

SS&C Appoints Punit Satsangi as Managing Director of EMEA Business Development

Former JP Morgan Executive Director Strengthens Management Team in EMEA

WINDSOR, Conn., Feb. 9, 2012 (GLOBE NEWSWIRE) -- SS&C Technologies Holdings, Inc. (Nasdaq:SSNC), a global provider of investment and financial software-enabled services and software, today announced the appointment of Punit Satsangi to the position of Managing Director of Business Development, EMEA.

Mr. Satsangi reports to David Reid, Senior Vice-President and Managing Director, International. In his new role, he will bring more than 15 years of experience in sales and business development and be responsible for driving the continued growth and success of the company's presence in Europe, Middle East, and Africa region.

"I am excited to join the leader in cloud computing, software and services for the global financial services industry," said Mr. Satsangi. "SS&C offers customers a vision of the future in financial services, featuring the best in mobility and cloud services. SS&C has a tremendous opportunity to simplify how financial services organizations manage operations, leveraging its world-class technology and services."

Mr. Satsangi comes to SS&C from JP Morgan where he fulfilled a variety of roles including Vice President of European Product Development, Executive Director of JP Morgan Worldwide Security Hedge Fund Services and most recently the Executive Director — Head of EMEA Complex Deal Management. Mr. Satsangi has a Bachelor of Science degree in Economics and a Post Graduate Diploma in European Management as a part of the Flemings Graduate scheme.

"We are pleased to welcome Punit to our leadership team," said David Reid, Senior Vice President and Managing Director, International at SS&C Technologies. "We were looking for someone who was not only able to cultivate business opportunities but who also had in-depth knowledge of the financial services industry, in particular the alternative fund administration business. We are confident that Punit will be a key player as we further penetrate the EMEA market."
