ABOUT THE ANNUAL MEETING

Who is soliciting my vote?

The Board of Directors of the Company is soliciting your vote in connection with the 2016 Annual Meeting of Stockholders.

What is the purpose of the Annual Meeting?

The meeting will be the Company's regular, Annual Meeting of Stockholders. You will be voting on the following matters at the Annual Meeting:

1. Election of the two Class I directors named in the Proxy Statement to hold office until the 2019 annual meeting; and
2. Ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 27, 2016.

Stockholders will also act upon any other business that may properly come before the Annual Meeting.

How does the Board of Directors recommend I vote?

The Board of Directors recommends a vote:

1. For the election of Ian R. Carter and Richard L. Davis as Class I directors; and
2. For the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the year ending December 27, 2016.

Who is entitled to vote at the Annual Meeting?

The Board of Directors set March 31, 2016 as the record date for the Annual Meeting, or the Record Date. All stockholders who owned common stock of the Company at the close of business on the Record Date may attend and vote at the Annual Meeting.

Who is entitled to attend the Annual Meeting?

Only persons with evidence of stock ownership as of the Record Date or who are invited guests of the Company may attend and be admitted to the Annual Meeting. Stockholders with evidence of stock ownership as of the Record Date may be accompanied by one guest. Photo identification will be required (e.g., a valid driver's license, state identification or passport). If a stockholder's shares are registered in the name of a broker, trust, bank or other nominee, the stockholder must bring a proxy or a letter from that broker, trust, bank or other nominee or their most recent brokerage account statement that confirms that the stockholder was a beneficial owner of shares of stock of the Company as of the Record Date.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the Annual Meeting.

How many votes can be cast by stockholders?

Each share of common stock is entitled to one vote. There is no cumulative voting. There were 23,464,623 shares of common stock outstanding and entitled to vote on the Record Date.

How many votes must be present to hold the Annual Meeting?

A majority of the outstanding shares of common stock as of the Record Date must be present at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a "quorum." Your shares are counted as present at the Annual Meeting if you are present at the Annual Meeting and vote in person or a proxy card or voting instruction card has been properly submitted by you or on your behalf or, if applicable, you have voted your shares on the Internet. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. A "broker non-vote" is a share of common stock that is beneficially owned by a person or entity and held by a broker or other nominee, but for which the broker or other nominee (1) lacks the discretionary authority to vote on certain matters, and (2) has not received voting instructions from the beneficial owner in respect of those specific matters.

How many votes are required to elect directors and approve the other proposal?

Directors are elected by a plurality of the votes cast. This means that the two individuals nominated for election to the Board of Directors who receive the most "FOR" votes (among votes properly cast in person or by proxy) will be elected. Abstentions and broker non-votes will not affect the outcome of the election of directors.

The ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm requires the affirmative vote of a majority of the shares of common stock present, in person or by proxy, at the Annual Meeting and entitled to vote. Abstentions have the same effect as a vote against the proposal.

How do I vote by proxy?

You can vote your shares by completing and returning the proxy card or voting instruction card accompanying this Proxy Statement. In some instances, you may also be able to vote your shares on the Internet. Please see your proxy card or voting instruction card for more information on how to vote by proxy.

What if I don't vote for some of the items listed on my proxy card or voting instruction card?

If you return your signed proxy card or voting instruction card in the enclosed envelope or vote on the Internet but do not mark selections, your shares will be voted in accordance with the recommendations of the Board of Directors. In connection therewith, the Board of Directors has designated Mark S. Mednansky, Thomas J. Pennison, Jr. and Lane DeYoung as proxies. If you indicate a choice with respect to any matter to be acted upon on your proxy card or voting instruction card or by Internet vote, your shares will be voted in accordance with your instructions. It is therefore important that you provide instructions to your broker if your shares are held by a broker or other nominee so that your shares will be voted at the Annual Meeting.

If you are a beneficial owner and hold your shares in street name through a broker or other nominee and do not return the voting instruction card or, if applicable, vote your shares on the Internet, the broker or other nominee will vote your shares on each matter at the Annual Meeting for which he or she has the requisite discretionary authority. Under applicable rules, brokers have the discretion to vote on routine matters, such as the ratification of the selection of independent registered public accounting firms. However, brokers do not have the discretion to vote on the uncontested election of directors.

Who pays for the proxy solicitation and how will the Company solicit votes?

The Company bears the expense of printing and mailing proxy materials. In addition to this solicitation of proxies by mail, the Company's directors, officers and other employees may solicit proxies by personal interview, telephone, facsimile or email. These individuals will not be paid any additional compensation for any such solicitation. The Company will request brokers and other nominees who hold shares of common stock in their names to furnish proxy materials to the beneficial owners of such shares. The Company will reimburse such brokers and other nominees for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners.

Can I change or revoke my vote after I return my proxy card or voting instruction card?

Yes. Even if you sign and return the proxy card or voting instruction card in the form accompanying this Proxy Statement or, if applicable, vote your shares on the Internet, you retain the power to revoke your proxy or change your vote. You can revoke your proxy or change your vote at any time before it is exercised at the Annual Meeting by giving written notice to the Secretary of the Company, specifying such revocation. You may also change your vote by timely delivering a valid, later-dated proxy or voting instruction card or, if applicable, by voting again on the Internet, or by voting in person at the Annual Meeting. However, please note that if you would like to vote at the Annual Meeting and you are not the stockholder of record, you must request, complete and deliver a proxy from your broker or other nominee.

