## BlueCrest Capital Management Transitions to SS&C for Multi-Asset Execution Management

8/3/2020

Alternatives manager chooses SS&C Eze for reliability and support

WINDSOR, Conn., Aug. 3, 2020 /PRNewswire/ -- [SS&C Technologies Holdings, Inc.](#) (Nasdaq: SSNC) today announced BlueCrest Capital Management has selected SS&C Eze to power its trading.

SS&C Eze's EMS stood out with its advanced trading features and flexibility for traders and portfolio managers on a

single platform. The private alternatives manager transitioned its equities and equity futures and options trading to Eze EMS due to its extensive functionality, reliability and support.

In the past 12 months, SS&C Eze made multiple improvements to trade automation. Ongoing development leverages AI and machine learning for more intelligent trading features. Additionally, the platform offers improved client access to liquidity, more functionality via enhanced APIs, and increased security.

"We are excited to welcome BlueCrest Capital Management to Eze EMS," said Michael Hutner, Senior V.P. and General Manager, SS&C Eze. "SS&C Eze is committed to working closely with our customers to develop, deliver and support technology that will help them successfully navigate the current market environment."
