVICE REGARDING THE SPECIFIC TAX CONSEQUENCES APPLICABLE TO THEM UNDER THE OMNIBUS PLAN, INCLUDING FEDERAL, STATE AND LOCAL TAX LAWS.

Incentive Stock Options. A participant will not recognize income and will not be taxed upon the grant of an incentive stock option or upon the exercise of all or a portion of the option. Instead, the participant will be taxed at the time the participant sells the common stock purchased pursuant to the option. The participant will be taxed on the difference between the price he or she paid for the stock and the amount for which he or she sells the stock. If the participant does not sell the stock prior to two years from the date of grant of the option and one year from the date the stock is transferred to him or her, the participant will be entitled to capital gain or loss treatment based upon the difference between the amount realized on the disposition and the aggregate exercise price and Neenah will not get a corresponding deduction. If the participant sells the stock at a gain prior to that time, the difference between the amount the participant paid for the stock and the lesser of the fair market value on the date of exercise or the amount for which the stock is sold, will be taxed as ordinary income and Neenah will be entitled to a corresponding deduction; if the stock is sold for an amount in excess of the fair market value on the date of exercise, the excess amount is taxed as capital gain. If the participant sells the stock for less than the amount he or she paid for the stock prior to the one- or two-year periods indicated, no amount will be taxed as ordinary income and the loss will be taxed as a capital loss.

Exercise of an incentive stock option may subject a participant to, or increase a participant's liability for, the alternative minimum tax.

Nonqualified Stock Options. A participant will not recognize income upon the grant of an option or at any time prior to the exercise of the option or a portion thereof. At the time the participant exercises a nonqualified option or portion thereof, he or she will recognize compensation taxable as ordinary income in an amount equal to the excess of the fair market value of Neenah common stock on the date the option is exercised over the price paid for such common stock, and Neenah will then be entitled to a corresponding deduction. Such fair market value generally will be determined on the date the shares of common stock are transferred pursuant to the exercise. However, if the participant is subject to Section 16(b) of the Securities Exchange Act of 1934, the date on which the fair market value of the shares transferred will be determined is delayed until the earlier of the last day of the six-month period beginning on the date the "property" is "purchased," or the first day on which a sale of the "property purchased" will not subject the option holder to suit under Section 16(b) of the Exchange Act. Alternatively, if the participant is subject to Section 16(b) of the Exchange Act and makes a timely election under Section 83(b) of the Code, such fair market value will be determined on the date the shares are transferred pursuant to the exercise without regard to the effect of Section 16(b) of the Exchange Act. The participant will recognize ordinary income in the year in which the fair market value of the shares transferred is determined. Neenah generally will be entitled to a deduction equal to the amount of ordinary income recognized by the participant when such ordinary income is recognized by the participant.

Depending upon the length of the period shares of our common stock are held after exercise, the sale or other taxable disposition of shares acquired through the exercise of a nonqualified option generally will

result in a short- or long-term capital gain or loss equal to the difference between the amount realized on such disposition and the fair market value of such shares when the nonqualified option was exercised.

Special rules apply to a participant who exercises a nonqualified option by paying the exercise price, in whole or in part, by the transfer of shares of common stock to Neenah.

Stock Awards. A participant will not be taxed upon the grant of a stock award if such award is not transferable by the participant or is subject to a "substantial risk of forfeiture," as defined in the Code. However, when the shares of common stock that are subject to the stock award are transferable by the participant and are no longer subject to a substantial risk of forfeiture, the participant will recognize compensation taxable as ordinary income in an amount equal to the fair market value of the stock subject to the stock award, less any amount paid for such stock, and Neenah will then be entitled to a corresponding deduction. If a participant timely makes an election under Section 83(b) of the Code at the time of receipt of a stock award, the participant may include the fair market value of the stock subject to the stock award, less any amount paid for such stock, in income at that time and Neenah also will be entitled to a corresponding deduction at that time. No loss may be claimed for taxes paid on shares of common stock that are subsequently forfeited.

Other Stock Incentives. A participant will not recognize any income and is not otherwise taxed upon the grant of a stock appreciation right, a dividend equivalent right, a performance share award, a performance unit award, a restricted stock unit, or any other stock-based award contemplated by the Omnibus Plan (the "Equity Incentives"). Generally, at the time a participant receives payment under any Equity Incentive, the participant recognizes compensation taxable as ordinary income in an amount equal to the cash or the fair market value of the common stock received, and Neenah then is entitled to a corresponding deduction.

Cash-Based Awards. Generally, at the time a participant receives payment of a cash-based award or annual incentive award, the participant recognizes compensation taxable as ordinary income in the amount equal to the cash received, and Neenah then is entitled to a corresponding deduction.

Deferred Awards. The Compensation Committee may permit or require a participant to defer his or her receipt of payment of cash or delivery of shares of Neenah common stock that would otherwise be due to such participant by virtue of the exercise of an option or stock appreciation right, the lapse or waiver of restrictions with respect to restricted stock or restricted stock units, or the satisfaction of any requirements or performance goals with respect to performance shares, performance units, covered employee annual incentive awards, other stock-based awards or cash-based awards. Neenah believes that a participant should not be taxed on any deferred award until such date as the payment, shares and/or dividends attributable to the deferred award are payable to the participant. At that time, the participant should recognize compensation taxable as ordinary income in an amount equal to the then fair market value attributable to the deferred award, and Neenah should then be entitled to a corresponding deduction. While the company believes the above to be the proper income tax treatment, it cannot guarantee that the Internal Revenue Service would not attempt to tax the value of the deferred award at an earlier date.

Tax Withholding. To the extent necessary, all payments pursuant to the Omnibus Plan are subject to income tax withholding.

ERISA. The Omnibus Plan is not, and is not intended to be, an employee benefit plan or qualified retirement plan. The Omnibus Plan is not, therefore, subject to the Employee Retirement Income Security Act of 1974, as amended, or Section 401(a) of the Code.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This report of the Compensation Committee of the Board of Directors on Executive Compensation discusses the methods that were used to determine executive compensation for the fiscal year ended December 31, 2005. The report specifically reviews the methods employed in setting the compensation of our Chairman of the Board, President and Chief Executive Officer (the "Chief Executive Officer") and generally with respect to all executive officers.

Philosophy

Our compensation policies are designed to accomplish the following key objectives:

- (1) reward executives for long-term strategic management and enhancement of stockholder value;
- (2) support a performance-oriented environment that rewards achievement of internal goals and recognizes our performance compared to the performance of peer companies; and
- (3) attract and retain leaders whose abilities are considered essential to the long-term success and competitiveness of the company.