PROPOSAL NO. 1 — ELECTION OF DIRECTORS

At the Annual Meeting, stockholders will be asked to elect two directors to serve on the Board of Directors. The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not fewer than three nor more than 13 directors with the exact number to be determined from time to time by resolution adopted by the Board of Directors. The Board currently consists of six directors. The Company's Certificate of Incorporation divides the Board of Directors into three classes with the terms of office of the directors of each Class ending in different years. The terms of directors in Classes I, II and III presently end at the annual meetings in 2016, 2017 and 2018, respectively. Each class currently has two directors.

The Board of Directors has nominated Ian R. Carter and Richard L. Davis for election as Class I directors for three-year terms expiring at the 2019 annual meeting.

When elected, a director serves until his or her successor has been duly elected and qualified or until such director's earlier resignation or removal. Proxies cannot be voted for a greater number of persons than the number of nominees named. If you sign and return the accompanying proxy card or voting instruction card, your shares will be voted for the election of the two nominees recommended by the Board of Directors unless you choose to abstain or vote against either of the nominees. The Company did not receive any stockholder nominations for director.

If either of the nominees for any reason is unable to serve or will not serve, proxies may be voted for such substitute nominee as the proxy holder may determine. The Company is not aware of any nominee who will be unable to or will not serve as a director. Please see "The Board of Directors and Its Committees" below for information about the nominees for election as directors and the current members of the Board of Directors who will continue serving following the Annual Meeting, their business experience and other pertinent information.

Directors are elected by a plurality of the votes cast. This means that the two nominees who receive the most "FOR" votes (among votes properly cast in person or by proxy) will be elected. Abstentions and broker non-votes will not affect the outcome of the election of directors.

The Board of Directors unanimously recommends that you vote FOR all Nominees

PROPOSAL NO. 2 — RATIFICATION OF THE APPOINTMENT OF KPMG LLP

The Audit Committee has selected KPMG LLP, or KPMG, to audit the consolidated financial statements of the Company as of December 27, 2016, and for the fiscal year then ending. At the Annual Meeting, stockholders will be asked to ratify the selection of KPMG.

The Company has been advised by KPMG that the firm has no relationship with the Company or its subsidiaries other than that arising from the firm's engagement as auditors, tax advisors and consultants. The Company has also been advised that representatives of KPMG will be present at the Annual Meeting where they will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Certificate of Incorporation nor the Company's bylaws require that stockholders ratify the selection of KPMG as the Company's independent registered public accounting firm. However, we are requesting ratification because we believe it is a matter of good corporate practice. If the Company's stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain KPMG, but may, nonetheless, retain KPMG as the Company's independent registered public accountants. Even if the selection is ratified, the Audit Committee in its discretion may change the appointment at any time if it determines that the change would be in the best interests of the Company and its stockholders.

The affirmative vote of a majority of the shares of common stock present, in person or by proxy, at the Annual Meeting is necessary to ratify the appointment of KPMG as the Company's independent registered public accounting firm for the year ending December 27, 2016. Abstentions have the same effect as a vote against the proposal.

*The Board of Directors unanimously recommends that you vote **FOR** the ratification of the selection of KPMG as the Company's independent registered public accounting firm for the year ending December 27, 2016*

Meetings of the Board of Directors

The Board of Directors holds regularly scheduled meetings throughout the year and holds additional meetings from time to time as the Board of Directors deems necessary or desirable to carry out its responsibilities. The Board of Directors held four meetings in fiscal 2015. All directors attended at least 75% of all meetings of the Board of Directors and of the Committees thereof on which they served during the year. The Board of Directors has a policy that directors are expected to attend the annual meetings of stockholders absent unusual circumstances. One director attended the 2015 annual meeting of stockholders.

Director Independence

The Board of Directors has affirmatively determined that each of Messrs. Abdallah, Barr, Carter, Davis and Lamar is independent under NASDAQ rules. NASDAQ's definition of independence includes a series of objective tests, such as that the director is not an employee of the Company and has not engaged in various types of business dealings involving the Company, which would prevent a director from being independent.

Board Leadership Structure

The Company's Principles of Corporate Governance provide that the Board shall periodically evaluate and make a determination regarding whether or not to separate the roles of Chairman and Chief Executive Officer based upon the circumstances. Currently, the roles are separate and the Board is led by an independent non-executive Chairman, Mr. Ian Carter. The Board believes that having Mr. Carter serve as Chairman provides significant advantages to the Board, as it allows Mr. Mednansky to focus on the Company's day-to-day operations, while allowing the Chairman to lead our Board of Directors in its role of providing oversight and advice to management. Our Principles of Corporate Governance, however, provide us with the flexibility to combine these roles in the future, permitting the roles of Chief Executive Officer and Chairman to be filled by the same individual. This provides our Board of Directors with flexibility to determine whether the two roles should be combined in the future based on our Company's needs and our Board of Directors' assessment of our leadership structure from time to time.

