We encourage you to vote "FOR" ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

PROPOSAL 1

Election of Directors

Our Certificate provides for a classified Board. This means our Board is divided into three classes, with each class having as nearly as possible an equal number of directors. The term of service of each class of directors is staggered so that the term of one class expires at each annual meeting of the stockholders.

Our Board currently consists of seven members, divided into three classes as follows:

- Class I is comprised of Normand A. Boulanger, David A. Varsano and Michael J. Zamkow, each with a term ending at the 2020 annual meeting;
- Class II is comprised of Jonathan E. Michael, whose term ends at the 2021 annual meeting; and
- Class III is comprised of Smita Conjeevaram, Michael E. Daniels and William C. Stone, each with a term ending at the 2022 annual meeting.

At each annual meeting of stockholders, directors are elected for a full term of three years to succeed those directors whose term is expiring. Messrs. Boulanger, Varsano and Zamkow are current directors whose terms expire at the 2020 annual meeting. Each of these directors has been nominated by the Nominating Committee (and his nomination has been ratified by the Board) for re-election as a Class I director, with a term ending at the 2023 annual meeting.

Unless otherwise instructed in the proxy, all proxies will be voted “FOR” the election of each of the nominees identified above to a three-year term ending at the 2023 annual meeting, to hold office until her/his successor has been duly elected and qualified. Stockholders who do not wish their shares to be voted for one or all of these three nominees may so indicate by following the directions set out on the proxy card or in the instructions provided in the Notice of Internet Availability of Proxy Materials. Please see “How We Use the E-Proxy Process (Notice & Access)” on page 39 for more information. Each of the nominees has indicated his willingness to serve on our Board, if elected. If any nominee should be unable to serve, the person acting under the proxy may vote the proxy for a substitute nominee designated by our Board. We do not contemplate that any of the three nominees will be unable to serve if elected.

A plurality of the shares of common stock present in person or represented by proxy at the 2020 annual meeting and entitled to vote is required to elect the nominee as a director.

Directors’ Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF NORMAND A. BOULANGER, DAVID A. VARSANO AND MICHAEL J. ZAMKOW

Corporate Governance Matters

We believe that good corporate governance and fostering an environment of high ethical standards are important for us to achieve business success and to create value for our stockholders. Our Board periodically reviews our corporate governance practices in light of regulatory developments and practices at other public companies and makes changes that it believes are in the best interests of the Company and its stockholders.

Board Determination of Independence

Under the applicable rules of the Nasdaq Stock Market, a director will only qualify as an “independent director” if, in the opinion of our Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our Board has determined that none of Ms. Conjeevaram or Messrs. Daniels, Michael, Varsano or Zamkow has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is an “independent director” as defined under Rule 5605(a)(2) of Nasdaq.

Stockholders Agreement

The Company is a party to a Stockholders Agreement, as amended, which we refer to as the Stockholders Agreement, with William C. Stone, our Chairman and Chief Executive Officer. The Stockholders Agreement entitles Mr. Stone to nominate two directors, one of whom shall be Mr. Stone for so long as he is our Chief Executive Officer. For more information on the Stockholders Agreement, see the section of this proxy statement entitled “Related Person Transactions—Stockholders Agreement” beginning on page 37.

Director Nomination Process

The process followed by the Nominating Committee to identify and evaluate director candidates may include requesting recommendations from Board members and others, holding meetings from time to time to evaluate biographical information and background material relating to potential candidates, and conducting interviews of selected candidates by members of the Nominating Committee.

The Nominating Committee considers recommendations for director nominees suggested by its members, other directors, management and other interested parties. Stockholders may recommend individuals to the Nominating Committee for

consideration as potential director candidates by submitting their names, together with appropriate biographical information and background material, to the Nominating Committee c/o Corporate Secretary, SS&C Technologies Holdings, Inc., 80 Lamberton Road, Windsor, Connecticut 06095. Assuming that appropriate biographical information and background material is provided on a timely basis, the Nominating Committee will evaluate stockholder-recommended candidates by following substantially the same process and applying substantially the same criteria as it follows for candidates submitted by others.

In addition, stockholders also have the right under our By-laws to directly nominate director candidates, without any action or recommendation on the part of the Nominating Committee or the Board, by following the procedures set forth in our By-laws and described under “Stockholder Proposals and Director Nominations” beginning on page 41 below.

Criteria and Diversity

In considering whether to recommend any particular candidate for inclusion in the Board’s slate of recommended director nominees, the Nominating Committee applies the criteria specified in its charter. These criteria include the candidate’s integrity, honesty, adherence to ethical standards, demonstrated business acumen, experience, ability to exercise sound judgments in matters that relate to the current and long-term objectives of the Company, ability to contribute positively to the decision-making processes of the Company, commitment to understanding the Company and its industry and to regularly attending and participating in meetings of the Board and its committees, ability to understand the sometimes conflicting interests of the various constituencies of the Company and the absence of a conflict of interest. The Nominating Committee does not assign specific weights to particular criterion, and no particular criterion is a prerequisite for any prospective nominee. In terms of criteria for composition of the Board, the Nominating Committee considers the backgrounds and qualifications of the directors as a group with the goal of providing a significant breadth of experience, knowledge and abilities to assist the Board in fulfilling its responsibilities.

Although the Nominating Committee considers the value of diversity on the Board, it has not adopted a written policy with regard to the consideration of diversity when evaluating candidates for director. However, in practice, the Nominating Committee considers diversity of viewpoint, professional experience, education and skill in assessing candidates for the Board to ensure breadth of experience, knowledge and abilities within the Board. Our Board’s priority in the selection of Board members is identification of members who will further the interests of our stockholders through their management experience, knowledge of our business, understanding of the competitive landscape and familiarity with our targeted markets.

The director biographies above describe each nominee’s experience, qualifications, attributes and skills that led the Board to conclude that he or she should continue to serve as a member of our Board. Our Board believes that each of the nominees has realized significant professional and personal achievements and possesses the background, talents and experience that are necessary for the Company’s success and the creation of stockholder value.

Board Meetings and Attendance

During the fiscal year ended December 31, 2019, which we refer to as fiscal 2019, our Board met four times and acted by unanimous written consent in lieu of a meeting nine times. During fiscal 2019, the Audit Committee held five regular meetings and acted by unanimous written consent in lieu of a meeting once; the Compensation Committee held two regular meetings and acted by unanimous written consent in lieu of a meeting four times; and the Nominating Committee acted by unanimous written consent in lieu of a meeting twice. Each of our current directors attended at least 75% of the aggregate of the total number of meetings of the Board and of the Board committees of which he/she was a member during fiscal 2019.

Director Attendance at Annual Meeting of Stockholders

We do not have a formal policy regarding directors’ attendance at annual meetings, but all of our directors are encouraged to attend our annual meetings. All of our Board members attended our 2019 annual meeting of stockholders.

Board Leadership Structure

Mr. Stone has served as Chairman of the Board of Directors and Chief Executive Officer since our inception in 1986, and the provisions of the Stockholders Agreement require that so long as Mr. Stone is a member of our Board and the Chief Executive Officer of the Company, he shall serve as Chairman of the Board. This Board leadership structure is commonly utilized by public companies in the United States, and we believe that this leadership structure has been effective for us. Having one person serve as both Chief Executive Officer and Chairman of the Board shows our employees, customers and other constituencies that we are under strong leadership, with a single person setting the tone and having primary responsibility for managing our operations. We also believe that this leadership structure eliminates the potential for duplication of efforts and inconsistent actions and facilitates open communication between management and our Board. We do not have a lead independent director. We recognize that different board leadership structures may be appropriate for companies with different histories or varying equity ownership structures and percentages. However, we believe our current leadership structure is the optimal board leadership structure for us.