The primary components of our executive compensation are: base salaries; annual cash bonuses for achieving performance goals; and long-term equity-based incentives that may require performance goal achievement as well as continued employment.

Base Salary

Individual base salaries of our named executive officers are set at a level close to median of similar positions at the peer companies. The Compensation Committee reviews and approves base salary increases for the named executive officers on an annual basis.

Annual Performance Bonuses

Annual incentives are based on performance against Neenah's goals that are established at the beginning of the year. For 2005, the Compensation Committee approved a new Management Incentive Plan ("MIP"). MIP bonuses are paid as a percentage of base salary with a target bonus ranging from 45% to 75% of base salary for named executive officers. The amount of the actual bonus awards may be adjusted up or down based on year-end performance results and the actual MIP bonuses can range from zero, or no payout, to 220% of target if results substantially exceed performance goals, which for 2005 were focused on earnings, paper revenues, pulp volumes, cost savings and corporate safety.

For 2006, the performance goals will focus on the accomplishment of strategic objectives of revenue growth and financial returns, with specific targets set for paper earnings, pulp costs, free cash flow and corporate safety.

Long-Term Equity Compensation

In 2005, we granted a combination of stock options and performance share units, each representing approximately 50% of the participant's 2005 long-term incentive compensation award. The options were granted on two different dates, one grant in February and the second grant in August. The Compensation Committee also approved in February 2005 a target number of performance share units for each participant. The number of units actually earned by each participant were dependent upon our corporate performance in 2005, specifically our return on invested capital and the revenue growth of our three business units, with pulp price being neutral. Based on 2005 results, the number of performance share units earned was adjusted downward to 30% of target. The performance share units earned will vest 100% on December 31, 2007, assuming continued employment, and then will be subject to a mandatory two-year holding period.

For 2006, we will again grant stock options in February and August and establish a target number of performance share units. The amount of performance share units earned on December 31, 2006 will range from 30% to 225% of the target number, will be based on revenue growth and returns on invested capital in 2006 and will then be subject to a 2-year vesting period followed by a mandatory 2-year holding period.

Stock Ownership Guidelines

In keeping with the principles outlined earlier in this report, we believe that the interests of executives and stockholders will be more closely aligned if executives own meaningful amounts of our common stock. Accordingly, the Compensation Committee adopted stock ownership guidelines regarding the amount of stock executive officers should own. Under the guidelines, officers subject to the ownership guidelines are expected, over time, to acquire Neenah common stock worth up to three times base salary, based on their level of responsibility. The required time period for reaching the guidelines is five years. The Compensation Committee periodically reviews share ownership levels of those officers subject to the guidelines. If the guidelines are not met, future stock grants may be reduced in size.

Other Benefits

In order to remain competitive in the general marketplace, we offer our named executive officers certain other benefits, including qualified retirement plans, medical and dental insurance, life insurance, disability insurance, paid time off, and paid holidays. These benefits are offered to all other salaried employees in the United States. Highly compensated employees, including the executive officers, are eligible for participation in one of the supplemental retirement plans.

In addition to these benefits, we also offer the named executive officers reimbursements for financial and estate planning, tax preparation services and reimbursement for one annual health physical. The reimbursements for these services are not grossed up for taxes.

Compensation of the Chief Executive Officer

Mr. Erwin's 2005 annual compensation was \$590,000. This is below the median for Chief Executive Officers of peer companies using statistical regression based on company revenues. Mr. Erwin's 2005 cash bonus target award was established at 75% of base salary and, as a result of company performance in 2005, Mr. Erwin received 70% of his targeted bonus or \$313,585. The bonus amount paid to Mr. Erwin for 2005 recognized significant cost savings across the company and improved safety performance in 2005 versus the previous year.

Mr. Erwin received stock option grants of 17,300 shares on both February 21, 2005 and August 22, 2005. Mr. Erwin had a target number of performance shares of 10,800. Because both sales growth and returns on invested capital were below budgeted levels, the number of performance shares earned was reduced to 30% of target, yielding a grant of 3,240 performance share units on December 31, 2005. We believe these equity grants are consistent with our philosophy of aligning the interests of Mr. Erwin with those of our stockholders.

The Compensation Committee of the Board of Directors is composed entirely of independent directors. The Board designates the members and the chairman of the committee.

Limitations on the Deductibility of Executive Compensation

Section 162(m) of the Code limits our tax deduction for compensation over \$1,000,000 paid to each of the Chief Executive Officer and to the four other most highly compensated executive officers. Compensation that meets the requirements for qualified performance-based compensation or certain other exceptions under the Code is not included in this limit. Our executive compensation for 2005 did not exceed the deductible limit. Generally, the Compensation Committee desires to maintain the tax deductibility of compensation for executive officers to the extent it is feasible and consistent with the objectives of our compensation programs. However, the Compensation Committee retains the discretion to determine whether the interests of Neenah and its stockholders may be served by providing compensation that is not deductible in order to compensate executive officers in a manner commensurate with performance and the competitive environment for executive talent.

STOCK PERFORMANCE GRAPH

Our common stock began trading on the New York Stock Exchange on December 1, 2004. The price information reflected for our common stock in the following performance graph and accompanying table represents the closing sales prices of the common stock for the period from December 1, 2004 through December 31, 2005. The graph and the accompanying table compare the cumulative total stockholders' return on our common stock with the cumulative total return of the Russell 2000 Index, the Dow Jones US Forestry & Paper Index and the Dow Jones US Paper Index. The calculations in the following graph and table assume that \$100 was invested on December 1, 2004 in each of our common stock, the Russell 2000 Index, the Dow Jones US Forestry & Paper Index and the Dow Jones US Paper Index and the graph also assumes dividend reinvestment. The closing sale price of our common stock on the New York Stock Exchange was \$32.77 per share on March 20, 2006.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, and regulations of the SEC thereunder require our directors, officers and persons who own more than 10% of our common stock, as well as certain affiliates of such persons, to file initial reports of their ownership of our common stock and subsequent reports of changes in such ownership with the SEC. Directors, officers and persons owning more than 10% of our common stock are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such reports received by us and on information provided by the reporting persons, we believe that during the fiscal year ended December 31, 2005, our directors, officers and owners of more than 10% of our common stock complied with all applicable filing requirements. Mr. McGovern joined the Board on January 10, 2006 and his initial report under Section 16(a) was reported late on a Form 3 on February 8, 2006.

