

## SS&C Named Among World's Top 500 Software and Service Providers

### Software Magazine Ranks SS&C 148th Among Its Top 500, 6th Among Financial Application Providers

WINDSOR, Conn., Oct. 4, 2012 (GLOBE NEWSWIRE) -- SS&C Technologies Holdings, Inc. (Nasdaq:SSNC), a global provider of financial services software and software-enabled services, today announced Software Magazine has named SS&C among the world's 500 largest software providers.

SS&C was ranked 148th this year based on its 2011 total corporate revenues of \$370.8 million, which was an increase of 12.7 percent over 2010.

"We find it rewarding to be in the Software 500 and exciting to break in to the World's Top 150," said Bill Stone, Chairman and Chief Executive Officer, SS&C Technologies. "Our clients and prospects count on us to invest in research and development. We build and deploy real live applications with world class functionality and technical robustness. We are a big user of our software, a comfort our clients know well."

The Software 500 is a revenue-based ranking of the world's largest software and services suppliers targeting medium to large enterprises, their IT professionals, software developers, and business managers involved in software and services purchasing.

The ranking is based on total worldwide software and services revenue for 2011. This includes revenues from software licenses, maintenance and support, training and software-related services, and consulting.

The complete Software 500 list can be found at [www.softwaremag.com](http://www.softwaremag.com).

#### About SS&C Technologies

SS&C is a global provider of investment and financial software-enabled services and software focused exclusively on the global financial services industry.
