Institutional brokerage leverages SS&C MarketTrader to enhance trading operations

WINDSOR, Conn., Oct. 6, 2021 /PRNewswire/ -- **SS&C Technologies Holdings, Inc.** (Nasdaq: SSNC) today announced that Bradesco Securities, the institutional brokerage arm of Brazil's Bradesco BBI, has chosen SS&C MarketTrader to power its trading operations.

MarketTrader will serve as Bradesco's core sell-side order management system, supporting multi-asset trading, FIX connectivity, IOI/trade advertisement and commission management. Additionally, MarketTrader will help Bradesco meet CAT and MiFID II reporting requirements. Fully integrated with SS&C FIXLink, the solution supports global access to brokers and institutions.

"We were looking for an easy-to-use and configurable global system, and MarketTrader exceeded our expectations," said Sean Harte, Head of International Sales Trading at Bradesco. "In addition, SS&C's team replaced our previous system in a timely, smooth migration despite a tough remote operating environment. We look forward to continuing our partnership."

"We are pleased to support Bradesco Securities growth," said Marcos Frisaura, V.P. of Financial Markets Group at SS&C. "We ensure customers have best-in-class technology and service to operate efficiently, from order capture to execution through to transaction and compliance reporting."
