

Offshore Financial Services Firm, Lines Overseas Management (LOM) Selects SS&C's CAMRA

Bermuda-based firm adopts leading investment management platform

Financial services software and software-enabled services, today announced LOM Services Limited, a subsidiary of the LOM Group (www.lom.com), has selected CAMRA™, SS&C's portfolio management software, to automate and streamline investment operations across the firm's multiple business units, including its asset management and brokerage operations.

"We have an aggressive business plan to grow our client base and product suite. To achieve this we strive to stay ahead of the curve when it comes to technology and client service" said LOM President and CEO, Scott Lines. "After reviewing a number of suppliers in the market, we chose SS&C because they demonstrated a deep understanding of our requirements, and their integrated CAMRA platform provides us with flexibility and scalability."

In a single integrated offering, CAMRA addresses the requirements of LOM, supporting their need for straight through processing from investment accounting, post-trade settlement, and reconciliation to reporting and compliance. SS&C CAMRA™ is SS&C's flagship portfolio management, investment accounting and reporting solution for asset management firms with advanced multiple-bases accounting and global tax and regulatory processing requirements.

"We are very pleased that LOM has selected the CAMRA platform, and entrusted us with supporting their future growth," said Bill Stone, Chairman and CEO, SS&C. "We continue to demonstrate that our solutions meet the growing demands of the investment manager community to increase operational efficiency and deliver superior client service."

The LOM project will incorporate CAMRA, ReportExpress, CI Manager, Extend, Go Trading, and SSCNet.