Board Committees

Our Board directs the management of our business and affairs, as provided by Delaware law, and conducts its business through meetings of the Board and three standing committees: the Audit Committee, the Compensation Committee and the Nominating Committee, each of which operates under a charter that has been approved by our Board. Each committee's charter is posted on our website, at <https://investor.ssctech.com/investor-relations/corporate-governance/governance-documents>. In addition, from time to time, special committees may be established under the direction of the Board to address specific issues. The table below shows current membership and indicates the chairperson (*) for each of the standing Board committees.

Audit	Compensation	Nominating
Jonathan E. Michael*	Michael E. Daniels*	David A. Varsano*
Smita Conjeevaram	Michael J. Zamkow	Michael E. Daniels
David A. Varsano		Jonathan E. Michael

Our Board has determined that each member of each of the Board's three standing committees is independent as defined under the rules of Nasdaq, including, in the case of each member of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or Exchange Act, and including, in the case of each member of the Compensation Committee, the independence requirements contemplated by Rule 10C-1 under the Exchange Act and Nasdaq rules.

Audit Committee

Our Audit Committee assists our Board in its oversight of the Company's accounting and financial reporting processes and the audits of the Company's financial statements. Our Audit Committee's responsibilities, as set forth in its charter, include:

- appointing, evaluating, retaining and, when necessary, terminating the engagement of our independent registered public accounting firm;
- overseeing and assessing the independence of our independent registered public accounting firm;
- setting the compensation of our independent registered public accounting firm and preapproving all audit services to be provided to the Company;
- overseeing the work of our independent registered public accounting firm, including through the receipt and consideration of reports from such firm;
- reviewing and discussing with management and the independent registered public accounting firm our annual and quarterly financial statements and related disclosures before such financial statements are filed with the Securities and Exchange Commission, or SEC;
- directing the independent registered public accounting firm to use its best efforts to perform all reviews of interim financial information prior to disclosure by the Company;
- coordinating our Board's oversight of internal control over financial reporting, disclosure controls and procedures and our code of business conduct and ethics;
- overseeing our risk assessment and risk management policies;
- discussing the Company's policies with respect to risk assessment and risk management;

- discussing generally the type and presentation of information to be disclosed in the Company's earnings press releases, as well as financial information and earnings guidance provided to analysts, rating agencies and others;
- establishing procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or audit matters and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters;
- reviewing the Company's policies and procedures for reviewing and approving or ratifying "related person transactions" and conducting appropriate review and oversight of all related person transactions for potential conflict of interest situations; and
- preparing the Audit Committee report required by SEC rules, which is included on page 33 of this proxy statement.

Our Board has determined that each of the members of its Audit Committee is an "audit committee financial expert" as that term is defined under the rules and regulations of the SEC.

Compensation Committee

Our Compensation Committee has overall responsibility for the Company's compensation. Our Compensation Committee's responsibilities, as set forth in its charter, include:

- reviewing and approving, or making recommendations to our Board with respect to, the compensation of our Chief Executive Officer and our other executive officers;
- reviewing, and making recommendations to our Board with respect to, incentive-compensation and equity-based plans that are subject to approval by our Board;
- approving any tax-qualified, non-discriminatory employee benefit plans for which stockholder approval is not sought;
- administering all of the Company's stock option, stock incentive, employee stock purchase and other equity-based plans including interpreting the terms of such plans and granting options and making awards under such plans;
- reviewing and making recommendations to our Board with respect to director compensation;
- reviewing and discussing with management the Company's "Compensation Discussion and Analysis" required by Item 402(b) of Regulation S-K, and considering whether it will recommend to our Board that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K, proxy statement on Schedule 14A or information statement on Schedule 14C;
- preparing an annual report required by Item 407(e)(5) of Regulation S-K; and
- in its discretion, retaining or obtaining the advice of compensation consultants, legal counsel or other advisors, and overseeing their work.

Nominating Committee

Our Nominating Committee has overall responsibility for developing Board membership. Our Nominating Committee's responsibilities, as set forth in its charter, include:

- identifying individuals qualified to become members of our Board and recommending to our Board the nominees for election as directors at any annual meeting of stockholders and the persons to be elected by the Board to fill any vacancies on the Board;
- reviewing with the Board the requisite skills and criteria for new Board members as well as the composition of our Board as a whole; and
- recommending to our Board the directors to be appointed to each committee of the Board.

The processes and procedures followed by the Nominating Committee in identifying and evaluating director candidates are described above under the heading "Director Nomination Process." As described above, the Stockholders Agreement provides Mr. Stone with the right to appoint two directors, including himself.

Risk Oversight

Our management is responsible for risk management on a day-to-day basis. Our Audit Committee is responsible for overseeing our risk management function. While the Audit Committee has primary responsibility for overseeing risk management, our entire Board of Directors is actively involved in overseeing our risk management. Our Board and the Audit Committee fulfill their oversight role by discussing with management the policies and practices utilized by management in assessing and managing the risks and providing input on those policies and practices. We believe that the leadership structure of our Board supports effective risk management oversight due to our Chairman and Chief Executive Officer's extensive knowledge and understanding

of our business and, as noted in “Board Leadership Structure” above, because the combined role of Chairman and Chief Executive Officer facilitates communications between management and our Board.

Communications with the Board

Our Board welcomes the submission of any comments or concerns from stockholders and any interested parties. Communications should be in writing and addressed to our Corporate Secretary at our principal executive offices and marked to the attention of the Board or any of its committees, individual directors or non-management or independent directors as a group. All correspondence will be forwarded to the intended recipient(s), except that certain items that are unrelated to the duties and responsibilities of our Board (such as product inquiries and comments, new product suggestions, resumes and other forms of job inquiries, surveys, and business solicitations and advertisements) and material that is unduly hostile, threatening, illegal or similarly unsuitable will be excluded.

Code of Business Conduct and Ethics

We have adopted a written code of business conduct and ethics, referred to as the SS&C Code of Business Conduct and Ethics, which covers all directors, officers and employees and includes provisions relating to accounting and financial matters. The SS&C Code of Business Conduct and Ethics is available on our website at <https://investor.ssctech.com/investor-relations/corporate-governance/governance-documents>. If we make any substantive amendments to, or grant any waivers from, the code of ethics for any director or officer, we will disclose the nature of such amendment or waiver on our website at <https://investor.ssctech.com/investor-relations/corporate-governance/governance-documents> or in a Current Report on Form 8-K filed with the SEC.

PROPOSAL 2

Advisory Vote to Approve Named Executive Officer Compensation

We are providing our stockholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. This proposal, which is commonly referred to as "say-on-pay," is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Exchange Act.

Our executive compensation programs are designed to attract, retain and motivate our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for successful performance on our near-term and longer-term financial and strategic goals and for driving corporate financial performance and stability. The programs contain elements of cash and equity-based compensation and are designed to align the interests of our executives with those of our stockholders.