AUDIT COMMITTEE REPORT

The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to the accuracy and integrity of Neenah's financial reporting. On November 30, 2004, our Board of Directors adopted an Audit Committee Charter, which sets forth the responsibilities of the Audit Committee. A copy of the Audit Committee Charter is available on our website at www.neenah.com.

The Audit Committee held seven meetings during the fiscal year ended December 31, 2005. The Audit Committee reviewed and discussed with management and Deloitte & Touche LLP our audited financial statements for the fiscal year ended December 31, 2005. The Audit Committee also discussed with Deloitte & Touche LLP the matters required under Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU § 380).

The Audit Committee also received the written disclosures and the letter from Deloitte & Touche LLP that are required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Deloitte & Touche LLP its independence. The Audit Committee reviewed the audit and non-audit services provided by Deloitte & Touche LLP for the fiscal year ended December 31, 2005 and determined to engage Deloitte & Touche LLP as the independent registered public accounting firm of Neenah for the fiscal year ending December 31, 2006.

Based upon the Audit Committee's review of the audited financial statements and the discussions noted above, the Audit Committee recommended that the Board of Directors include the audited financial statements in our Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the SEC.

MATTERS TO BE VOTED ON

PROPOSAL 1— ELECTION OF DIRECTORS

Nominees

The Board of Directors currently consists of seven members. The Board has nominated Mary Ann Leeper and Stephen M. Wood for reelection as Class II directors at the 2006 Annual Meeting. Each of the nominees is currently a director of Neenah. If reelected as a Class II director at the Annual Meeting, each of the nominees would serve a three-year term expiring at the 2009 Annual Meeting of Stockholders and until his or her successor has been duly elected and qualified. There are no family relationships among the directors or the executive officers.

Each of the nominees has consented to serve another term as a director if re-elected. If any of the nominees should be unavailable to serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee or nominees (in which event the persons named on the enclosed proxy card will vote the shares represented by all valid proxy cards for the election of such substitute nominee or nominees), allow the vacancies to remain open until a suitable candidate or candidates are located, or by resolution provide for a lesser number of directors.

The Board of Directors unanimously recommends that the stockholders vote “FOR” the proposal to reelect Mary Ann Leeper and Stephen M. Wood as Class II directors for a three-year term expiring at the 2009 Annual Meeting of Stockholders and until their successors have been duly elected and qualified.

PROPOSAL 2— APPROVAL OF THE PERFORMANCE MEASURES UNDER THE NEENAH PAPER, INC. 2004 OMNIBUS STOCK AND INCENTIVE COMPENSATION PLAN

We are asking our stockholders to approve the performance measures for the Omnibus Plan as set forth below. Stockholder approval is necessary for us to meet the requirements for tax deductibility under Section 162(m) of the Code. Section 162(m) of the Code limits the annual federal tax deduction for compensation paid to our Chief Executive Officer and the other four most highly compensated executive officers (“162(m) Employees”) to \$1 million. Certain performance-based compensation paid to 162(m) Employees is excluded from this limitation. The Omnibus Plan is designed to comply with that exception.

Currently, regulations under the Code provide that our stockholders must approve the material terms of the performance measures specified in the Omnibus Plan every five years. Material terms of the performance measures in the Omnibus Plan include (i) individuals eligible to participate; (ii) objective performance measures; and (iii) annual award limits. Specific rules under the Code dictate that spin-off companies (we spun off from Kimberly-Clark Corporation on November 30, 2004) are required to obtain stockholder approval of these performance measures no later than the date that is 12 months after the first stockholder meeting of the company in order to retain the tax deductibility status for 162(m) Employees on an ongoing basis. As such, we are seeking stockholder approval to maintain compliance with Section 162(m), specifically we are seeking approval of certain of the material terms of the performance measures specified in the Omnibus Plan, including (i) individuals eligible to participate; (ii) objective performance measures; and (iii) annual award limits:

- **Eligibility.** Participation in the Omnibus Plan is limited to employees of Neenah, its affiliates and/or its subsidiaries, members of the Board of Directors of Neenah, and any consultant, agent, advisor, or independent contractor who renders services to Neenah, its affiliates and/or its subsidiaries that (a) are not in connection with the offer and sale of Neenah’s securities in a capital raising

transaction, and (b) do not directly or indirectly promote or maintain a market for Neenah’s securities.

- **Objective Performance Measures.** The performance measures for 162(m) Employees are based on the following: (i) net earnings or net income (before or after taxes); (ii) earnings per share; (iii) net sales or revenue growth; (iv) gross or net operating profit; (v) return measures (including, but not limited to, return on assets, capital, invested capital, equity, sales or revenue); (vi) cash flow (including, but not limited to, operating cash flow, free cash flow, and cash flow return on capital); (vii) earnings before or after taxes, interest, depreciation and/or amortization; (viii) gross or operating margins; (ix) productivity ratios; (x) share price (including, but not limited to, growth measures and total shareholder return); (xi) expense targets; (xii) margins; (xiii) operating efficiency; (xiv) customer satisfaction; (xv) working capital targets; (xvi) economic value added; (xvii) volume; (xviii) capital expenditures; (xix) market share; (xx) costs; (xxi) regulatory ratings; (xxii) asset quality; (xxiii) net worth; and (xxiv) safety. Performance measures may be used to measure the performance of our company, our affiliates and/or subsidiaries or any combination thereof, and may be compared to the performance of a group of comparator companies or an index, all as determined by the Compensation Committee.
- **Annual Award Limits.** Awards under the Omnibus Plan are limited per eligible individual on an annual basis. Subject to the limit of available shares under the Omnibus Plan, the following are the annual limits in any one year to any one participant in the Omnibus Plan:

Options:	200,000
Stock Appreciation Rights:	300,000
Restricted Stock Units:	200,000
Performance Shares or Performance Share Units:	200,000
Cash Based Awards:	\$5,000,000
Other Stock Based Awards:	200,000
162(m) Employee Award Incentive Award:	Established by Compensation Committee based on a percentage of an incentive pool equal to the greater of: (i) 20% of Neenah’s consolidated operating-earnings for the plan year or (ii) 20% of Neenah’s operating cash flow for the plan year. In no event may the incentive pool percentage for any 162(m) Employee exceed 40% of the total pool.

The Board of Directors unanimously recommends that the stockholders vote “FOR” the proposal to approve the material terms of the performance measures in the Omnibus Plan, including (i) individuals eligible to participate; (ii) objective performance measures; and (iii) annual award limits, all as set forth above.