In addition, pursuant to the Company's Principles of Corporate Governance, the independent directors may appoint an independent director to serve as the lead independent director for a period of time as determined by the independent directors as a group. The lead independent director's responsibilities will include such responsibilities delegated thereto by the Board, and may also include: presiding at meetings of the Board at which the Chairman is not present, including executive sessions of the independent directors; approving information sent to the Board; approving the agenda and schedule for Board meetings to provide that there is sufficient time for discussion of all agenda items; serving as liaison between the Chairman and the independent directors; and being available for consultation and communication with major stockholders upon request. Any lead independent director shall have the authority to call executive sessions of the independent directors.

The Board's Role in Risk Oversight

The Board of Directors oversees the Company's risk management process. The Board oversees a Company-wide approach to risk management, designed to enhance stockholder value, support the achievement of strategic objectives and improve long-term organizational performance. The Board determines the appropriate level of risk for the Company generally, assesses the specific risks faced by the Company and reviews the steps taken by management to manage those risks. The Board's involvement in setting the Company's business strategy facilitates these assessments and reviews, culminating in the development of a strategy that reflects both the Board's and management's consensus as to appropriate levels of risk and the appropriate measures to manage those risks. Pursuant to this structure, risk is assessed throughout the enterprise, focusing on risks arising out of various aspects of the Company's strategy and the implementation of that strategy, including financial, legal/compliance, operational/strategic, health and safety, and compensation risks. The Board also considers risk when evaluating proposed transactions and other matters presented to the Board, including acquisitions and financial matters.

While the Board maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas. In particular, the Audit Committee reviews and discusses the Company's practices with respect to risk assessment and risk management. The Audit Committee also focuses on financial risk, including internal controls, and discusses the Company's risk profile with the Company's independent registered public accounting firm. In addition, the Audit Committee oversees the Company's compliance program with respect to legal and regulatory requirements, including the Company's codes of conduct and policies and procedures for monitoring compliance. The Compensation Committee periodically reviews compensation practices and policies to determine whether they encourage excessive risk taking, including an annual review of management's assessment of the risk associated with the Company's compensation programs covering its employees, including executives, and discusses the concept of risk as it relates to the Company's compensation programs. Finally, the Nominating and Corporate Governance Committee manages risks associated with the independence of directors and Board nominees. Management regularly reports on applicable risks to the relevant committee or the Board, as appropriate, including reports on significant Company projects, with additional review or reporting on risks being conducted as needed or as requested by the Board and its committees.

Committees of the Board of Directors

The Board of Directors has established three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each of these Committees is governed by a charter adopted by the Board of Directors. These charters establish the missions of the respective Committees as well as Committee membership guidelines. They also define the purpose, duties, and responsibilities of each Committee in relation to the Committee's role in supporting the Board of Directors and assisting the Board in discharging its duties in supervising and governing the Company. The charters are available on the Company's website at www.dfrg.com by following the links to "Investor Relations" and "Corporate Governance" or upon written request to the Company, as set forth under "Corporate Governance — Availability of Documents" below.

Audit Committee — The primary responsibilities of the Audit Committee are to oversee the accounting and financial reporting processes of our company as well as our subsidiary companies, and to oversee the internal and external audit processes. The Audit Committee also assists the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information provided to stockholders and others, and the system of internal controls established by management and the Board of Directors. The Audit Committee oversees the independent auditors, including their independence and objectivity. However, the Committee members do not act as professional accountants or auditors, and their functions are not intended to duplicate or substitute for the activities of management and the independent auditors. The Audit Committee is empowered to retain independent legal counsel and other advisors as it deems necessary or appropriate to assist it in fulfilling its responsibilities, and to approve the fees and other retention terms of the advisors.

The Audit Committee is comprised of Messrs. Abdallah, Barr and Davis, with Mr. Barr serving as chair. The Board of Directors has determined that each of Messrs. Abdallah, Barr and Davis is independent, as defined under and required by the federal securities laws and the NASDAQ rules. The Board of Directors has determined that Mr. Barr qualifies as an audit committee financial expert under the federal securities laws and that each member of the Audit Committee has the financial sophistication required under NASDAQ rules. The Audit Committee held four meetings during fiscal 2015.

Compensation Committee — The primary responsibility of the Compensation Committee is to periodically review and approve the compensation and other benefits for our employees, officers and independent directors. This includes reviewing and approving corporate goals and objectives relevant to the compensation of our executive officers in light of those goals and objectives, and setting compensation for these officers based on those evaluations. The Compensation Committee also administers and has discretionary authority over the issuance of stock awards under the Company's 2012 Long-Term Equity Incentive Plan, or the 2012 Plan. The Compensation Committee may delegate authority to review and approve the compensation of our employees to certain of our executive officers, including with respect to awards made under the 2012 Plan. Even where the Compensation Committee does not delegate authority, our executive officers will typically make recommendations to the Compensation Committee regarding compensation to be paid to our employees and the size of grants of stock option, restricted stock and other forms of stock-based compensation.

From December 31, 2014 to April 1, 2015, the Compensation Committee was comprised of Messrs. Abdallah and Lamar, with Mr. Abdallah serving as chair. Since April 1, 2015, the Compensation Committee has been comprised of Messrs. Abdallah, Carter and Lamar, with Mr. Abdallah serving as chair. The Board has determined that each of Messrs. Abdallah, Carter and Lamar are independent under NASDAQ rules. The Compensation Committee held two meetings in fiscal 2015.