The "Executive and Director Compensation" section of this proxy statement beginning on page 14, including the "Compensation Discussion and Analysis," describes in detail our executive compensation programs and the decisions made by the Compensation Committee and our Board with respect to fiscal 2019.

As we describe in the "2019 Performance Highlights" section of this proxy statement beginning on page 3, our executive compensation program supports our business strategy and aligns the interests of our named executive officers with those of our stockholders. We believe our executive compensation program is working as evidenced by the Company's strong performance in 2019:

- Our total revenues for 2019 were \$4,632.9 million, as compared to 2018 total revenues of \$3,421.1 million and 2017 total revenues of \$1,675.3 million, an increase of 35.4% and 104.2%, respectively.
- Our net income for 2019 was \$438.5 million, as compared to 2018 net income of \$103.2 million, an increase of 324.9%, and 2017 net income of \$328.9 million, a decrease in 2018 of 68.6% as compared to 2017.
- Our 2019 Adjusted Consolidated EBITDA (discussed and reconciled to GAAP net income on page 16) was \$1,827.9 million, as compared to 2018 Adjusted Consolidated EBITDA of \$1,281.2 million and 2017 Adjusted Consolidated EBITDA of \$695.5 million, an increase of 42.7% and 84.2%, respectively.
- We acquired two businesses:
 - (i) Investrack., a provider of client engagement solutions designed for private bank, wealth and investment management firms, for approximately \$7.7 million on October 1, 2019;
 - (ii) Algorithmics, a provider of cloud-based risk analytics and regulatory solutions, for approximately \$89.6 million on November 29, 2019;
- Net cash provided by operating activities was \$1,328.3 million in 2019. This is an improvement of \$688.2 million or 107.5% from 2018.
- We paid down \$2,046.6 million of net debt since acquiring DST Systems, bringing our net leverage ratio to 3.77 times Consolidated EBITDA as of December 31, 2019.

Accordingly, our Board is asking stockholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to our named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation discussion and analysis, the compensation tables and any related narrative disclosures in this proxy statement, is hereby approved.¹

Directors' Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS BY VOTING "FOR" PROPOSAL 2

¹ Unless otherwise indicated on your proxy or in the instructions provided in the Notice of Internet Availability of Proxy Materials, your shares will be voted "FOR" the approval of the compensation of our named executive officers.

Executive and Director Compensation

Compensation Discussion and Analysis

Our executive compensation program is overseen and administered by our Compensation Committee, which currently consists of Messrs. Daniels and Zamkow. Our Compensation Committee operates under a written charter adopted by our Board and discharges the responsibilities of the Board relating to the compensation of our executive officers. For 2019, our named executive officers were Messrs. Stone, Kanwar, Pedonti, Frank and Boulanger. On August 1, 2019, Mr. Boulanger retired as an executive officer and transitioned into a role as Special Advisor to the Chief Executive Officer. Mr. Boulanger retired as an employee and from his role as Special Advisor on February 3, 2020.

Executive compensation objectives

The primary objectives of the Compensation Committee with respect to executive compensation are to:

- attract, retain and motivate the best possible executive talent;
- reward successful performance by the named executive officers and the Company; and
- align the interests of the named executive officers with those of our stockholders by providing long-term equity compensation.

To achieve these objectives, our Compensation Committee seeks to compensate our executives at levels it believes are competitive with those of other companies that compete with us for executive talent in our industry and in our region. While we have not retained a compensation consultant to review our executive compensation practices or formally benchmarked our compensation against that of other companies, our Compensation Committee has designed our compensation program to reward our named executive officers based on a number of factors, including the Company's operating results, the Company's performance against budget, individual performance, prior-period compensation and prospects for individual growth. Changes in compensation are generally incremental in nature and do not vary widely from year to year, but follow a general trend of increasing compensation as our business and profits grow. Many of the factors that affect compensation are subjective in nature and not tied to peer group analyses, surveys by compensation consultants or other statistical criteria.

Process for administering our executive compensation practices

Our Compensation Committee has overall responsibility for administering our executive officer compensation program. Our Chief Executive Officer typically presents salary, bonus and equity compensation recommendations to our Compensation Committee and our Compensation Committee, in turn, considers his recommendations and exercises ultimate approval authority. Our Chief Executive Officer's recommendations are based on his years of experience in the financial services and software industries and his desire to motivate the executive officers and ensure their commitment to the Company. For each executive officer, including himself, our Chief Executive Officer prepares a description for our Compensation Committee of the individual's performance during the prior year and recommends salary, bonus and equity amounts based upon his responsibilities and contributions to the Company's performance. For the compensation of our executive officers other than our Chief Executive Officer, our Compensation Committee considers our Chief Executive Officer's recommendations and discusses his reviews and recommendations with him as part of its deliberations. For our Chief Executive Officer's compensation, our Compensation Committee considers his recommendations and generally conducts its deliberations without him present. In this determination, as in other compensation matters, our Compensation Committee exercises its independent judgment. After due consideration, our Compensation Committee accepted the Chief Executive Officer's recommendations for 2019 executive officer base salaries, cash bonuses and stock option awards.

At our 2019 Annual Meeting of Stockholders, stockholders did not express support for the compensation of our named executive officers, with approximately 58% of the votes cast voting against approval of the "say-on-pay" advisory vote on executive compensation. In establishing 2019 executive compensation, our Compensation Committee considered the results of the 2019 advisory vote as well as the other factors described above. Our Compensation Committee did not make changes to our executive compensation program and policies as a result of the 2019 "say-on-pay" advisory vote.

Components of Our Executive Compensation

The primary elements of our annual executive compensation program are:

- base salary;

- discretionary annual cash bonuses; and
- stock option awards.

We have no formal or informal policy or target for allocating compensation between long-term and short-term compensation, between cash and non-cash compensation or among the different forms of non-cash compensation. Instead, our Compensation Committee (based in part on input from our Chief Executive Officer) determines subjectively what it believes to be the appropriate level and mix of the various compensation components. While we describe below the connection between each element of executive compensation and particular compensation objectives, we believe that each element promotes multiple compensation objectives.

Base Salary

Base salary is used to recognize the experience, skills, knowledge and responsibilities required of all our employees, including our executive officers. In establishing base salaries for 2019, our Compensation Committee considered a variety of factors, including the seniority of the individual, the level of the individual's responsibility, the ability to replace the individual, the individual's tenure at the Company, relative pay among the executive officers, and our Chief Executive Officer's input. Generally, we believe that executive base salaries should grow incrementally over time and that more of the "upside" of compensation should rest with the performance-based components (that is, cash bonuses and long-term equity incentive compensation).

Base salaries are reviewed at least annually by our Compensation Committee and are adjusted from time to time to realign salaries with market levels after taking into account the performance of the Company and each executive officer's responsibilities, performance and experience. In March 2019, our Compensation Committee established the 2019 base salaries of our executive officers as follows: Mr. Stone, \$875,000, Mr. Kanwar, \$575,000, Mr. Pedonti, \$400,000, Mr. Frank, \$750,000 and Mr. Boulanger, \$550,000. On August 1, 2019, Mr. Boulanger transitioned into the role of Special Advisor to the Chief Executive Officer and his base salary was adjusted to \$100,000 for the remainder of the year. In March 2020, our Compensation Committee evaluated the base salaries of executive officers (except of Mr. Boulanger who retired as an employee on February 3, 2020) and decided not to make any changes from the levels described above.

