## CalAmp Announces New Operating Structure and Changes to Senior Management Team

6/11/2008

OXNARD, Calif.--(BUSINESS WIRE)--June 11, 2008--CalAmp Corp. (Nasdaq:CAMP), a leading provider of wireless communications solutions, today announced a new operating structure along with changes to the Company's senior management team.

Effective immediately, CalAmp will consolidate its two divisions, the Wireless DataCom Division and Satellite Division, into one operating unit. While CalAmp will continue to report separate financial results for its Satellite and Wireless DataCom product lines, it expects the new streamlined operating structure will result in improved efficiencies. With the Company's new operating structure, Michael J. Burdick, formerly President of CalAmp's Wireless DataCom Division, has been appointed the Company's Chief Operating Officer. In addition, Robert Hannah, formerly Vice President Operations, Satellite Division, will assume added responsibilities as Vice President and General Manager, Satellite Products, reporting directly to Mr. Burdick. Mr. Hannah will continue as Acting Vice President Operations until a successor is named.

Patrick Hutchins, President Satellite Division and Chief Operations Officer, has resigned his position with the Company.

Rick Gold, CalAmp's President and Chief Executive Officer, said, "By combining the Satellite and Wireless DataCom Divisions into one streamlined operating unit, we expect to leverage CalAmp's full range of engineering and operational resources to best serve our customers across all of our lines of business." Mr. Gold continued, "I am very pleased that Michael Burdick has agreed to head CalAmp's company-wide operating activities. I am confident that his excellent product and customer knowledge along with his experience, organizational skills and proven leadership will further accelerate our profitable growth initiatives with our Wireless DataCom and Satellite product

lines. Michael will rely heavily on a strong Satellite Products team led by Robert Hannah, a proven operating executive who has played a major role in CalAmp's position as a leading provider of outdoor equipment to the Direct Broadcast Satellite market."

Mr. Gold concluded, "Patrick Hutchins has made a significant contribution to CalAmp's success during his tenure with the Company. We thank him for his service and wish him well in his future endeavors."
