

NEWS RELEASE

CalAmp Announces FY 2008 Fourth Quarter and Full-Year Conference Call

5/1/2008

OXNARD, Calif., May 01, 2008 (BUSINESS WIRE) -- CalAmp Corp. (Nasdaq:CAMP), a leading provider of wireless products, services and solutions, announced today that it will provide a live audio webcast of its quarterly conference call to be held on Thursday, May 8, 2008, at 1:30 p.m. Pacific Time. Results for the Company's FY 2008 fourth quarter and full year will be released after close of market on May 8, 2008. The Company will discuss its fourth quarter and full year financial results and current business status during the conference call.

The conference call can be accessed on the Company's web site, www.calamp.com. This link requires listeners to install either RealPlayer or Windows Media Player to access the event. An online replay of the audio broadcast will be available on the Company's web site after the completion of the live call.

About CalAmp Corp.

CalAmp is a leading provider of mission-critical high value wireless communications solutions that enable anytime/anywhere access. CalAmp's Wireless DataCom Division services the public safety, industrial monitoring and controls, and mobile resource management market segments with wireless solutions built on communications technology platforms that include proprietary licensed narrowband, standards-based unlicensed broadband and cellular networks. CalAmp's Satellite Division supplies outdoor customer premise equipment to the U.S. Direct Broadcast Satellite (DBS) market. For additional information, please visit www.calamp.com.