Annual Cash Bonus

The payment of annual cash bonuses to our executive officers and other employees is discretionary, and for our executive officers, subject to the terms of our Executive Bonus Plan (the "Bonus Plan"). Annual cash bonuses are generally provided to employees whether or not we meet our budgeted results, but the amount available for bonuses to all employees, including the executive officers, varies according to our financial results. Annual cash bonuses are intended to compensate for strategic, operational and financial successes of the Company as a whole, as well as individual performance and growth potential.

For 2019, our Compensation Committee established the overall executive officer bonus pool (as defined below). Our Compensation Committee has overall authority for determining 2019 annual bonus amounts for each executive officer, but considers proposals and recommendations from the Chief Executive Officer. Our Compensation Committee made a final decision with respect to 2019 annual bonuses in March 2020. In making bonus recommendations to our Compensation Committee for the executive officers, our Chief Executive Officer, after taking into account the positive or negative impact of events outside the control of management or an individual executive, made a subjective judgment of each executive's performance in the context of a number of considerations, including the overall economy and our financial performance, revenues and financial position going into the new fiscal year, each executive's (including his own) work in managing the business, establishing internal controls, mentoring staff, completing and integrating acquisitions, reducing costs, responding to market conditions and maintaining our profitability.

The decisions described below reflect the practice that our Compensation Committee does not fix a target bonus for each year; instead, subject to the terms of the Bonus Plan, it draws on subjective factors and executive officer performance evaluations in arriving at its bonus decisions.

Mr. Stone's bonus for 2019 was \$14,000,000. The Committee's approval of Mr. Stone's bonus took into account our profitability, his successful recruitment of new managers, his efforts to increase our revenues from \$3.4 billion in 2018 to \$4.6 billion in 2019 and our Adjusted Consolidated EBITDA from \$1.3 billion in 2018 to \$1.8 billion in 2019, his activities

regarding acquisitions including the completed acquisitions of Investrack and Algorithmics in 2019, and his maintenance of high-level relationships with our key clients.

Mr. Kanwar's bonus for 2019 was \$6,000,000. The Committee's approval of Mr. Kanwar's bonus took into account his responsibilities as President and Chief Operating Officer, his role in the acquisitions of the Investrack and Algorithmics businesses, his contributions to our 2019 financial results and his attention to his overall executive management team.

Mr. Pedonti's bonus for 2019 was \$2,500,000. The Committee's approval of Mr. Pedonti's bonus took into account his solid management skills, his expanded role in personnel and investor relations matters, his role in negotiating and implementing the Investrack and Algorithmics businesses, his responsibility for maintaining our internal controls, and his success in building and maintaining a strong finance team.

Mr. Frank's bonus for 2019 was \$2,250,000. The Committee's approval of Mr. Frank's bonus took into account his performance as Chief Legal Officer for our businesses, successful management of our litigation matters, the integration of operations of the Investrack and Algorithmics businesses and the successful administration of his overall legal team.

As a result of his transition to Special Advisor, and subsequent retirement in February 2020, Mr. Boulanger did not receive a bonus for 2019.

The bonus pool for executive officers is determined under the terms of our Bonus Plan, which, for 2019, was \$24.75 million. Adjusted Consolidated EBITDA is a non-GAAP financial measure used in key financial covenants contained in our senior credit facilities, which are material facilities supporting our capital structure and providing liquidity to our business. Adjusted Consolidated EBITDA is defined as earnings before interest, taxes, depreciation and amortization (EBITDA), further adjusted to exclude stock compensation expense, unusual items and other adjustments permitted in calculating covenant compliance under the senior credit facilities, excluding acquired EBITDA. Adjusted Consolidated EBITDA does not represent net income or cash flow from operations as those terms are defined by GAAP and does not necessarily indicate whether cash flows will be sufficient to fund cash needs. The following is a reconciliation of net income to Adjusted Consolidated EBITDA for fiscal 2019.

(in millions)	Year ended December 31, 2019
Net income	\$ 438.5
Interest expense, net	404.9
Provision for income taxes	93.2
Depreciation and amortization	775.2
EBITDA	1,711.8
Stock-based compensation	72.4
Acquired EBITDA and cost savings ⁽¹⁾	49.6
Non-cash portion of straight-line rent expense	0.1
Loss on extinguishment of debt, net	7.1
Equity in earnings of unconsolidated affiliates, net	(3.6)
Purchase accounting adjustments ⁽²⁾	14.0
ASC 606 adoption impact	19.0
Other ⁽³⁾	7.1
Consolidated EBITDA	1,877.5
Less: acquired EBITDA	(49.6)
Adjusted Consolidated EBITDA	\$ 1,827.9

- (1) Acquired EBITDA reflects the EBITDA impact of businesses that were acquired during the year as if the acquisition occurred at the beginning of the year, as well as cost savings enacted in connection with acquisitions.
- (2) Purchase accounting adjustments include (a) an adjustment to increase revenues by the amount that would have been recognized if deferred revenue were not adjusted to fair value at the date of acquisition and (b) an adjustment to increase personnel and commissions expense by the amount that would have been recognized if prepaid commissions and deferred personnel costs were not adjusted to fair value at the date of the acquisitions.
- (3) Other includes expenses and income that are permitted to be excluded per the terms of our Credit Agreement from Consolidated EBITDA, a financial measure used in calculating our covenant compliance. These include expenses and

income related to foreign currency transactions, investment gains and losses, facilities and workforce restructuring, legal settlements, business acquisitions and other items.

Stock Option Awards

Our Compensation Committee believes that equity-based incentive compensation is an important component of executive compensation. In 2019, our named executive officers were granted stock options that vest over four years from the date of grant. Our Compensation Committee believes that our stock option program is an appropriate equity incentive vehicle because stock options promote long-term performance by providing rewards only if, and to the extent that, our stock price improves, which both aligns the interests of our named executive officers with those of our stockholders and encourages long-term, sustained growth, while also promoting retention through multi-year vesting.

On December 23, 2019, we awarded our named executive officers long-term incentive compensation under our Second Amended and Restated 2014 Stock Incentive Plan in the form of stock options to purchase an aggregate of 1,050,000 shares of our common stock. Of these option grants, Mr. Stone received an option to purchase 450,000 shares of our common stock, Mr. Kanwar received an option to purchase 275,000 shares of our common stock, Mr. Pedonti received an option to purchase 175,000 shares of our common stock, and Mr. Frank received an option to purchase 150,000 shares of our common stock. The number of options was subjectively determined by our Compensation Committee based on an assessment of the relative contributions and efforts of each executive officer and recommendations received from our Chief Executive Officer. These options have an exercise price of \$61.16 per share, which was equal to the closing price of our common stock as reported on The Nasdaq Global Select Market on the date of the grant.

The options awarded on December 23, 2019 vest 25% on the first anniversary of grant and 1/36th each month thereafter until fully vested on the fourth anniversary of grant (subject to acceleration of vesting in connection with a change of control event and the other terms and conditions set forth in the plan and the award agreements), subject to the recipient's continued service with the Company on each applicable vesting date.

