Cauris Selects SS&C as Strategic Loan Servicing Partner

5/4/2022

WINDSOR, Conn., May 4, 2022 /PRNewswire/ -- SS&C Technologies Holdings, Inc. (Nasdaq: SSNC) today announced that Cauris, a debt investment manager, has retained SS&C Precision LM to provide administration services for its new private debt fund.

"We were looking for a private debt administration partner to help us bridge the financing gap in the Global South..."
by leveraging DeFi lending protocols and their communities," said Alexandre Liege, Cauris CEO. "With Precision LM, SS&C provides us with a flexible solution to simplify our loan servicing and control risks as we expand."

Cauris leverages DeFi and blockchain to provide access to institutional-grade investment opportunities in companies expanding access to financial inclusion. SS&C’ Precision LM will support the administration of debt financing in the Global South. Cauris selected SS&C for its ability to support multi-currency funds with innovative structures, including funds financed by stable coins.

"We are pleased to be partnering with Cauris as they launch this innovative fund to support traditionally underbanked consumers and small businesses in Asia, Latin America and Africa," said Dan Pallone, Vice President SS&C. "Precision LM is known for its capacity to accommodate cutting-edge financing and to provide best-in-class fund launch support. In a world where ESG-friendly efforts are more important than ever, it is gratifying to see our platform contributing to a fund that helps broaden access to financial inclusion."

More than 125 bank and non-bank lenders and servicers use Precision LM to support their lending operations. Learn more about Precision LM here.