**PROPOSAL 3—
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Audit Committee of our Board of Directors, in accordance with its charter and authority delegated to it by the Board, has appointed the firm of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2006, and the Board of Directors has directed that such appointment be submitted to our stockholders for ratification at the Annual Meeting. Deloitte & Touche LLP has served as our independent registered public accounting firm since our spin-off from Kimberly-Clark on November 30, 2004 and is considered by our Audit Committee to be well qualified. If the stockholders do not ratify the appointment of Deloitte & Touche LLP, the Audit Committee will reconsider the appointment.

The Plan was adopted by the Board of Directors on August 31, 2004 and approved by the Company’s sole shareholder on August 31, 2004. The Plan shall become effective December 1, 2004 (the “Effective Date”) and shall remain in effect as provided in Section 1.3 hereof.

1.2 Purpose of the Plan. The purpose of the Plan is to provide a means whereby Employees, Directors, and Third-Party Service Providers of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of the Plan is to provide a means through which the Company may attract able individuals to become Employees or serve as Directors or Third-Party Service Providers of the Company and to provide a means whereby those individuals upon whom the responsibilities of the successful administration and management of the Company are of importance, can acquire and maintain stock ownership, thereby strengthening their concern for the welfare of the Company.

1.3 Duration of the Plan. Unless sooner terminated as provided herein, the Plan shall terminate ten (10) years from the Effective Date. After the Plan is terminated, no Awards may be granted but Awards previously granted shall remain outstanding in accordance with their applicable terms and conditions and the Plan’s terms and conditions. Notwithstanding the foregoing, no Incentive Stock Options may be granted more than ten (10) years after the earlier of (a) adoption of the Plan by the Board, or (b) the Effective Date.

The Committee, in its sole discretion, may also make appropriate adjustments in the terms of any Awards under the Plan to reflect or related to such changes or distributions and to modify any other terms of outstanding Awards, including modifications of performance goals and changes in the length of Performance Periods. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under the Plan.

Subject to the provisions of Article 19, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance or assumption of benefits under this Plan in connection with any merger, consolidation, acquisition of property or stock, or reorganization upon such terms and conditions as it may deem appropriate, subject to compliance with the ISO rules under Section 422 of the Code, where applicable.

Article 5. Eligibility and Participation

5.1 Eligibility. Individuals eligible to participate in this Plan include all Employees, Directors, and Third-Party Service Providers.

5.2 Actual Participation. Subject to the provisions of the Plan, the Committee may, from time to time, select from all eligible individuals, those individuals to whom Awards shall be granted and shall determine, in its sole discretion, the nature of, any and all terms permissible by law, and the amount of each Award.

Article 6. Stock Options

6.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee, in its sole discretion; provided, that ISOs may be granted only to eligible Employees of the Company or of any parent or subsidiary corporation (as permitted by Section 422 of the Code and the treasury regulations thereunder).

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the maximum duration of the Option, the number of Shares to which the Option pertains, the conditions upon which an Option shall become vested and exercisable, and such other provisions as the Committee shall determine which are not inconsistent with the terms of the Plan. The Award Agreement also shall specify whether the Option is intended to be an ISO or a NQSO.

6.3 Option Price. The Option Price for each grant of an Option under this Plan shall be as determined by the Committee and shall be specified in the Award Agreement. The Option Price shall be: (i) based on one hundred percent (100%) of the FMV of the Shares on the date of grant, or (ii) set at a premium to the FMV of the Shares on the date of grant; provided, however, the Option Price on the date of grant must be at least equal to one hundred percent (100%) of the FMV of the Shares on the date of grant; provided however, the Option Price of a converted Kimberly-Clark option shall be determined in the sole discretion of the Committee.

6.4 Duration of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, no Option shall be exercisable later than the tenth (10th) anniversary date of its grant. Notwithstanding the foregoing, for Nonqualified Stock Options granted to Participants outside the United States, the Committee has the authority to grant Nonqualified Stock Options that have a term greater than ten (10) years.

6.5 Exercise of Options. Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which terms and restrictions need not be the same for each grant or for each Participant.

6.6 Payment. Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

A condition of the issuance of the Shares as to which an Option shall be exercised shall be the payment of the Option Price. The Option Price of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b) by tendering (either by actual delivery or attestation) previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the Option Price (provided that except as otherwise determined by the Committee, the Shares that are tendered must have been held by the Participant for at least six (6) months prior to their tender to satisfy the Option Price or have been purchased on the open market); (c) by a combination of (a) and (b); or (d) any other method approved or accepted by the Committee in its sole discretion, including, without limitation, if the Committee so determines, a cashless (broker-assisted) exercise.

Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment (including satisfaction of any applicable tax withholding), the Company shall deliver to the Participant evidence of book entry Shares, or upon the Participant's request, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars.

6.7 Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, minimum holding period requirements, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, or under any blue sky or state securities laws applicable to such Shares. Unless otherwise specified in the Participant's Award Agreement, such Shares acquired pursuant to the exercise of an Option shall not be subject to any transfer restriction.

6.8 Termination of Employment. Unless otherwise provided in a Participant's Award Agreement, the Options, which become exercisable as provided in Section 6.5 above, shall be treated as follows:

- (a) If a Participant's employment terminates during the Option Term by reason of death, the Options shall immediately vest and terminate and have no force or effect upon the earlier of: (i) thirty-six (36) months after the date of death; or (ii) the expiration of the Option Term.
- (b) If a Participant's employment terminates during the Option Term by reason of Disability, the Options shall immediately vest and terminate and have no force or effect upon the earlier of: (i) thirty-six (36) months after the Participant's termination of employment; or (ii) the expiration of the Option Term.
- (c) If a Participant's employment terminates during the Option Term by reason of Retirement, the Options shall immediately vest and terminate and have no force or effect upon the earlier of: (i) sixty (60) months after the Participant's termination of employment; or (ii) the expiration of the Option Term.
- (d) If a Participant's employment terminates during the Option Term due to dismissal by the Company for Cause, the Options terminate and have no force or effect upon the date of the Participant's termination.
- (e) If the Participant's employment terminates during the Option Term for any other reason, the Options terminate and have no force or effect upon the earlier of: (i) ninety (90) days after the Participant's termination of employment; or (ii) the expiration of the Option Term.
- (f) If the Participant continues employment with the Company through the Option Term, the Options terminate and have no force or effect upon the expiration of the Option Term.