Benefits and Perquisites

We offer a variety of benefit programs to all eligible employees, including our executive officers. Our executive officers generally are eligible for the same benefits on the same basis as other employees, including medical, dental and vision benefits, life insurance coverage and short-and long-term disability coverage. All eligible employees are also able to contribute to our 401(k) plan and receive matching Company contributions under the plan. In addition, our executive officers are entitled to reimbursement for reasonable business travel and other expenses incurred during the performance of their duties in accordance with our expense reimbursement policy.

We limit the use of perquisites as a method of compensation and provide our executive officers with only those perquisites that we believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain talented employees for key positions.

Severance and Change of Control Benefits

Messrs. Stone and Frank are our only named executive officers with employment agreements. These agreements entitle each of Messrs. Stone and Frank to specified benefits in the event of the termination of employment under certain circumstances, as described in detail under the captions "CEO Employment Agreement", "Chief Legal Officer Employment Agreement" and "Potential Payments Upon Termination or Change of Control" below. Our Compensation Committee believes these employment agreements continue to be beneficial to the Company in retaining Messrs. Stone and Frank.

The time-based stock options awarded to our named executive officers and the restricted stock units awarded to Mr. Frank each vest in full immediately prior to the effectiveness of a change of control. Our Compensation Committee believes this practice is appropriate and reasonable in order to encourage our executives to be open to responding to potential transactions beneficial to our stockholders without focusing on their personal compensation and employment in such transactions, particularly since our named executive officers other than Messrs. Stone and Frank do not have contractual severance protections.

Accounting and Tax Implications

The accounting and tax treatment of particular forms of compensation do not materially affect our compensation decisions. However, we evaluate the effect of such accounting and tax treatment on an ongoing basis and will make modifications to compensation policies where we deem it appropriate. For instance, Section 162(m) of the Internal Revenue Code generally disallows a tax deduction for compensation in excess of \$1.0 million paid by a public company to its chief executive officer and to each other officer (other than the chief financial officer) whose compensation is required to be reported to our stockholders pursuant to the Exchange Act. However, prior to the enactment of the Tax Cuts and Jobs Act of 2017 (the “TCJA”), certain compensation, including qualified “performance-based compensation,” was not subject to the deduction limit if certain requirements were met.

Under the TCJA, the qualified “performance-based compensation” exemption was repealed, effective for taxable years beginning after December 31, 2017, except to the extent that certain contractual arrangements in place prior to November 2, 2017

In the exercise of its business judgment, and in accordance with its compensation philosophy, our Compensation Committee continues to have the flexibility to award compensation that is not tax deductible if it determines that such award is in our shareholders’ best interests.

Report of the Compensation Committee

Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with our management. Based on this review and discussion, our Compensation Committee recommended to our Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

- (1) In the event that Mr. Frank’s employment is terminated for cause or without good reason (each as defined under “Chief Legal Officer Employment Agreement” above), he will be entitled to his unpaid base salary through the date of the termination, payment of any annual bonus earned with respect to a completed fiscal year that is unpaid as of the date of termination and any benefits due to him under any employee benefit plan, policy, program, arrangement or agreement.
- (2) Unvested time-based stock options and restricted stock units will become fully vested and exercisable immediately prior to the effective date of a change of control.
- (3) Consists of 75% of Mr. Frank’s 2019 base salary.
- (4) Consists of 75% of Mr. Frank’s guaranteed annual bonus.
- (5) Consists of a cash payment equal to Mr. Frank’s performance annual bonus for the year in which death or disability occurs. Such payment will be determined according to actual performance, which is assumed to be at target performance in the table above.
- (6) Consists of (i) vesting acceleration with respect to unvested options to purchase an aggregate of 443,750 shares of our common stock and (ii) vesting acceleration with respect to 5,257 unvested restricted stock units, which is equal to 100% of all unvested options and restricted stock units, as applicable, held by Mr. Frank on December 31, 2019. The value of acceleration of the vesting of stock options is calculated based on the difference between the respective exercise price of the options and \$61.40 (the closing price of our common stock on The Nasdaq Global Select Market on December 31, 2019). The value of acceleration of the vesting of restricted stock units is based on the closing price of our common stock on The Nasdaq Global Select Market on December 31, 2019.

(7) Represents 18 months of coverage of the employer portion of insurance premiums with respect to Mr. Frank’s COBRA continuation premiums under SS&C medical plans.

In the event that the severance and other benefits provided for in Mr. Frank’s employment agreement or otherwise payable to him in connection with a change of control constitute “parachute payments” within the meaning of Section 280G of the Internal Revenue Code and are therefore subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then Mr. Frank will receive such payments reduced to the largest amount that will result in no portion of such payments being subject to the excise tax imposed by Section 4999 of the Code; provided however that if it is determined that the net after-tax amounts Mr. Frank would receive, after taking into account both income taxes and any excise tax imposed under Section 4999 of the Code is greater than the net after-tax amount of the amount reduced, Mr. Frank will instead receive the amounts unreduced.

Other Named Executive Officers

Assuming a termination date of December 31, 2019, other than Messrs. Stone and Frank, none of our named executive officers had any arrangement providing for severance payments. Time-based stock options granted under our 2006 Equity Incentive Plan, 2008 Stock Incentive Plan and Second Amended and Restated 2014 Stock Incentive Plan will become fully vested and exercisable immediately prior to the effective date of a change of control.

As of December 31, 2019, Messrs. Kanwar, Pedonti, and Boulanger held the following unvested stock options that would have become fully vested upon a change of control.

Name	Number of shares underlying unvested options (#)	Value of unvested options (\$) ⁽¹⁾
Rahul Kanwar	713,959	7,962,780
Patrick J. Pedonti	425,000	5,041,700
Normand A. Boulanger	203,754	4,416,341

(1) The value of unvested options was calculated by multiplying the number of shares underlying unvested options by \$61.40 (the closing price of our common stock as reported on The Nasdaq Global Select Market on December 31, 2019) and then deducting the aggregate exercise price for these options.

Normand A. Boulanger

Pursuant to a letter agreement, on August 1, 2019, Mr. Boulanger transitioned into a role as Special Advisor to the Chief Executive Officer. The letter agreement provides that Mr. Boulanger was to receive a salary of \$100,000 and be eligible to receive an annual cash incentive bonus, at the Company’s sole discretion, based on his efforts on leading the SS&C Singularity project in addition to such other duties and responsibilities as may be agreed. Mr. Boulanger’s equity awards continued to vest in accordance with the schedule set forth in the individual grant agreements. On February 3, 2020, Mr. Boulanger retired as an employee of SS&C and as Special Advisor to the Chief Executive Officer and continues to serve as a director on our Board.

2019 Pay Ratio Disclosure

Pay Ratio

In accordance with the requirements of the Pay Ratio Rule, we are providing the following estimated information for 2019:

- the annual total compensation of our Chief Executive Officer was \$21,620,325;
- the median of the annual total compensation of all our employees (except our Chief Executive Officer) was \$133,054; and
- the ratio of these two amounts was 162 to 1.

SEC rules for identifying the median employee and calculating the pay ratio allow companies to apply various methodologies and apply various assumptions and, as a result, the pay ratio reported by us may not be comparable to the pay ratio reported by other companies.

Methodology for Identifying Our “Median Employee”

Employee Population

To identify our “median employee”, we first determined our total employee population as permitted under the Pay Ratio Rule. We determined that, as of December 31, 2019 (the date we selected for purposes of identifying our median employee), our employee population consisted of approximately 22,945 individuals (of which approximately 48% were located in the United States and 52% were located in jurisdictions outside the United States). Our employee population consisted of our global workforce of full-time and part-time employees, as described in more detail below.

