## Williams Capital Makes the Switch to SS&C's MarketTrader

1/8/2018

Williams Capital chooses SS&C order management system over incumbent to gain an edge in highly competitive broker-dealer industry.

WINDSOR, Conn., Jan. 8, 2018 /PRNewswire/ -- SS&C Technologies Holdings, Inc. (Nasdaq:SSNC), a global provider of financial services software and software-enabled services, today announced The Williams Capital Group ("WCG") has gone live with SS&C MarketTrader™ as its order management system (OMS). WCG sought a solution with a high-touch service and support model designed to enhance their execution capabilities and to grow their business.

Headquartered in New York City, WCG is a well-known broker-dealer that delivers fixed income and equity securities underwriting and trading services for U.S. corporations and institutional investors. To meet their clients' needs, WCG required a comprehensive, cost-effective solution for its order and execution management.

MarketTrader enables the company to operate more efficiently throughout the trading process: from order capture to execution, transaction and compliance reporting.

"Meeting and exceeding our clients' needs is tantamount to our business and values. We require an OMS that not only has a strong service model, robust operating capabilities but also offers superior support," said DiAnne Calabrisotto, Chief Operating Officer, Founding Member, The Williams Capital Group. "SS&C's responsiveness and capability assured us that we would have any support we need to quickly resolve issues and keep our traders and clients happy."

"Our ongoing commitment and investment into MarketTrader has made it the premier Agency Trading Order Management System available today," said Bob Moitoso, Senior Vice President and General Manager, SS&C Financial Markets division. "We are thrilled to be selected by WCG and help them navigate and excel in a challenging market place."