6.9 Termination of Service for Directors or Third-Party Service Providers. Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's service with the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant who is a Director or Third-Party Service Provider, need not be uniform among all Options issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

6.10 Transferability of Options.

- (a) **Incentive Stock Options.** No ISO granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all ISOs granted to a Participant under this Article 6 shall be exercisable during his lifetime only by such Participant.
- (b) **Nonqualified Stock Options.** Except as otherwise provided in a Participant's Award Agreement or otherwise determined at any time by the Committee, no NQSO granted under this Article 6 may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution; provided, that the Committee may permit further transferability, on a general or a specific basis, and may impose conditions and limitations on any permitted transferability. Further, except as otherwise provided in a Participant's Award Agreement or otherwise determined at any time by the Committee, or unless the Committee decides to permit further transferability, all NQSOs granted to a Participant under this Article 6 shall be exercisable during his lifetime only by such Participant. With respect to those NQSOs, if any, that are permitted to be transferred to another individual, references in the Plan to exercise or payment of the Option Price by the Participant shall be deemed to include, as determined by the Committee, the Participant's permitted transferee.

6.11 Notification of Disqualifying Disposition. If any Participant shall make any disposition of Shares issued pursuant to the exercise of an ISO under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof.

6.12 Substituting SARs. Only in the event the Company is not accounting for equity compensation under APB Opinion No. 25, the Committee shall have the ability to substitute, without receiving Participant permission, SARs paid only in Shares (or SARs paid in Shares or cash at the Committee's discretion) for outstanding Options; provided, the terms of the substituted SARs are the same as the terms for the Options and the aggregate difference between the Fair Market Value of the underlying Shares and the Grant Price of the SARs is equivalent to the aggregate difference between the Fair Market Value of the underlying Shares and the Option Price of the Options. If, in the opinion of the Committee, this provision creates adverse accounting consequences for the Company, it shall be considered null and void.

Article 7. Stock Appreciation Rights

7.1 Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SARs.

Subject to the terms and conditions of the Plan, the Committee shall have complete discretion in determining the number of SARs granted to each Participant and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs.

The Grant Price for each grant of a Freestanding SAR shall be determined by the Committee and shall be specified in the Award Agreement. The Grant Price shall be: (i) based on one hundred percent (100%) of the FMV of the Shares on the date of grant, (ii) set at a premium to the FMV of the Shares on the date of grant, or (iii) indexed to the FMV of the Shares on the date of grant, with the index determined by the Committee, in its discretion; provided, however, the Grant Price on the date of grant must be at least equal to one hundred percent (100%) of the FMV of the Shares on the date of grant. The Grant Price of Tandem SARs shall be equal to the Option Price of the related Option.

7.2 SAR Agreement. Each SAR Award shall be evidenced by an Award Agreement that shall specify the Grant Price, the term of the SAR, and such other provisions as the Committee shall determine.

7.3 Term of SAR. The term of an SAR granted under the Plan shall be determined by the Committee, in its sole discretion, and except as determined otherwise by the Committee and specified in the SAR Award Agreement, no SAR shall be exercisable later than the tenth (10th) anniversary date of its grant. Notwithstanding the foregoing, for SARs granted to Participants outside the United States, the Committee has the authority to grant SARs that have a term greater than ten (10) years.

7.4 Exercise of Freestanding SARs. Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes.

7.5 Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (a) the Tandem SAR will expire no later than the expiration of the underlying ISO; (b) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the excess of the Fair Market Value of the Shares subject to the

underlying ISO at the time the Tandem SAR is exercised over the Option Price of the underlying ISO; and (c) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

7.6 Payment of SAR Amount. Upon the exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The excess of the Fair Market Value of a Share on the date of exercise over the Grant Price; by
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, Shares, or any combination thereof, or in any other manner approved by the Committee in its sole discretion. The Committee's determination regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to the grant of the SAR.

7.7 Termination of Employment. Unless otherwise provided in a Participant's Award Agreement, the SARs, which become exercisable as provided in Sections 7.4 and 7.5 above, shall be treated as follows:

- (a) If a Participant's employment terminates during the SARs term by reason of death, the SARs shall immediately vest and terminate and have no force or effect upon the earlier of: (i) twelve (12) months after the date of death; or (ii) the expiration of the SAR term.
- (b) If a Participant's employment terminates during the SARs term by reason of Disability, the SARs shall immediately vest and terminate and have no force or effect upon the earlier of: (i) thirty-six (36) months after the Participant's termination of employment; or (ii) the expiration of the SAR term.
- (c) If a Participant's employment terminates during the SARs term by reason of Retirement, the SARs shall immediately vest and terminate and have no force or effect upon the earlier of: (i) sixty (60) months after the Participant's termination of employment; or (ii) the expiration of the SAR term.
- (d) If a Participant's employment terminates during the SARs term due to dismissal by the Company for Cause, the SARs terminate and have no force or effect upon the date of the Participant's termination.
- (e) If the Participant's employment terminates during the SARs term for any other reason, the SARs terminate and have no force or effect upon the earlier of: (i) ninety (90) days after the Participant's termination of employment; or (ii) the expiration of the SAR term.
- (f) If the Participant continues employment with the Company through the SARs term, the SARs terminate and have no force or effect upon the expiration of the SAR term.

7.8 Termination of Service for Directors or Third-Party Service Providers. Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise an SAR following termination of the Participant's service with the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant who is a Director or Third-Party Service Provider, need not be uniform among all SARs issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

7.9 Nontransferability of SARs. Except as otherwise provided in a Participant's Award Agreement or otherwise determined at any time by the Committee, no SAR granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws

of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement or otherwise determined at any time by the Committee, all SARs granted to a Participant under the Plan shall be exercisable during his lifetime only by such Participant. With respect to those SARs, if any, that are permitted to be transferred to another individual, references in the Plan to exercise of the SAR by the Participant or payment of any amount to the Participant shall be deemed to include, as determined by the Committee, the Participant's permitted transferee.

7.10 Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Shares received upon exercise of an SAR granted pursuant to the Plan as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Participant hold the Shares received upon exercise of an SAR for a specified period of time.

Article 8. Restricted Stock and Restricted Stock Units

8.1 Grant of Restricted Stock or Restricted Stock Units. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Participants in such amounts as the Committee shall determine. Restricted Stock Units shall be similar to Restricted Stock except that no Shares are actually awarded to the Participant on the date of grant.

8.2 Restricted Stock or Restricted Stock Unit Agreement. Each Restricted Stock and/or Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock or the number of Restricted Stock Units granted, and such other provisions as the Committee shall determine.