Compensation Committee Interlocks and Insider Participation — During the last completed fiscal year, Messrs. Abdallah, Carter and Lamar served as members of our Compensation Committee. None of these directors or our executive officers currently serves or has served during the last completed fiscal year, as a member of the board of directors, or as a member of the compensation or similar committee, of any entity that has one or more executive officers who served on our Board of Directors.

Nominating and Corporate Governance Committee — The Nominating and Corporate Governance Committee oversees all aspects of our corporate governance functions. The committee makes recommendations to the Board of Directors regarding director candidates and assists the Board of Directors in determining the composition of the Board and its committees. The Nominating and Corporate Governance Committee is comprised of Messrs. Barr, Davis and Lamar, with Mr. Lamar serving as chair. The Board has determined that each of Messrs. Barr, Davis and Lamar are independent under NASDAQ rules. The Nominating and Corporate Governance Committee held one meeting in fiscal 2015.

Director Nomination Procedures

The Board of Directors believes the Board, as a whole, should possess the requisite combination of skills, professional experience, and diversity of backgrounds to oversee the Company's business. The Board of Directors also believes there are certain attributes each individual director should possess, as reflected in the Board of Directors' membership criteria. Accordingly, the Board of Directors and the Nominating and Corporate Governance Committee consider the qualifications of directors and director candidates individually as well as in the broader context of the Board's overall composition and the Company's current and future needs. The Nominating and Corporate Governance Committee is responsible for periodically reviewing with the Board on the appropriate skills and characteristics required of Board members in the context of the current make-up of the Board. This assessment enables the Board to update the skills and experience it seeks in the Board as a whole, and in individual directors, as the Company's needs evolve. This assessment takes into consideration all factors deemed relevant by the Nominating and Corporate Governance Committee, including the matters described above. For incumbent directors, the factors also include past performance on the Board of Directors and its committees. Additionally, our bylaws permit stockholders to nominate director candidates for consideration at the annual meeting of stockholders as discussed in greater detail under "Stockholder Proposals" below. The Nominating and Corporate Governance Committee expects to use a similar process to evaluate candidates nominated by stockholders as the one it uses to evaluate candidates it otherwise identifies.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee

The Audit Committee hereby reports as follows:

1. Management has primary responsibility for the accuracy and fairness of the Company's consolidated financial statements as well as the processes employed to prepare the financial statements, and the system of internal control over financial reporting.
2. The Audit Committee represents the Board of Directors in discharging its responsibilities relating to the Company's accounting, financial reporting, financial practices and system of internal controls. As part of its oversight role, the Audit Committee has reviewed and discussed with Company's management the Company's audited consolidated financial statements included in its 2015 Annual Report on Form 10-K.
3. The Audit Committee has discussed with the Company's independent registered public accounting firm, KPMG, the overall scope of and plans for its audit. The Audit Committee has met with KPMG, with and without management present, to discuss the Company's financial reporting processes and system of internal control over financial reporting in addition to those matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board, or the PCAOB, in Rule 3200T.
4. The Audit Committee has received the written disclosures and the letter from KPMG required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with KPMG their independence.
5. Based on the review and discussions referred to in paragraphs (1) through (4) above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 29, 2015 for filing with the SEC.

Norman J. Abdallah
Richard L. Davis

Audit and Non-Audit Fees

As discussed in greater detail below, the Company changed its independent registered public accounting firm in 2014 from Ernst & Young, or E&Y, to KPMG. Set forth below are the fees paid by the Company to its independent registered public accounting firms, E&Y and KPMG, for the fiscal periods indicated.

	<u>2015</u>	<u>2014</u>
Audit fees	\$511,867	\$441,092
Total	\$511,867	\$441,092

Audit Fees — Consist of fees for professional services provided in connection with the annual audit of the Company’s consolidated financial statements; the reviews of the Company’s quarterly results of operations and reports on Form 10-Q; and the services that an independent auditor would customarily provide in connection with audits of the Company’s subsidiaries, other regulatory filings, and similar engagements for each fiscal year shown, such as attest services, consents, and reviews of documents filed with the SEC. Fees paid during 2014 consisted of \$209,598 paid to Ernst & Young and \$231,494 paid to KPMG. All fees paid in 2015 were paid to KPMG.

Pre-Approval Policies and Procedures

In connection with our initial public offering, the Board of Directors adopted a written policy for the pre-approval of certain audit and non-audit services which the Company’s independent registered public accounting firm provides. The policy balances the need to ensure the independence of the Company’s independent registered public accounting firm while recognizing that in certain situations the Company’s independent registered public accounting firm may possess both the technical expertise and knowledge of the Company to best advise the Company on issues and matters in addition to accounting and auditing. In general, the Company’s independent registered public accounting firm cannot be engaged to provide any audit or non-audit services unless the engagement is pre-approved by the Audit Committee in compliance with the Sarbanes-Oxley Act of 2002. Certain basic services may also be pre-approved by the Chairman of the Audit Committee under the policy. However, any service that is not specifically pre-approved under the policy must be specifically pre-approved by the Audit Committee if it is to be provided by the independent registered public accounting firm. All of the fees identified in the table above were approved in accordance with SEC requirements and pursuant to the policies and procedures described above.