Adjustments to our Employee Population

As permitted by the Pay Ratio Rule, we adjusted our total employee population for purposes of identifying our “median employee” by excluding 1,054 (or 4.6%) of our employees who were located in certain jurisdictions outside of the United States, as follows: 567 employees from Thailand, 182 employees from China; 144 employees from Pakistan; 76 employees from Malaysia; 56 employees from Romania; 24 employees from Brazil; and 5 employees from South Korea.

After taking into account this adjustment to our employee population, our total adjusted employee population for purposes of determining our “median employee” consisted of approximately 21,891 individuals.

Determining our Median Employee

To identify our “median employee” from our total adjusted employee population, we compared these employees’ base pay. In making this determination, we annualized the compensation of our full-time and part-time employees who were hired in 2019 but did not work for us for the entire fiscal year. We identified our “median employee” using this compensation measure, which was consistently applied to all of our employees included in the calculation.

We did not make any cost-of-living adjustments in identifying our “median employee”.

Our Median Employee

Using the methodologies described above, we determined that our “median employee” was a full-time, salaried employee located in the United Kingdom, with base pay in the amount of \$53,044.

Determination of Annual Total Compensation of our “Median Employee” and our CEO

Once we identified our “median employee”, we then calculated such employee’s annual total compensation for 2019 using the same methodology we used for purposes of determining the annual total compensation of our NEOs for 2019 (as set forth in the 2019 Summary Compensation Table on page 19 of this Proxy Statement).

Our CEO’s annual total compensation for 2019 for purposes of the Pay Ratio Rule is equal to the amount reported in the “Total” column in the 2019 Summary Compensation Table.

2019 Director Compensation

For 2019, Ms. Conjeevaram and Messrs. Daniels, Michael, Varsano and Zamkow each received an annual retainer fee of \$25,000 and a Board meeting attendance fee of \$2,500 per meeting (if attended in person), as well as the equity compensation described below. Members of our Audit Committee received a committee attendance fee of \$1,500 per meeting (payable for in-person and telephonic attendance). Mr. Stone and Mr. Boulanger, as employees of the Company, do not receive any additional compensation for Board service. All of our directors are reimbursed for reasonable out-of-pocket expenses associated with their service on the Board. The following table contains information with respect to the compensation of our non-employee directors for fiscal 2019.

(3) Includes an annual retainer of \$25,000 and \$7,500 for attending Board meetings in person.

(4) The amounts in this column reflect the aggregate accounting grant date fair value of options granted to our non-employee directors in fiscal 2019, computed in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718. The assumptions used by us in the valuation of the equity awards are set forth in Note 13 of the notes to our audited consolidated financial statements for the year ended December 31, 2019 included in our Annual Report on Form 10-K filed with the SEC on February 28, 2020. At the time of the Company's annual stockholders meeting on May 15, 2019, each non-employee director not employed by the Company was granted a stock option to purchase 3,000 shares of our common stock at an exercise price of \$58.71 per share. These grants to our non-employee directors are 100% vested and exercisable on the date of grant and expire on May 15, 2029. As of December 31, 2019, the aggregate number of stock options outstanding for each of our non-employee directors was as follows: Ms. Conjeevaram—57,500; Mr. Daniels—69,500; Mr. Michael—81,500; Mr. Varsano—56,500; and Mr. Zamkow—63,500.

The Audit Committee has appointed the firm of PricewaterhouseCoopers LLP, an independent registered public accounting firm, to audit our books, records and accounts for fiscal 2020. This appointment is being presented to the stockholders for ratification at the 2020 annual meeting.

PricewaterhouseCoopers LLP, or PwC, has no direct or indirect material financial interest in our Company or our subsidiaries. Representatives of PwC are expected to be present at the 2020 annual meeting and will be given the opportunity to make a statement on the firm's behalf if they so desire. The representatives also will be available to respond to appropriate questions.

The following table summarizes the fees of PwC billed to us for each of fiscal 2019 and fiscal 2018 (in thousands).

Nature of Service	2019	2018
Audit Fees ⁽¹⁾	\$ 9,456,054	\$ 10,116,589

All Other Fees ⁽⁴⁾	19,383	7,884

- (1) Audit fees consist of fees for the audit of our financial statements, the review of the interim financial statements included in our Quarterly Reports on Form 10-Q, and services related to our filing of a Registration Statement on Forms S-4 in 2018 and S-8 in 2019, such as the issuance of consents.
- (2) Audit-related fees consist of fees for assurance and related services that are reasonably related to the performance of the audit and the review of our financial statements and which are not reported under "Audit Fees." These services relate to accounting consultations in connection with acquisitions, procedures performed for SSAE 16 reports, attest services that are not required by statute or regulation and consultations concerning internal controls, financial accounting and reporting standards.
- (3) Tax fees consist of fees for tax compliance, tax advice and tax planning services. Tax compliance services relate to preparation of original and amended tax returns, claims for refunds and tax payment planning services. Tax advice and tax planning services relate to assistance with tax audits and appeals, tax advice related to acquisitions and requests for rulings or technical advice from taxing authorities.
- (4) All other fees for 2019 and 2018 consist of other advisory and consulting services.

All the services described above were approved by our Audit Committee. The Audit Committee is responsible for the appointment, compensation and oversight of the work performed by the independent registered public accounting firm. The Audit Committee must pre-approve all audit (including audit-related) services and permitted non-audit services provided by the independent registered public accounting firm in accordance with the pre-approval policies and procedures established by the Audit Committee. The Audit Committee annually approves the scope and fee estimates for the quarterly reviews, year-end audit, statutory audits and tax work to be performed by our independent registered public accounting firm for the next fiscal year. With respect to other permitted services, management defines and presents specific projects and categories of service for which the advance approval of the Audit Committee is requested. The Audit Committee pre-approves specific engagements, projects and categories of services on a fiscal year basis, subject to individual project thresholds and annual thresholds. In assessing requests for services by the independent registered public accounting firm, the Audit Committee considers whether such services are consistent with the independent registered public accounting firm's independence, whether the independent registered public accounting firm is likely to provide the most effective and efficient service based upon their familiarity with us, and whether the service could enhance our ability to manage or control risk or improve audit quality.

Proxies solicited by management will be voted for the ratification of the appointment of PwC unless stockholders specify otherwise. Although we are not required to submit the appointment to a vote of the stockholders, our Board believes it is appropriate as a matter of policy to request that the stockholders ratify the appointment of PwC as our independent registered public accounting firm. If the stockholders do not ratify the appointment, the Audit Committee may investigate the reasons for stockholder rejection and consider whether to retain PwC or appoint another independent registered public accounting firm. Even if the appointment is ratified, our Board and the Audit Committee in their discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of our Company and our stockholders.

Related Person Transactions

Policies and Procedures for Related Person Transactions

Our Board has adopted written policies and procedures for the review of any transaction, arrangement or relationship in which we have been or are a participant, the amount involved exceeds \$120,000, and one of our executive officers, directors, director nominees or 5% stockholders (or their immediate family members), each of whom we refer to as a “related person,” has had or has a direct or indirect material interest. Such a transaction, arrangement or relationship is referred to as a “related person transaction.”

