

NEWS RELEASE

## Cal Amp to Hold FY 2007 Second Quarter Conference Call on October 12, 2006

9/26/2006

OXNARD, Calif.--(BUSINESS WIRE)--Sept. 26, 2006--CalAmp Corp. (Nasdaq:CAMP), a leading provider of wireless solutions, announced today that it will provide a live audio webcast of its quarterly conference call to be held on Thursday, October 12, 2006, at 1:30 p.m. Pacific Time. Results for the Company's FY 2007 second quarter ended August 31, 2006 will be released after close of market on October 12, 2006. The Company will discuss its second quarter financial results and current business status during the conference call.

The conference call can be accessed on the Company's web site, [www.calamp.com](http://www.calamp.com). This link requires listeners to install either RealPlayer or Windows Media Player to access the event. An online replay of the audio broadcast will be available on the Company's web site after the completion of the live call.

About CalAmp Corp.

CalAmp is a leading provider of wireless equipment, engineering services and software that enable anytime/anywhere access to critical information, data and entertainment content. With comprehensive capabilities ranging from product design and development through volume production, CalAmp delivers cost-effective high quality solutions to a broad array of customers and end markets. CalAmp is the leading supplier of Direct Broadcast Satellite (DBS) outdoor customer premise equipment to the U.S. satellite television market. The Company also provides wireless connectivity solutions for the telemetry and asset tracking markets, private wireless networks, public safety communications, and critical infrastructure and process control applications. For additional information, please visit the Company's web site at [www.calamp.com](http://www.calamp.com).