Change in Independent Accountants

As previously disclosed in the Company’s Current Report on Form 8-K filed with the SEC on June 23, 2014, on June 17, 2014, the Company dismissed E&Y as its independent registered public accounting firm. The decision to dismiss E&Y was approved by the Audit Committee. Neither of E&Y’s reports on the Company’s consolidated financial statements for the fiscal years ended December 31, 2013 and December 25, 2012 contained an adverse opinion or a disclaimer of opinion, nor was either report qualified or modified as to uncertainty, audit scope, or accounting principles. Additionally, at no point during the fiscal years ended December 31, 2013 and December 25, 2012 and the subsequent interim period through June 17, 2014, were there any (a) disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreement(s), if not resolved to the satisfaction of E&Y, would have caused it to make reference to the subject matter of the disagreement(s) in connection with its reports, or (b) “reportable events” as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

On June 17, 2014, the Audit Committee appointed KPMG LLP to serve as the Company’s independent registered public accounting firm to audit the Company consolidated financial statements for the fiscal year ending December 30, 2014. During the fiscal years ended December 31, 2013 and December 25, 2012 and the subsequent interim period through June 17, 2014, the Company did not consult with KPMG regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Narrative to Summary Compensation Table

Employee Agreements — Each of our Named Executive Officers has an employment agreement.

Mr. Mednansky — Pursuant to a February 7, 2011 employment agreement entered into between CCH and Mr. Mednansky, Mr. Mednansky's annual base salary is set at \$400,000. This salary is subject to review by the Board of Directors annually in the first quarter of each year and may be increased at the Board's discretion. Following the completion of an Executive Compensation Analysis performed by Aon Hewitt, the Board of Directors increased Mr. Mednansky's annual base salary to \$500,000 effective as of February 25, 2015 to align his compensation with that of CEOs at peer companies. In addition, pursuant to this employment agreement, Mr. Mednansky is entitled to participate in all bonus compensation plans, in accordance with the terms of such plans. The target level for his annual bonus is to be at least 50% of his annual salary, but entitlement to any such bonus and the amount of any bonus actually paid to Mr. Mednansky is to be determined by the Board in its good faith discretion. For 2014, Mr. Mednansky's target bonus level was set at 50% of his annual base salary and for 2015 Mr. Mednansky's target bonus level was set at 80% of his annual base salary. Mr. Mednansky's employment agreement also provides for certain perquisites, including an automobile allowance of up to \$1,000 per month or use of a Company car, and Company-paid medical and life insurance.

Mr. Pennison — On October 17, 2011, Mr. Pennison entered into an employment agreement to serve as the Company's Chief Financial Officer. Pursuant to the employment agreement, Mr. Pennison was entitled to a base salary of \$250,000. This salary is subject to review by the Board of Directors annually in the first quarter of each year and may be increased at the Board's discretion. During 2013, Mr. Pennison's base salary was increased to \$275,000. Following the completion of the Aon Hewitt analysis, the Board of Directors increased Mr. Pennison's annual base salary to \$300,000 effective as of February 25, 2015 to align his compensation with that of CFOs at peer companies. In addition, pursuant to this employment agreement, Mr. Pennison is entitled to participate in the Company's annual incentive plan, with a potential target bonus level set at 50% of his annual base salary, subject to achievement of various performance criteria, and further subject to the Board's discretion. For each of 2014 and 2015, Mr. Pennison's target bonus level was set at 50% of his annual base salary. Pursuant to his employment agreement, Mr. Pennison is entitled to certain other benefits, including Company-paid life and health insurance benefits, and an automobile allowance not to exceed \$1,000 per month.

Mr. Dritsas — Effective January 4, 2012, Mr. Dritsas and CCH entered into an employment agreement. Under this agreement, Mr. Dritsas was entitled to an annual base salary of \$198,000 per year. This salary is subject to annual review by Mr. Mednansky who recommends increases to the Compensation Committee for approval. During 2015, Mr. Dritsas' annual base salary was \$216,000. He is also entitled to participate in all bonus compensation and stock plans which are specifically applicable to the Corporate Executive Chef. Accordingly, Mr. Dritsas participates in the Company's annual bonus plan described below. For 2015, Mr. Dritsas' potential performance bonus target was set at 40% of his annual salary. Although not provided pursuant to his written employment agreement, Mr. Dritsas is also entitled to Company-paid life and health insurance benefits.

Equity Incentive Plan Awards — As described below in the "Outstanding Equity Awards at 2015 Year End" table, following our initial public offering, Mr. Mednansky was granted an option to purchase 190,500 shares, Mr. Pennison was granted an option to purchase 85,000 shares and Mr. Dritsas was granted an option to purchase 15,000 shares. Each of these options has an exercise price of \$13.00 per share of common stock, which was equal to the initial public offering price. Each of these grants was made on July 26, 2012 and each award will vest in four equal installments on each of the first four anniversaries of the date of grant, subject to the holders' continued employment with the Company. On July 26, 2013, Mr. Mednansky was granted an option to purchase 100,000 shares, Mr. Pennison was granted an option to purchase 65,000 shares and Mr. Dritsas was granted an option to purchase 18,000 shares. Each of these options has an exercise price of \$21.26 per share of common stock, the closing price on the date of grant, and each award will vest in four equal installments on each of the first four anniversaries of the date of grant, subject to the holders' continued employment with the Company. On