Any related person transaction must be reported to our Chief Legal Officer and will be reviewed and approved by the Audit Committee in accordance with the terms of the policy, prior to effectiveness or consummation of the transaction, whenever practicable. If the Chief Legal Officer determines that advance approval of a related person transaction is not practicable under the circumstances, the Audit Committee will review and, in its discretion, may ratify the related person transaction at its next meeting, or at the next meeting following the date that the related person transaction comes to the attention of the Chief Legal Officer; provided, however, that the Chief Legal Officer may present a related person transaction arising in the time period between meetings of the Audit Committee to the Chair of the Audit Committee, who will review and may approve the related person transaction, subject to ratification by the Audit Committee at its next meeting. In addition, any related person transaction previously approved by the Audit Committee or otherwise already existing that is ongoing in nature will be reviewed by the Audit Committee annually to ensure that it has been conducted in accordance with the previous approval granted by the Audit Committee, if any, and that all required disclosures regarding the related person transaction are made.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person’s interest in the transaction. As appropriate for the circumstances, the Audit Committee will review and consider:

- the related person’s interest in the related person transaction;
- the approximate dollar value of the amount involved in the related person transaction;
- the approximate dollar value of the amount of the related person’s interest in the transaction without regard to the amount of any profit or loss;
- whether the transaction was undertaken in the ordinary course of our business;
- whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party;
- the purpose of, and the potential benefits to us of, the transaction; and
- any other information regarding the related person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

The Audit Committee may approve or ratify the related person transaction only if the Audit Committee determines that, under all of the circumstances, the transaction is in, or is not inconsistent with, our best interests. The Audit Committee may, in its sole discretion, impose any conditions it deems appropriate on the Company or the related person in connection with approval of the related person transaction.

In addition to the transactions that are excluded by the instructions to the SEC’s related person transaction disclosure rule, our Board has determined that the following do not create a material direct or indirect interest on behalf of a related person and, therefore, are not related person transactions for purposes of our related person transaction policy:

- interests arising solely from the related person’s position as an executive officer of another entity (whether or not the person is also a director of such entity) that is a participant in the transaction, where (a) the related person and all other related persons own in the aggregate less than a 10% equity interest in such entity, (b) the related person and his or her immediate family members (as defined in the policy) are not involved in the negotiation of the terms of the transaction with the Company and do not receive any special benefits as a result of the transaction or (c) the amount involved in the transaction equals less than the greater of \$200,000 or 5% of the annual gross revenues of the company receiving payment under the transaction; or
- a transaction that is specifically contemplated by provisions of the Certificate or By-laws of the Company.

The policy provides that transactions involving compensation of executive officers will be reviewed and approved by the Compensation Committee in the manner specified in its charter.

Related Person Transactions

Stockholders Agreement

The Company is a party to a Stockholders Agreement with Mr. Stone that entitles him to nominate two directors, one of whom shall be Mr. Stone for so long as he is our Chief Executive Officer. The number of Board members Mr. Stone is entitled to nominate (including himself) will be reduced to one director if Mr. Stone holds less than 15% of our common stock. Mr. Stone's rights under the Board nomination provisions of the Stockholders Agreement will terminate at such time as he holds less than 10% of our common stock.

The provisions of the Stockholders Agreement also require that, so long as Mr. Stone is a member of our Board and the Chief Executive Officer of the Company, he will serve as Chairman of the Board.

Registration Rights Agreement

The Company and Mr. Stone are parties to a Registration Rights Agreement, under which Mr. Stone can demand that we file a registration statement for all or a portion of his common stock. Mr. Stone is also entitled to request that his shares be covered by a registration statement that we are otherwise filing with respect to our common stock. In either event, the Company is required to pay all expenses of Mr. Stone in connection with the registration (other than underwriting discounts and commissions and transfer taxes applicable to the sale of registerable securities). The Registration Rights Agreement also provides that the Company will indemnify Mr. Stone, and Mr. Stone will indemnify the Company, for certain matters in connection with the registration of Mr. Stone's shares. The registration rights in the Registration Rights Agreement are subject to certain conditions and limitations specified in the Registration Rights Agreement, including the right of the underwriters of an offering to limit the number of shares included in certain registrations.

Stone, our Chairman of the Board of Directors and Chief Executive Officer, has an economic interest in SILAC and is a member of its board of directors. Accordingly, the transaction constitutes a "related person transaction" under our related person transaction policy. Our audit committee and the independent members of our Board of Directors authorized and approved the transaction. Mr. Stone did not participate in the Board of Directors' consideration of the transaction.

Information About the 2020 Annual Meeting

YOUR VOTE IS IMPORTANT!

You are cordially invited to attend the 2020 annual meeting. However, to ensure that your shares are represented at the 2020 annual meeting and that the Company has the quorum necessary to convene the 2020 annual meeting and conduct business, even if you plan to attend the 2020 annual meeting in person, please complete, sign, date and return the enclosed proxy card promptly. Submitting a proxy or voting instructions in advance will not prevent you from attending the 2020 annual meeting and voting in person, if you so desire. A postage-paid, return-addressed envelope is enclosed for your convenience. No postage need be affixed if mailed in the United States. Your cooperation in giving this your immediate attention is appreciated.

Voting Procedures

You may vote either in person at the 2020 annual meeting, over the internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials or by proxy. To vote by proxy, you must:

- Complete all of the required information on the proxy card.
- Date and sign the proxy card.
- Return the proxy card in the enclosed postage-paid envelope. We must receive your proxy card before the 2020 annual meeting for your proxy to be valid and for your vote to count.
- If you are not the stockholder of record and hold shares through a bank, broker or other nominee, such agent may have special voting instructions that you should follow. You should contact your bank, broker or other nominee to obtain instructions for voting your shares.

Whether or not you expect to be present in person at the 2020 annual meeting, you are requested to complete, sign, date and return the enclosed form of proxy (or, if you are a stockholder accessing these proxy materials via the internet, you are requested to vote by following the instructions for voting provided in the Notice). The shares represented by your proxy will be voted in accordance with your instructions. If you attend the 2020 annual meeting, you may vote by ballot. If you want to vote in person at the 2020 annual meeting and you own your shares through a bank, broker or other nominee, you must obtain a proxy from that party in its capacity as owner of record for your shares and bring the proxy to the 2020 annual meeting.

Your properly completed proxy card will appoint William C. Stone, Patrick J. Pedonti and Joseph J. Frank as proxy holders, or your representatives, to vote your shares in the manner directed therein by you. Mr. Stone is our Chairman and Chief Executive Officer, Mr. Pedonti is our Senior Vice President and Chief Financial Officer and Mr. Frank is our Senior Vice President, Chief Legal Officer and Secretary. Your proxy permits you to direct the proxy holders to:

- vote “FOR” or withhold your votes from any of the three nominees for director;
- vote “FOR,” “AGAINST” or “ABSTAIN” from the non-binding resolution to approve the compensation of our named executive officers;
- vote “FOR,” “AGAINST” or “ABSTAIN” from the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for fiscal 2020.

All shares entitled to vote and represented by properly completed proxies received prior to the 2020 annual meeting and not revoked will be voted at the 2020 annual meeting in accordance with your instructions. If you do not indicate how your shares are to be voted on a matter, the shares represented by your properly completed proxy will be voted “FOR” the election of the nominee for director, “FOR” the non-binding resolution to approve the compensation of our named executive officers and “FOR” the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for fiscal 2020 and in the discretion of the persons named as proxies in the manner they believe to be in the Company’s best interests as to other matters that may properly come before the 2020 annual meeting.

