Eze Eclipse Powers China Fund Launch

WINDSOR, Conn., Sept. 15, 2020 /PRNewswire/ -- **SS&C Technologies Holdings, Inc.** (Nasdaq: SSNC) today announced that Blue Creek Capital Management Limited, a Hong Kong investment manager, has launched its operations on Eze Eclipse. The long/short equity fund manager chose SS&C Eze's cloud-based front-to-back office platform to automate investment processes for its China-focused fund. Eze Eclipse signed 27 fund managers in APAC in the last 12 months, supporting 20 new fund launches.

"When we set out to launch our fund, we sought an all-in-one, easy-to-use solution that we could access from anywhere in the world," said Joseph Zhang, Blue Creek REP. "Eze Eclipse stood out among the competition with its modern, intuitive approach to managing trading operations."

Eze Eclipse provides market data, electronic trading connectivity with a robust compliance engine, real-time exposure and P&L, monitoring, full shadow NAV and historical performance reporting. The self-contained cloud system delivers front-to-back operation management through a browser experience.

Blue Creek's investment team is located in Shanghai and its operations in Hong Kong. The mobility of Eze Eclipse provides the speed and flexibility Blue Creek required to bring its Greater China enterprise together.

"We are pleased to help Blue Creek launch its operations quickly, and look forward to supporting the firm's growth," said Edward Bee, Managing Director, Asia-Pacific, SS&C Eze. "We are committed to serving funds of all types and sizes with innovative technology and hands-on service."

SS&C Eze recently was named "Best Third-Party Technology Provider" in Asia by Waters Technology. Learn more about Eze Eclipse [here](#).