8.3 Transferability. Except as provided in this Plan or an Award Agreement, the Shares of Restricted Stock and/or Restricted Stock Units granted herein may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction established by the Committee and specified in the Award Agreement (and in the case of Restricted Stock Units until the date of delivery or other payment), or upon earlier satisfaction of any other conditions, as specified by the Committee, in its sole discretion, and set forth in the Award Agreement or otherwise at any time by the Committee. All rights with respect to the Restricted Stock and/or Restricted Stock Units granted to a Participant under the Plan shall be available during his lifetime only to such Participant, except as otherwise provided in an Award Agreement or at any time by the Committee.

8.4 Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock or each Restricted Stock Unit, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, and/or restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed or traded, or holding requirements or sale restrictions placed on the Shares by the Company upon vesting of such Restricted Stock or Restricted Stock Units.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse (including satisfaction of any

applicable tax withholding obligations), and Restricted Stock Units shall be paid in cash, Shares, or a combination of cash and Shares as the Committee, in its sole discretion shall determine.

Any such restrictions shall be evidenced by a legend on the certificates (if such Shares are certificated) representing the Restricted Stock.

8.5 Certificate Legend. In addition to any legends placed on certificates pursuant to Section 8.4, each certificate representing Shares of Restricted Stock granted pursuant to the Plan may bear a legend such as the following or as otherwise determined by the Committee in its sole discretion:

The sale or transfer of Shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Neenah Paper, Inc. 2004 Omnibus Stock and Incentive Compensation Plan, and in the associated Award Agreement. A copy of the Plan and such Award Agreement may be obtained from Neenah Paper, Inc.

8.6 Voting Rights. Unless otherwise determined by the Committee and set forth in a Participant's Award Agreement, to the extent permitted or required by law, as determined by the Committee, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

8.7 Termination of Employment. Unless otherwise provided in a Participant's Award Agreement, upon termination of employment due to death, Disability, or Retirement, all restrictions on such Restricted Stock or Restricted Stock Units shall terminate. In the event a Participant's employment terminates for any other reason, including but not limited to, termination with or without Cause by the Company, its Affiliates, and/or its Subsidiaries, or voluntary termination by the Participant, all of the unvested Shares of Restricted Stock and Restricted Stock Units a Participant holds at the time of such termination shall be forfeited to the Company.

8.8 Termination of Service for Directors or Third-Party Service Providers. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Restricted Stock and /or Restricted Stock Units following termination of the Participant's service with the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant who is a Director or Third-Party Service Provider, need not be uniform among all Shares of Restricted Stock or Restricted Stock Units issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

8.9 Section 83(b) Election. The Committee may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Section 83(b) of the Code. If a Participant makes an election pursuant to Section 83(b) of the Code concerning a Restricted Stock Award, the Participant shall be required to file promptly a copy of such election with the Company.

Article 9. Performance Units/Performance Shares

9.2 Value of Performance Units/Performance Shares. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Committee shall set

performance goals in its discretion which, depending on the extent to which they are met, will determine the value and/or number of Performance Units/Performance Shares that will be paid out to the Participant.

9.3 Earning of Performance Units/Performance Shares. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/Performance Shares shall be entitled to receive payout on the value and number of Performance Units/Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

9.4 Form and Timing of Payment of Performance Units/Performance Shares. Payment of earned Performance Units/Performance Shares shall be as determined by the Committee and as evidenced in the Award Agreement. Subject to the terms of the Plan, the Committee, in its sole discretion, may pay earned Performance Units/Performance Shares in the form of cash or in Shares (or in a combination thereof) equal to the value of the earned Performance Units/Performance Shares at the close of the applicable Performance Period, or as soon as practicable after the end of the Performance Period. Any Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

9.5 Termination of Employment. Unless otherwise provided in a Participant's Award Agreement, upon termination of employment due to death, Disability, or Retirement, any Performance Units and/or Performance Shares shall become payable on a pro rata basis assuming the performance goals have been achieved at target. The proration shall be determined as a function of the length of time within the Performance Period that has elapsed prior to termination of employment. In the event a Participant's employment terminates for any other reason, including but not limited to, termination with or without Cause by the Company, its Affiliates, and/or its Subsidiaries, or voluntary termination by the Participant, any Performance Units and/or Performance Shares a Participant holds at the time of such termination shall be forfeited.

9.6 Termination of Service for Directors or Third-Party Service Providers. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Performance Units and /or Performance Shares following termination of the Participant's service with the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant who is a Director or Third-Party Service Provider, need not be uniform among all Awards of Performance Units or Performance Shares issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

9.7 Nontransferability. Except as otherwise provided in a Participant's Award Agreement or otherwise determined at any time by the Committee, Performance Units/Performance Shares may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement or otherwise determined at any time by the Committee, a Participant's rights under the Plan shall be exercisable during his lifetime only by such Participant.

Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Cash-Based Awards to Participants in such amounts and upon such terms, including the achievement of specific performance goals, as the Committee may determine.

10.2 Other Stock-Based Awards. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine. Such Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

10.3 Value of Cash-Based and Other Stock-Based Awards. Each Cash-Based Award shall specify a payment amount or payment range as determined by the Committee. Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee. The Committee may establish performance goals in its discretion. If the Committee exercises its discretion to establish performance goals, the number and/or value of Cash-Based Awards or Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance goals are met.

10.4 Payment of Cash-Based Awards and Other Stock-Based Awards. Payment, if any, with respect to a Cash-Based Award or an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or Shares as the Committee determines.

10.5 Termination of Employment. The Committee shall determine the extent to which the Participant shall have the right to receive Cash-Based Awards or Other Stock-Based Awards following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, such provisions may be included in an Award Agreement entered into with each Participant, but need not be uniform among all Awards of Cash-Based Awards or Other Stock-Based Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

10.7 Nontransferability. Except as otherwise determined by the Committee, neither Cash-Based Awards nor Other Stock-Based Awards may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided by the Committee, a Participant's rights under the Plan, if exercisable, shall be exercisable during his lifetime only by such Participant. With respect to those Cash-Based Awards or Other Stock-Based Awards, if any, that are permitted to be transferred to another individual, references in the Plan to exercise or payment of such Awards by or to the Participant shall be deemed to include, as determined by the Committee, the Participant's permitted transferee.

In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 11.1.

The Committee shall allocate an incentive pool percentage to each designated Covered Employee for each Plan Year. In no event may (1) the incentive pool percentage for any one Covered Employee exceed forty percent (40%) of the total pool, and (2) the sum of the incentive pool percentages for all Covered Employees cannot exceed one hundred percent (100%) of the total pool.

