Producer's National Corp. Selects SS&C to Power Asset Growth

5/18/2021

Illinois insurer chooses SS&C to provide comprehensive middle- and back-office outsourced accounting services WINDSOR, Conn., May 18, 2021 /PRNewswire/ -- **SS&C Technologies Holdings, Inc.** (Nasdaq: SSNC) today announced that Producer's National Corporation (PNC) has chosen SS&C SmartSource to manage accounting and operations across its alternative and fixed income investment portfolios. The platform will service PNC's three insurance companies: Unique Insurance Company, Viva Seguros Insurance Company, and Stonegate Insurance Company. SS&C SmartSource will also support the PNC team as it adds new asset classes to its investment lineup.

"SS&C's extensive insurance expertise and cutting-edge technology enables it to provide us with a single accounting, reporting, and regulatory solution for our investment portfolios," commented Todd Barton, Chief Financial Officer of PNC.

"SmartSource offers flexibility and scalability, along with operational and portfolio transparency, to allow our internal team to focus on what we do best – manage and grow our portfolio of investments," added Paul Nealon, Co-Founder & Managing Partner at ILS Capital, PNC's major shareholder.

SS&C SmartSource provides intelligent, comprehensive outsourcing solutions for middle- and back-office services powered by Singularity, SS&C's next-generation, AI-driven investment analytics, operations and accounting platform. The solution is backed by SS&C's 35 years of insurance-specific domain expertise with complex asset types and regulatory and reporting requirements.

"We are delighted to power PNC's investment accounting operations," said Kyle Fields, Head of SS&C Insurance Solutions. "As we continue to see **convergence of insurance and alternatives**, we look forward to supporting the PNC team with the tools they need to scale and diversify into more complex asset classes."
