

NEWS RELEASE

## Reminder - CalAmp to Hold First Quarter FY 2005 Earnings Call on July 13, 2004

7/13/2004

VENTURA COUNTY, Calif., Jul 13, 2004 /PRNewswire-FirstCall via COMTEX/ -- California Amplifier, Inc. (Nasdaq: CAMP) announced today that it will provide a live audio webcast of its quarterly conference call to be held on Tuesday, July 13, 2004, at 1:30 p.m., Pacific Time. Results for the Company's FY 2005 first quarter ended May 31, 2004 will be released after close of market on July 13, 2004. The Company will discuss its first quarter financial results and current business status during the conference call.

The conference call can be accessed on either the Company's web site, [www.calamp.com](http://www.calamp.com), or on the web site [www.prnewswire.com](http://www.prnewswire.com) under the Multimedia News section. Both links require listeners to install either RealPlayer or Windows Media Player to access the event. A replay of the audio broadcast will be available for 14 days after the call's completion.

### About the Company

CalAmp is a leading provider of communications technology solutions, services, and products. The Company offers service providers, enterprise customers and technology developers a comprehensive range of communications access and content delivery products, services and solutions. The Company leverages its expertise in supplying cost-effective, high volume radio frequency (RF) products, and is a leading provider of outdoor customer premise equipment to the U.S. direct broadcast satellite (DBS) market. Drawing upon its growing expertise in networking applications and wireless technologies, CalAmp has developed solutions for digital multimedia delivery, residential broadband data delivery, retailing applications, public safety markets and wireless enterprise connectivity. With diverse capabilities ranging from product inception through cost-effective, large-scale production, CalAmp provides cost-effective, high quality solutions to a broad array of customers and markets. CalAmp is headquartered in

Ventura County, California and has approximately 800 employees. The Company was founded in 1981 and has been publicly traded since 1983.
