Gateway Health Extends Relationship with SS&C DST Health Solutions

9/18/2018

Nationally-ranked managed care organization signs multi-year extension
WINDSOR, Conn., Sept. 18, 2018 /PRNewswire/ -- SS&C Technologies Holdings, Inc. (Nasdaq: SSNC), a global provider of financial services software and software-enabled services, today announced that Gateway Health (Gateway) has extended its longstanding relationship with DST Health Solutions in a multiyear agreement, effective January 1, 2019.

Gateway is a nationally-ranked managed care organization that provides healthcare to a growing number of Medicaid and Medicare Advantage consumers. DST Health Solutions will continue to provide BPO claims processing services for Gateway's Medicaid and Medicare Advantage lines of business in Pennsylvania and will support the implementation of a new plan in Arkansas. Gateway will also continue to use CareConnect and CareAnalyzer platforms to ensure resources are allocated to members who are in greatest need of care management.

"The relationship with Gateway Health goes back more than 20 years," said Bill Stone, Chairman and Chief Executive Officer, SS&C Technologies. "In 2016, Gateway began developing a roadmap for its core operational platform to enable its employees and providers to deliver seamless care and support to its members long-term. We are excited to continue working with Gateway to help them achieve operational priorities and expansion into new markets."

DST Health Solutions is committed to delivering contemporary healthcare technology and service solutions that enable clients to thrive in a complex, rapidly evolving healthcare market. DST Health Solutions supports commercial, individual and government-sponsored health plans, health insurance marketplaces and healthcare providers. Services include enterprise payer platforms, population health management analytics, care management and business process outsourcing solutions. Solutions and services are each designed to assist a company manage the processes, information and products that directly impact quality outcomes.

About Gateway Health

Gateway Health is a nationally-ranked managed care organization that focuses on providing the best possible healthcare to a growing number of Medicaid and Medicare Advantage consumers. A not-for-profit organization, Gateway Health serves the needs of at risk and vulnerable citizens with not only healthcare coverage, but services such as disease management, health and wellness programs and preventive care. The organization provides Medicaid services in Pennsylvania, Delaware, West Virginia and Arkansas and Medicare coverage in Pennsylvania, Kentucky, Ohio and North Carolina. Our commitment to helping our members and their communities get and stay healthy is what keeps members, providers, communities and partners "Good with Gateway."