12.2 Determination of Covered Employees' Portions. As soon as possible after the determination of the incentive pool for a Plan Year, the Committee shall calculate each Covered Employee's allocated portion of the incentive pool based upon the percentage established at the beginning of the Plan Year. Each Covered Employee's incentive award then shall be determined by the Committee based on the Covered Employee's allocated portion of the incentive pool subject to adjustment in the sole discretion of the Committee. In no event may the portion of the incentive pool allocated to a Covered Employee be increased in any way, including as a result of the reduction of any other Covered Employee's allocated portion. The Committee shall retain the discretion to adjust such Awards downward.

Article 13. Nonemployee Director Awards

All Awards to Nonemployee Directors shall be determined by the Board or Committee. The terms and conditions of any grant to any such Nonemployee Director shall be set forth in an Award Agreement.

Article 14. Dividend Equivalents

Any Participant selected by the Committee may be granted dividend equivalents based on the dividends declared on Shares that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such dividend equivalents shall be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee. Unless otherwise specified in the Participant's Award Agreement, a

Participant shall not be entitled to receive dividend equivalents based on the dividends declared on the Shares that are subject to an Award.

Article 15. Beneficiary Designation

If the Committee so determines, each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, upon the Participant's death, benefits remaining unpaid or rights remaining unexercised, may be paid to or exercised by the Participant's executor or administrator.

Article 16. Deferrals

16.1 Deferrals. The Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant by virtue of the exercise of an Option or SAR, the lapse or waiver of restrictions with respect to Restricted Stock or Restricted Stock Units, or the satisfaction of any requirements or performance goals with respect to Performance Shares, Performance Units, Covered Employee Annual Incentive Awards, Other Stock-Based Awards, or Cash-Based Awards. If any such deferral election is required or permitted, the Committee may establish one or more programs to permit a Participant the opportunity to defer receipt of such consideration and, in its sole discretion, establish rules and procedures for such payment deferrals.

16.2 Awards Subject to Code Section 409A. The remaining provisions of this Article 16 shall apply to any Award granted under this Plan that is or becomes subject to Code Section 409A.

16.3 Deferral and/or Distribution Elections. The following rules shall apply to any deferral and/or distribution elections ("Elections") that may be permitted or required by the Committee to be made in regard to an award:

- (a) All Elections must be in writing and specify the amount of the Award being deferred, as well as the time and form of distribution as permitted by this Plan.
- (b) All Elections shall be made by the end of the Participant's taxable year prior to the year in which services commence for which an Award would otherwise be granted to the individual; provided, however, that if the Award qualifies as "performance-based compensation" for purposes of Code Section 409A, then the deferral election can be made no later than six (6) months prior to the end of the performance period.
- (c) Elections shall continue in effect until a written election to revoke or change such Election is received by the Company, except that a written election to revoke or change such Election must be made prior to the beginning of the calendar year for which such Election is to be effective.

16.4 Subsequent Elections. This Plan permits a subsequent election to delay the distribution or change the form of distribution of an Award; however, such subsequent election shall comply with the following requirements:

- (a) Such subsequent election may not take effect until at least twelve (12) months after the date on which the subsequent election is made;
- (b) In the case of a subsequent election related to a distribution of an award not described in Section 16.5(b), 16.5(c), or 16.5(f), such subsequent election must result in a delay of

distribution for a period of not less than five (5) years from the date such distribution would otherwise have been made; and

- (c) Any subsequent election related to a distribution pursuant to Section 6.4(d) shall not be made less than twelve (12) months prior to the date of the first scheduled payment under such distribution.

16.5 Distributions Pursuant to Elections. Any Award deferred under this Plan may not be distributed earlier than:

- (a) Separation from service (as determined by the Secretary of the United States Treasury);
- (b) The date the Participant becomes Disabled;
- (c) Death;
- (d) A specified time (or pursuant to a fixed schedule) specified in the deferral election as of the date of the deferral of such award;
- (e) To the extent provided by the Secretary of the United States Treasury, a Change in Control; or
- (f) The occurrence of an Unforeseeable Emergency.

Notwithstanding anything else herein to the contrary, to the extent that a Participant is a "Specified Employee" (as defined in Code Section 409A(a)(2)(B)(i)) of the Company, no distribution pursuant to Section 16.5(a) of any deferred amounts may be made before six (6) months after such Participant's date of separation from service, or, if earlier, the date of the Participant's death.

16.6 Unforeseeable Emergency. The Committee shall have the authority to alter the timing or manner of payment of deferred amounts in the event that a Participant establishes, to the satisfaction of the Committee, the occurrence of an Unforeseeable Emergency. In such event, the amount(s) distributed with respect to such Unforeseeable Emergency cannot exceed the amounts necessary to satisfy such Unforeseeable Emergency plus amounts necessary to pay taxes reasonably anticipated as a result of such distribution(s), after taking into account the extent to which such hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the Participant's assets (to the extent the liquidation of such assets would not itself cause severe financial hardship). Furthermore, to the extent the Committee agrees an Unforeseeable Emergency has occurred for a Participant, the Committee may, in its sole discretion:

- (a) Authorize the cessation of deferrals by such Participant under this Plan; or
- (b) Provide that, subject to the above requirements, all, or a portion, of any previous deferrals by the Participant shall immediately be paid in a lump-sum payment; or
- (c) Provide for such other payment schedule as deemed appropriate by the Committee under the circumstances.

The occurrence of an Unforeseeable Emergency shall be judged and determined by the Committee. The Committee's decision with respect to whether an Unforeseeable Emergency has occurred and the manner in which, if at all, the payment of deferrals to the Participant shall be altered or modified, shall be final, conclusive, and not subject to approval or appeal.

16.7 Disabled

- (a) A Participant may elect one or both of the following forms of distribution for his or her deferral(s) distributable by reason of the Participant becoming Disabled: (i) a single distribution, or (ii) a distribution in approximately equal annual installments over a period of

either five (5) or ten (10) years. The deferral(s) of a Participant who fails or refuses to elect a method of distribution upon becoming Disabled shall be paid in a single sum.

- (b) A distribution payable by reason of a Participant becoming Disabled shall be paid (in the case of a single distribution) or commence to be paid (in the case of annual installments) as soon as practicable following the date the Participant becomes Disabled.

16.8 Death. If a Participant dies before complete distribution of his or her deferral(s) under this Plan has occurred, the Participant's undistributed deferrals shall commence to be distributed to his or her beneficiary under the distribution method for death elected by the Participant as soon as administratively possible following receipt by the Committee of satisfactory notice and confirmation of the Participant's death. The deferral(s) of a Participant who fails or refuses to elect a method of distribution upon death shall be paid in a single distribution.

