SS&C Eze Expands Its Reach In 2018

2/25/2019

Innovation and service drove growth across market segments

WINDSOR, Conn., Feb. 25, 2019 /PRNewswire/ -- **SS&C Technologies Holdings, Inc.** (Nasdaq: SSNC), today announced that in 2018, SS&C Eze saw more than 280 new wins across its core set of products, globally. Today, SS&C Eze partners with more than 2,500 buy- and sell-side institutions, from emerging hedge funds to large asset managers, in 45 countries.

"2018 was a momentous year for Eze," said Jeffrey Shoreman, Senior V.P. and General Manager of SS&C Eze. "We enhanced our technology and service offerings, ensuring our clients are in the best position to meet market and regulatory challenges, achieve investment alpha and grow. Now, as part of SS&C, we aim to leverage our synergies across the front-, middle- and back-office and outsourced services to deliver greater value to our customers."

Throughout 2018, SS&C Eze invested heavily in research and development focusing on capacity, speed and workflow improvements. Highlights include:

- More than doubled the customer base for born-in-the-cloud **Eze Eclipse** platform in the first full year since its launch.
- Improved scalability, capacity and performance across **Eze Investment Suite**, to better serve larger and more complex clients, while enhancing individual user performance and reducing operating costs.
- Enhanced regulatory compliance features ensuring all clients impacted by MiFID II would meet their deadlines.
- Improved best execution support with Trade Informatics' Strategic & Tactical Research & Trading Tool.
- Built out intelligent integration with advanced OTAS analytics enabling clients to automate their trading strategies.
- Launched the **Personalized Client Experience**, which aligned the client service organization to consistently deliver high-quality, scalable and personalized support to investment operations.
- Achieved ISO 270001 recertification for information security systems, and expanded scope to ISO 27017 Cloud Security and ISO 27018 Cloud Privacy certifications.
- Won seven leading **industry awards**, including Best Integrated Front-Office Platform for Eze Investment Suite and Best New Technology – Trading & Risk for Eze Eclipse.