Revocation of Proxies

You may revoke your proxy at any time before it is exercised by (1) delivering to us a signed proxy card with a date later than the date of your previously delivered proxy, (2) voting in person at the 2020 annual meeting, or (3) changing your vote or revoking your proxy over the internet, or (4) sending a written revocation to our Corporate Secretary at our principal executive offices. Shares represented by valid proxies that are received prior to the 2020 annual meeting and not revoked at or prior to the 2020 annual meeting will be voted at the 2020 annual meeting.

Stockholders Entitled to Vote

Our Board has fixed March 23, 2020 as the record date for the 2020 annual meeting. You are entitled to vote (in person or by proxy) at the 2020 annual meeting if you were a stockholder of record on the record date. On the record date, we had 256,059,373 shares of common stock outstanding (each of which entitles its holder to one vote). Holders of shares of our common stock do not have cumulative voting rights.

Quorum

For all proposals on the agenda for the 2020 annual meeting, the holders of a majority of the shares of common stock issued and outstanding and entitled to vote must be present at the 2020 annual meeting in person or represented by proxy to constitute a quorum. Shares represented by all proxies received, including proxies that withhold authority for the election of a director and/or abstain from voting on a proposal, as well as broker non-votes (as described below), will be counted toward establishing a quorum.

Votes Required

For Proposal 1, each of the director nominees will be elected by a plurality vote of the shares of common stock present at the 2020 annual meeting in person or represented by proxy and entitled to vote. Shares for which the vote is properly withheld and broker non-votes will not be counted toward the nominee's achievement of a plurality and will have no effect on the election of the director.

For Proposal 2, approval of the compensation of our named executive officers, and Proposal 3, ratification of the selection of the independent registered public accounting firm, the affirmative vote of the holders of a majority of the votes cast will be required for approval. Shares that abstain and broker non-votes will not be counted as votes in favor of any proposal and will also not be counted as votes cast. Accordingly, abstentions and broker non-votes will have no effect on the outcome of any proposal.

If you hold shares of common stock through a bank, broker or other nominee, that party may under certain circumstances vote your shares if you do not timely provide them with voting instructions. Banks, brokers or other nominees have discretionary authority to vote customers' unvoted shares on routine matters. Your bank, broker or other nominee cannot vote your shares on any matter that is not considered a routine matter. Proposal 3, ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for fiscal 2020, is considered a routine matter. Proposal 1, the election of three Class I directors and Proposal 2, approval of the compensation of our named executive officers, are not considered routine matters. Shares for which a bank, broker or other nominee cannot vote on a particular matter because that party does not have discretionary voting authority to do so are considered "broker non-votes" on these matters.

Solicitation of Proxies

We will bear the expenses of preparing, printing and assembling the materials used in the solicitation of proxies. In addition to the solicitation of proxies by use of the mail or the Internet, we may also use the services of some of our officers and employees (who will receive no compensation for such services in addition to their regular salaries) to solicit proxies personally and by telephone and email. Banks, brokers or other nominees will be requested to forward solicitation materials to the beneficial owners of shares of record held by them, and we will reimburse them for their reasonable expenses.

How We Use the E-Proxy Process (Notice & Access)

We will distribute proxy materials to certain of our stockholders over the Internet by sending them a Notice of Internet Availability of Proxy Materials that explains how to access our proxy materials and vote online. Many other companies have transitioned to this more contemporary way of distributing annual meeting materials. This "e-proxy" process, which was approved by the SEC in 2007, expedites our stockholders' receipt of these materials, lowers the costs of proxy solicitation

and reduces the environmental impact of our annual meeting. If you received a Notice and would like us to send you a printed copy of our proxy materials, please follow the instructions included in your Notice or visit the applicable online voting website and request printed materials to be mailed at no cost to you.

This proxy statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2019 are available for viewing, printing and downloading at <http://www.ssctech.com/2020annualmeeting>.

If you received printed materials and would like to sign up to receive proxy materials electronically in the future, you may do so by following the instructions below.

- If you are a record holder (your shares are registered in your name with our transfer agent) and you would like to receive future proxy materials electronically, please visit <http://www.ssctech.com/2020annualmeeting> and follow the instructions provided there to request electronic delivery. If you choose this option, you will receive an e-mail with links to access the materials and vote your shares, and your choice will remain in effect until you notify us that you wish to resume mail delivery of these documents.

If you are a beneficial owner (you hold your shares through a bank, broker or other intermediary) and you would like to receive future proxy materials electronically, please refer to the information provided by the intermediary for instructions on how to elect this option.

OTHER MATTERS

As of the date of this proxy statement, we know of no matter not specifically referred to above as to which any action is expected to be taken at the 2020 annual meeting and the advance notice period applicable to the 2020 annual meeting as prescribed by our By-laws has expired. If any other business should properly come before the 2020 annual meeting, the proxies will be voted in the discretion of the proxy holders. Each of the persons appointed by the enclosed form of proxy present and acting at the meeting, in person or by substitute, may exercise all of the powers and authority of the proxies in accordance with their judgment.

Stockholder Proposals and Director Nominations

For 2020 Annual Meeting

Proposals of stockholders intended to be presented at the 2021 annual meeting of stockholders pursuant to Rule 14a-8 under the Exchange Act must be received by us no later than December 8, 2020 in order to be included in the proxy statement and form of proxy relating to that meeting. Proposals should be sent to SS&C Technologies Holdings, Inc., 80 Lambertson Road, Windsor, Connecticut 06095, Attention: Corporate Secretary.

In addition, our By-laws require that we be given advance notice of stockholder nominations for election to our Board and of other business that stockholders wish to present for action at an annual meeting of stockholders (other than matters included in our proxy statement in accordance with Rule 14a-8 under the Exchange Act). The required notice must contain the information required by our By-laws and be delivered by the stockholder and received by the Secretary at our principal executive offices (i) no earlier than 120 days before and no later than 90 days before the first anniversary of the date of the preceding year's annual meeting; or (ii) if the date of the annual meeting is advanced by more than 20 days or delayed by more than 60 days from the first anniversary date, (a) no earlier than 120 days before the annual meeting and (b) no later than 90 days before the annual meeting or 10 days after the day that notice of the annual meeting was mailed or publicly disclosed, whichever occurs first. Assuming the date of our 2020 annual meeting is not so advanced or delayed, stockholders who wish to make a proposal at the 2021 annual meeting (other than one to be included in our proxy statement in accordance with Rule 14a-8 under the Exchange Act) should notify us no earlier than January 20, 2021 and no later than February 19, 2021.

Householding of Proxies

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports and proxy statements with respect to two or more stockholders sharing the same address by delivering a single annual report and/or proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household annual reports and proxy materials, delivering a single annual report and/or proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders.

Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent.

If, at any time, (1) you no longer wish to participate in householding and would prefer to receive a separate annual report and/or proxy statement in the future or (2) you and another stockholder sharing the same address wish to participate in householding and prefer to receive a single copy of our annual report and/or proxy statement, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Investor Relations, SS&C Technologies Holdings, Inc., 80 Lambertson Road, Windsor, Connecticut 06095, or call 860-298-4500.