April 1, 2015, Mr. Mednansky received a grant of 24,631 shares of restricted stock, the vesting of which was subject to the achievement of certain 2015 specified EPS performance metrics. Mr. Pennison received a grant of 24,631 shares of restricted stock, of which 12,316 shares were subject to the same performance metrics and Mr. Dritsas received a grant of the 3,695 shares of restricted stock, of which 924 shares were subject to performance metrics. These metrics were not achieved for 2015 and, as such, the shares of restricted stock subject to the performance conditions were forfeited by each Named Executive Officer. The remaining shares of restricted stock granted to Mr. Pennison and Mr. Dritsas in 2015 which were not subject to performance conditions will vest in four equal installments on each of the first four anniversaries of the date of grant, subject to the holders' continued employment with the Company.

Non-Equity Incentive Plan Awards — We have an annual cash incentive bonus program in which certain corporate-level employees of the Company and its subsidiaries, including CCH, participate. Under this program, all participants, including our Named Executive Officers, are eligible to receive an annual performance-based bonus equal to a target percentage of their annual salary, based upon their corresponding level of individual responsibility within the organization. Whether an individual's target is achieved depends upon whether various financial performance metrics tied to each individual's responsibilities (such as adjusted earnings per share, EBITDA, revenue, etc.) are satisfied. Mr. Mednansky then recommends a discretionary upward or downward adjustment to each individual's target bonus (other than his own) based upon such individual's overall performance and contributions over the prior year. Mr. Mednansky's recommendations are reviewed by the Compensation Committee, which retains final discretion in determining the amount of any bonuses actually paid.

Pursuant to his February 7, 2011 employment agreement, Mr. Mednansky's annual target bonus opportunity under the Company's current bonus compensation plan is at least 50% of his annual base salary, but entitlement to any such bonus actually paid to Mr. Mednansky is to be determined by the Board in its good faith discretion. As noted above, this percentage was increased by the Board for fiscal year 2015 to 80%. Pursuant to Mr. Pennison's October 17, 2011 employment agreement, he is eligible for a target annual incentive plan bonus of 50% of his annual base salary, subject to achievement of various performance criteria, and further subject to the Board's discretion. During 2015, Mr. Dritsas is eligible for a target annual incentive plan bonus of 40% of his annual base salary, subject to achievement of various performance criteria, and further subject to the Board's discretion.

We determine performance measures and their associated weightings for each executive based on such executive's areas of primary responsibility and ability to influence the Company's financial results.

For 2015, bonuses were determined for each of Messrs. Mednansky, Pennison and Dritsas, in whole or in part, as applicable, based on achievement of targets for adjusted earnings per share, EBITDA and achievement of certain revenue targets.

The Compensation Committee determined that each Named Executive Officer did not achieve his respective quantitative targets under the annual incentive plan for 2015. As such, no bonuses were paid in respect of 2015 performance under the non-equity incentive plan.

Nonqualified Deferred Compensation Plan

CCH maintains the Del Frisco’s Restaurant Group Nonqualified Deferred Compensation Plan under which a select group of highly compensated management employees, generally employees who are at the level of district manager or above, may elect to defer a portion of their annual compensation, including base pay and/or bonuses. Employees who are eligible to participate in this plan are not eligible to participate in the Del Frisco’s Restaurant Group 401(k) Plan. The benefits under the deferred compensation plan are unfunded and evidenced by an account entry credited with the amount deferred each year plus earnings. However, all contributions by the employee and matching contributions by CCH are contributable to a grantor trust, which is invested in certain insurance policies. These assets, although not required by the plan, are segregated to pay benefits to the plan participants. In the event of CCH’s bankruptcy, these assets will be subject to the claims of CCH’s creditors. Each year, plan participants elect a percentage of pay they wish to defer for the following year. Additionally, CCH makes a matching contribution of up to 50% of a participant’s deferrals, up to the first 20% of a participant’s annual pay contributed to the plan. This matching contribution is also credited to a participant’s account under the plan. Matching contributions vest at a rate of 25% per year over four years. Participants may, consistent with applicable procedures, allocate the amount of deferral and Company contributions credited to their account to or between deemed investment alternatives offered by the plan for purposes of determining earnings on a participant’s account. The plan, however, has no obligation to actually invest any amounts in a participant’s account in these investment alternatives. Generally, a participant’s account balance will be distributed upon death, termination of employment, retirement or on a fixed date, subject to certain limitations. In addition, and in the sole discretion of the plan administration committee, a participant may receive a distribution of all or a portion of his or her account balance in the event of an unforeseen emergency. Each of our Named Executive Officers participated in the Nonqualified Deferred Compensation Plan in 2015. Matching contributions made by CCH in 2015 for each executive officer are set forth in footnote 3 to the “Summary Compensation Table” above.

Severance and Change of Control Arrangements

During fiscal 2015, Messrs. Mednansky, Pennison, and Dritsas were eligible for severance benefits consisting of base salary continuation for a specified period under certain termination scenarios, as described below.

