Australian Catholic Superannuation and Retirement Fund Adopts SS&C's New Mobile App

10/26/2021

SS&C Bluedoor's new app gives superannuation members real-time access to their accounts

WINDSOR, Conn., Oct. 26, 2021 /PRNewswire/ -- **SS&C Technologies Holdings, Inc.** (Nasdaq: SSNC) today announced the Australian Catholic Superannuation and Retirement Fund (ACSRF), a leading industry super fund, has extended its partnership with SS&C Bluedoor. As part of the agreement, the superannuation fund has implemented a new mobile app for its members.

SS&C Bluedoor's suite of digital solutions includes an app for the superannuation market to improve member accessibility. **SS&C's 2020 Superannuation Survey** found most super members prefer digital communications, including mobile tools. The mobile app is part of ACSRF's omnichannel engagement with members, enabling real-time access to super and pension information from their mobile devices.

"We had developed a leading-edge responsive digital portal, but our members were asking for a mobile application to engage with the fund," said Greg Cantor, ACSRF CEO. "We chose SS&C to deliver our mobile application as they offered a modern, functionally-rich app with a quick time to market and best member value. By leveraging SS&C's technology, we continue to deliver the best possible outcomes for ACSRF's members."

"We are proud to expand our partnership with ACSRF in the Australian market," said Jude Metcalfe, Managing Director, SS&C Australia. "We are excited at the opportunity to help ACSRF achieve their goals of delivering more tools for their members while continuously enhancing their experience."