16.9 No Acceleration of Distributions. Notwithstanding anything to the contrary herein, this Plan does not permit the acceleration of the time or schedule of any distribution under this Plan, except as provided by Code Section 409A and/or the Secretary of the United States Treasury.

Article 17. Rights of Participants

17.1 Employment. Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Affiliates, and/or its Subsidiaries, to terminate any Participant's employment or service on the Board or to the Company at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment or service as a Director or Third-Party Service Provider for any specified period of time.

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Affiliates, and/or its Subsidiaries and, accordingly, subject to Articles 3 and 19, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Affiliates, and/or its Subsidiaries.

17.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

17.3 Rights as a Shareholder. Except as otherwise provided herein, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 18. Change in Control

18.1 Change in Control of the Company. Notwithstanding any other provision of this Plan to the contrary, the provisions of this Article 18 shall apply in the event of a Change in Control, unless otherwise determined by the Committee in connection with the grant of an Award as reflected in the applicable Award Agreement.

Upon a Change in Control, all then-outstanding Options and Stock Appreciation Rights shall become fully vested and exercisable, all other then-outstanding Awards that are Service Vesting Awards shall vest in full and be free of restrictions, and unless otherwise determined by the Committee and set forth in the Participant's Award Agreement, the target payout opportunities attainable under all outstanding Awards of performance-based Restricted Stock, performance-based Restricted Stock Units, Performance Units, Performance Shares, and performance-based Cash-Based Awards shall be deemed to have been fully earned and payable as of the effective date of the Change in Control; provided however to the extent that another Award meeting the requirements of Section 18.2 (a "Replacement Award") is provided to the Participant pursuant to Section 4.4 to replace such Award (the "Replaced

Award"). The treatment of any other outstanding Awards shall be as determined by the Committee in connection with the grant thereof, as reflected in the applicable Award Agreement.

18.2 Replacement Awards. An Award shall meet the conditions of this Section 18.2 (and hence qualify as a Replacement Award) if: (i) it has a value at least equal to the value of the Replaced Award, as determined by the Committee in its sole discretion; (ii) it relates to publicly traded equity securities of the Company or its successor in the Change in Control or another entity that is affiliated with the Company or its successor following the Change in Control; and (iii) its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent Change in Control). Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Replaced Award if the requirements of the preceding sentence are satisfied. The determination of whether the conditions of this Section 18.2 are satisfied shall be made by the Committee, as constituted immediately before the Change in Control, in its sole discretion.

18.3 Termination of Employment. Upon termination of employment without Cause by the Company, termination of employment with Good Reason by the Employee, or termination of directorship of a Director, occurring during the period of two (2) years after such Change in Control, (i) all Replacement Awards held by the Participant shall become fully vested, (if applicable) exercisable and free of restrictions, and (if applicable) fully earned and payable, and (ii) all Options and Stock Appreciation Rights held by the Participant immediately before the termination of employment or termination of directorship that the Participant held as of the date of the Change in Control or that constitute Replacement Awards shall remain exercisable for not less than one (1) year following such termination or until the expiration of the stated term of such Option or SAR, whichever period is shorter; provided, that if the applicable Award Agreement provides for a longer period of exercisability, that provision shall control.

Article 19. Amendment, Modification, Suspension, and Termination

19.1 Amendment, Modification, Suspension, and Termination. Subject to Section 19.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate the Plan and any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's shareholders and except as provided in Sections 4.4 and 6.11, Options or SARs issued under the Plan will not be repriced, replaced, or regranted through cancellation, or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, and no material amendment of the Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule.

19.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under the Plan.

19.3 Awards Previously Granted. Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, suspension, or modification of the Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant holding such Award.

Article 20. Withholding

20.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

20.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect, subject to the approval of the Committee and as permitted by the rules established by the Securities and Exchange Commission and/or the Code, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 21. Successors

All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 22. General Provisions

22.1 Forfeiture Events.

- (a) The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment or service for Cause, termination of the Participant's provision of services to the Company, its Affiliates, and/or its Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.
- (b) If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, if the Participant knowingly or grossly negligently engaged in the misconduct, or knowingly or grossly negligently failed to prevent the misconduct, or if the Participant is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, the Participant shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the twelve- (12-) month period following the first public issuance or filing with the United States Securities and Exchange Commission (whichever just occurred) of the financial document embodying such financial reporting requirement.

22.2 Legend. The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

22.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

22.4 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

22.5 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

22.6 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under the Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

22.7 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

22.8 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

22.9 Employees Based Outside of the United States. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and /or its Subsidiaries operate or have Employees, Directors, or Third-Party Service Providers, the Committee, in its sole discretion, shall have the power and authority to:

- (a) Determine which Affiliates and Subsidiaries shall be covered by the Plan;
- (b) Determine which Employees and/or Directors, or Third-Party Service Providers outside the United States are eligible to participate in the Plan;
- (c) Modify the terms and conditions of any Award granted to Employees and/or Directors or Third-Party Service Providers outside the United States to comply with applicable foreign laws;
- (d) Establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 22.9 by the Committee shall be attached to this Plan document as appendices; and
- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

22.10 Uncertificated Shares. To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be affected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

22.11 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, its Affiliates, and/or its Subsidiaries may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any individual acquires a right to receive payments from the Company, its Affiliates, and/or its Subsidiaries under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, its Affiliates, and/or its Subsidiaries, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, its Affiliates, and/or its Subsidiaries, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in the Plan.

22.12 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

22.13 Retirement and Welfare Plans. Neither Awards made under the Plan nor Shares or cash paid pursuant to such Awards, except pursuant to Covered Employee Annual Incentive Awards, may be included as "compensation" for purposes of computing the benefits payable to any Participant under the Company's, its Affiliates', and/or its Subsidiaries' retirement plans (both qualified and nonqualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

22.14 Nonexclusivity of the Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

22.15 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's, its Affiliates', and/or its Subsidiaries' right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or, (ii) limit the right or power of the Company, its Affiliates, and/or its Subsidiaries to take any action which such entity deems to be necessary or appropriate.

22.16 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the State of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction.

22.17 Indemnification. Subject to requirements of Delaware law, each individual who is or shall have been a member of the Board, or a committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with Article 3, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him in connection with or resulting from any claim, action, suit, or proceeding to which he may be a party or in which he may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him in settlement thereof, with the Company's approval, or paid by him in satisfaction of any judgment in any such action, suit, or proceeding against him, provided he shall give the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf, unless such loss, cost, liability, or expense is a result of his own willful misconduct or except as expressly provided by Delaware law.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.