Mr. Mednansky — Under Mr. Mednansky's February 7, 2011 employment agreement, upon a termination without Cause or a resignation for Good Reason, not as a result of death or disability and that occurs prior to a Change in Control, each as defined below, Mr. Mednansky is entitled to continue to receive his base monthly salary for a period of 12 months and payment of his medical premiums for 12 months for the medical coverage that was in effect under CCH's benefit plans immediately prior to such termination or resignation, provided that he receives COBRA benefits during this period. Upon a termination without Cause or a resignation for Good Reason that occurs within 180 days following a Change in Control, Mr. Mednansky will be entitled to continue to receive his base monthly salary for a period of 18 months and payment of his medical premiums for 18 months for the medical coverage that was in effect under CCH's benefit plans immediately prior to such termination or resignation, provided that he receives COBRA benefits during this period. All severance benefits payable upon a termination without Cause or a resignation for Good Reason are conditioned upon Mr. Mednansky's execution of a separation agreement and general release of claims in favor of CCH and its affiliates.

Upon termination due to disability, Mr. Mednansky is entitled to receive 50% of his annual salary in addition to any disability insurance benefits received under CCH's employee benefit plans, paid semi-monthly, in 12 equal installments.

CCH's obligation to provide any of the severance benefits payable upon a termination without Cause, a resignation for Good Reason, or a termination due to disability will cease immediately in the event of Mr. Mednansky's violation of the confidentiality, non-compete, or non-solicitation covenants contained in his employment agreement. In addition, Mr. Mednansky must repay CCH any such severance benefits received by him during the period of non-compliance with such confidentiality, non-compete and non-solicitation covenants, as determined by CCH in good faith.

Upon termination for any other reason, Mr. Mednansky is not entitled to any severance or other termination benefits, but only to payment of his accrued compensation through the date of termination.

For the purposes of Mr. Mednansky's employment agreement:

- "Cause" is defined as (i) a failure by Mr. Mednansky to substantially perform his material duties under his employment agreement or to devote his full time and effort to his position with CCH (other than as a result of death, injury, illness, or disability), which, if curable, is not cured within 30 days after receipt of written notice of such failure; (ii) failure by Mr. Mednansky to comply materially with all policies of CCH, which, if curable, is not cured within 30 days after receipt of written notice of such failure; (iii) commission by Mr. Mednansky of an illegal act or an act not within the ordinary course of his responsibilities that exposes CCH to a significant level of undue liability (explicitly excluding a use by the Company of Mr. Mednansky's liquor license); (iv) Mr. Mednansky's conviction or plea of guilty or nolo contendere to any felony; or (v) breach of the confidentiality or non-compete covenants contained in Mr. Mednansky's employment agreement.
- "Change in Control" is defined as either (i) the closing of a firm commitment underwritten public offering of common equity securities for gross cash proceeds to the issuer of at least \$30,000,000, where the shares of the Company or CCH are listed on a national securities exchange or are quoted on NASDAQ; or (ii) the closing of a sale or transfer of all or substantially all of the assets of CCH in one or a series of transactions, the sale, exchange, or other disposition of a majority of the equity interests in the Company or CCH, or any transaction having similar effect (including, without limitation, a merger or consolidation), excluding certain sales or transfers within the Wagon's controlled group.

- “Good Reason” is defined as, without his consent, the relocation of his place of employment to a location more than 50 miles from his current location, a reduction in his base salary (other than a general cost reduction not exceeding 10%, that affects all salaried employees of CCH proportionally), a material breach by CCH of the employment agreement, or a material diminution in his title and/or duties, responsibilities or authority. Prior to any of the above qualifying as “Good Reason,” Mr. Mednansky must provide CCH with notice and a 30-day period to cure any of the above.

As of December 29, 2015, Mr. Mednansky held options to purchase 290,500 shares of common stock under the 2012 Plan, of which only 192,875 were vested. The vesting of these awards may be accelerated in connection with certain terminations following a Change of Control, as determined by the administrator of the 2012 Plan.

Mr. Pennison — Pursuant to his employment agreement with the Company, Mr. Pennison is entitled to similar severance and Change in Control benefits as those described and defined above with respect to Mr. Mednansky’s employment agreement.

As of December 29, 2015, Mr. Pennison held options to purchase 135,000 shares of common stock under the 2012 Plan, of which only 81,250 were vested, and 12,315 shares of restricted stock, of which none were vested. The vesting of these awards may be accelerated in connection with certain terminations following a Change of Control, as determined by the administrator of the 2012 Plan.

Mr. Dritsas — Pursuant to Mr. Dritsas’ January 4, 2012 employment agreement, he is entitled to certain payments if he is terminated without Cause, as defined below. Upon a termination without Cause, not as a result of resignation, death or disability, and subject to his execution of a general release, Mr. Dritsas is entitled to continue to receive his base salary for a period of 12 months from the date of termination and to continued health benefits as he had enrolled and participated in prior to termination for a period of 12 months. Mr. Dritsas is not entitled to any severance or benefits other than the payment of accrued compensation through the date of termination if he is terminated for Cause, due to death or disability, or he resigns.

