SS&C ALPS Advisors Announces Active REIT ETF (REIT)

2/26/2021

Partnership with GSI Capital Advisors and Blue Tractor will support expansion into active ETFs
WINDSOR, Conn., and DENVER, Feb. 26, 2021 /PRNewswire/ -- SS&C Technologies Holdings, Inc. (Nasdaq: SSNC) today announced that SS&C ALPS Advisors has partnered with GSI Capital Advisors and Blue Tractor Group to launch the ALPS Active REIT ETF (Nasdaq: REIT). The ETF provides access to an active and flexible real estate investment trust (REIT) investment strategy in a low-cost, tax-efficient ETF structure.

REIT investments provide income, portfolio diversification, and potential for long-term total return. The ALPS Active REIT ETF (Nasdaq: REIT) offers investors a research-driven, high conviction, flexible investment process and the ability to invest across the spectrum of both core and non-core REITs.

"Our team is committed to providing advisors and institutions with industry-leading investment solutions," said Laton Spahr*, President of SS&C ALPS Advisors. "The ALPS Active REIT ETF (Nasdaq: REIT) is part of our natural evolution to expand investor access to actively-managed, alpha-generating institutional-quality investment managers." SS&C's award-winning ETF Services team will provide a full range of support solutions for the REIT ETF.

"GSI Capital Advisors is excited to partner with SS&C ALPS Advisors to bring our boutique investment approach and 50-plus years of collective investment experience to an innovative investment product. The ALPS Active REIT ETF enables access to our active REIT strategy in an investor-friendly, cost-efficient structure," said Craig Leupold, CEO of GSI Capital Advisors. "Our focused expertise in the publicly traded real estate securities space makes us ideally suited to deliver attractive, risk-adjusted returns to investors seeking to add REITs to their portfolios."

"Our Shielded AlphaSM ETF structure permits active portfolio management within an ETF wrapper," said Terry Norman, founder of Blue Tractor Group. "We're thrilled to be working with both SS&C ALPS Advisors and GSI Capital Advisors to provide the technology to support the introduction of this active REIT strategy in a way that

benefits both investors and asset managers."

"We're delighted to be launching REIT, the first semi-transparent ETF listed on Nasdaq," said Giang Bui, Head of Exchange Traded Products at Nasdaq. "As the inventor of the first fully electronic market back in 1971, Nasdaq has a 50-year history of driving innovation that is reshaping the capital markets ecosystem. Today's launch in collaboration with SS&C ALPS Advisors further advances our efforts in transforming the rapidly evolving ETF space."