“Cause” is defined in Mr. Dritsas’ employment agreement as (i) a material breach by Mr. Dritsas of his employment obligations; (ii) the commission of an act of fraud, embezzlement, misappropriation, willful misconduct or breach of fiduciary duty against CCH or other conduct potentially harmful to CCH’s best interests; (iii) a material breach of confidentiality, non-disclosure, non-compete, or non-solicitation provisions contained in his employment agreement; (iv) Mr. Dritsas’ conviction, plea of guilty, no contest, or *nolo contendere*, deferred adjudication, or unadjudicated probation for any felony or any crime involving moral turpitude; (v) the failure of Mr. Dritsas to carry out or comply with, in any material respect, any lawful order of CCH; (vi) Mr. Dritsas’ unlawful use (including being under the influence) or possession of illegal drugs; (vii) Mr. Dritsas’ disparagement of CCH or any of its affiliates or any employee, officer, director, member, manager, agent, or representative of CCH or any of its affiliates; or (viii) CCH is temporarily or permanently enjoined from employing Mr. Dritsas, or a court of competent jurisdiction otherwise orders CCH to cease employing Mr. Dritsas, or CCH determines in its reasonable discretion that it is in the best interests of CCH and/or its employees or members that Mr. Dritsas’ employment with CCH should be terminated due to restrictions or covenants to which Mr. Dritsas agreed with his former employer(s) and which may impact Mr. Dritsas’ ability to be employed by CCH.

As of December 29, 2015, Mr. Dritsas held options to purchase 33,000 shares of common stock under the 2012 Plan, of which only 20,250 were vested, and 2,771 shares of restricted stock, of which none were vested. The vesting of these awards may be accelerated in connection with certain terminations following a Change of Control, as determined by the administrator of the 2012 Plan.

SECURITY OWNERSHIP

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers and persons who own beneficially more than ten percent of a registered class of the Company's equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater than ten-percent stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms filed by them. To the Company's knowledge, based solely on a review of the copies of such filings on file with the Company and written representations from its directors and executive officers, all Section 16(a) filing requirements applicable to the Company's directors, officers and greater-than-ten-percent beneficial owners were complied with on a timely basis during the fiscal year ended December 29, 2015.

EXECUTIVE OFFICERS

For information about the executive officers of the Company, see Part I, Item 1 — Business, in the Company's 2015 10-K.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with our initial public offering we implemented a written policy pursuant to which our Board of Directors will review and approve transactions with our directors, officers and holders of more than 5% of our voting securities and their affiliates (each, a related party). Prior to approving any transaction with a related party, our Board of Directors will consider the material facts as to the related party's relationship with the company or interest in the transaction. Related party transactions will not be approved unless the nominating and corporate governance committee has approved of the transaction.

Director Indemnification Agreements

The Company's Bylaws permit us to indemnify our executive officers and directors to the fullest extent permitted by law, subject to limited exceptions. We have entered into indemnification agreements with each of our executive officers and directors that provide, in general, that we will indemnify them to the fullest extent permitted by law in connection with their service to us or on our behalf. The form of indemnification agreement was approved by our Board of Directors prior to the completion of our initial public offering and therefore was not approved pursuant to the policy described above.

STOCKHOLDERS' PROPOSALS

Only stockholders meeting certain criteria outlined in the Company's Bylaws are eligible to submit nominations for election to the Board of Directors or to bring other proper business before an annual meeting. Under the Company's Bylaws, stockholders who wish to nominate persons for election to the Board of Directors or bring other proper business before an annual meeting must give proper notice to the Company not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; *provided, however*, that in the event that the date of the annual meeting is more than 30 days before or more than 70 days after such anniversary date, notice by the stockholder to be timely must be delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the date on which public announcement of the date of such meeting is first made by the Company. Therefore, notices regarding nominations of persons for election to the Board of Directors and other proper business for consideration at the 2017 annual meeting of stockholders must be submitted to the Company no earlier than January 18, 2017 and no later than February 17, 2017. Notices regarding nominations and other proper business must include certain information concerning the nominee or the proposal and the proponent's ownership of common stock of the Company, in each case as set forth in the Company's Bylaws. Nominations or other proposals not meeting these requirements will not be entertained at the annual meeting. The Secretary of the Company should be contacted in writing at our principal executive offices at Del Frisco's Restaurant Group, Inc., 920 S. Kimball Avenue, Suite 100, Southlake Texas 76092.

In order to be included in the Company's Proxy Statement and form of proxy relating to the 2017 annual meeting, stockholder proposals must be received by the Secretary of the Company no later than December 8, 2016. If timely notice of a stockholder proposal is not received by the Company, then the proxies named on the proxy cards distributed by the Company for the annual meeting may use the discretionary voting authority granted to them by the proxy cards if the proposal is raised at the Annual Meeting, whether or not there is any discussion of the matter in the Proxy Statement.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders.

Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Company if you hold common stock directly. Requests in writing should be addressed to: Del Frisco's Restaurant Group, Inc., 920 S. Kimball Avenue, Suite 100, Southlake Texas 76092, Attention: Investor Relations.

ADDITIONAL INFORMATION

The Company's annual audited financial statements and review of operations for fiscal 2015 can be found in the Company's 2015 10-K. A copy of the 2015 10-K is being mailed concurrently with this Proxy Statement to each stockholder of record on the Record Date. The Company will furnish without charge a copy of the 2015

10-K, including the financial statements and any schedules thereto, to any person requesting in writing and stating that he or she was the beneficial owner of the Company's common stock on March 31, 2016. The Company will also furnish copies of any exhibits to the 2015 10-K to eligible persons requesting exhibits at a cost of \$0.50 per page, paid in advance.
