- Three TPVG portfolio companies closed their SPAC mergers and five TPVG portfolio companies announced plans to go public through SPAC mergers; and
- Estimated undistributed taxable earnings from net investment income and realized gains of \$12.4 million, or \$0.40 per share, as of June 30, 2021.

“We are pleased to have increased signed terms sheets by more than 30% over the previous quarter, increased our new debt commitments and funded high quality companies.” said Jim Labe, chairman and chief executive officer of TPVG. “We remain well positioned to capitalize on the strong demand for debt at venture growth stage companies and draw on our substantial liquidity to grow our investment portfolio.”

“The prospects for our portfolio companies continue to be promising,” said Sajal Srivastava, president and chief investment officer of the Company. “Based on their continued fundraising and potential exit activity, we believe our equity and warrant investments are in a favorable position to increasingly generate capital gains for shareholders and contribute to our net asset value growth.”

### PORTFOLIO AND INVESTMENT ACTIVITY

During the three months ended June 30, 2021, the Company entered into \$102.5 million of new debt commitments with six portfolio companies, funded debt investments totaling \$76.0 million to seven portfolio companies, acquired warrants valued at \$2.2 million in seven portfolio companies and made equity investments of \$0.2 million in two portfolio companies. Debt investments funded during the quarter carried a weighted average annualized portfolio yield of 13.2% at origination. During the quarter, the Company had \$46.0 million of principal prepayments and \$23.1 million of scheduled principal amortization. The weighted average annualized portfolio yield on total debt investments for the second quarter was 13.9%. The Company calculates weighted average portfolio yield as the annualized rate of the interest income recognized during the period divided by the average amortized cost of debt investments in the portfolio during the period. The return on average equity for the second quarter was 9.5%. The Company calculates return on average equity as the annualized rate of net investment income recognized during the period divided by the Company’s average net asset value during the period.

As of June 30, 2021, the Company held debt investments in 34 portfolio companies, warrants in 72 portfolio companies and equity investments in 28 portfolio companies. The total cost and fair value of these investments were \$654.5 million and \$647.7 million, respectively.

Total portfolio investment activity for the three and six months ended June 30, 2021 and 2020 was as follows:

### SIGNED TERM SHEETS

During the three months ended June 30, 2021, TPC entered into \$250.8 million of non-binding term sheets to venture growth stage companies. These opportunities are subject to underwriting conditions including, but not limited to, the completion of due diligence, negotiation of definitive documentation and investment committee approval, as well as compliance with TPC's allocation policy. Accordingly, there is no assurance that any or all of these transactions will be completed or assigned to the Company.

### UNFUNDED COMMITMENTS

As of June 30, 2021, the Company's unfunded commitments totaled \$163.5 million, of which \$33.3 million was dependent upon portfolio companies reaching certain milestones. Of the \$163.5 million of unfunded commitments, \$70.2 million will expire during 2021, \$85.3 million will expire during 2022, and \$8.0 million will expire during or after 2023, if not drawn prior to expiration. Since these commitments may expire without being drawn, unfunded commitments do not necessarily represent future cash requirements or future earning assets for the Company.

### RESULTS OF OPERATIONS

Total investment and other income was \$20.3 million for the second quarter of 2021, representing a weighted average annualized portfolio yield of 13.9% on total debt investments, as compared to \$23.8 million and 13.7% for the second quarter of 2020. The decrease in total investment and other income was primarily due to lower weighted average principal outstanding on our income-bearing debt investment portfolio, partially offset by greater prepayment activity. For the six months ended June 30, 2021, the Company's total investment and other income was \$40.3 million, as compared to \$44.6 million for the six months ended June 30, 2020, representing a weighted average annualized portfolio yield on total debt investments of 13.6% and 13.2%, respectively.

Operating expenses for the second quarter of 2021 were \$10.9 million as compared to \$12.3 million for the second quarter of 2020. Operating expenses for the second quarter of 2021 consisted of \$4.1 million of interest expense and amortization of fees, \$3.1 million of base management fees, \$2.4 million of income incentive fees, \$0.5 million of administration agreement expenses and \$0.8 million of general and administrative expenses. Operating expenses for the second quarter of 2020 consisted of \$4.3 million of interest expense and amortization of fees, \$3.2 million of base management fees, \$2.9 million of income incentive fees, \$0.6 million of administration agreement expenses and \$1.3 million of general and administrative expenses. The Company's total operating expenses were \$22.0 million and \$20.9 million for the six months ended June 30, 2021 and 2020, respectively.

For the second quarter of 2021, the Company recorded net investment income of \$9.4 million, or \$0.30 per share, as compared to \$11.5 million, or \$0.38 per share, for the second quarter of 2020. The decrease between periods was driven primarily by lower investment and other income. Net investment income for the six months ended June 30, 2021 was \$18.3 million, or \$0.59 per share, compared to \$23.8 million, or \$0.78 per share, for the six months ended June 30, 2020.

During the second quarter of 2021, the Company recorded \$0.1 million of net realized gains on investments and \$0.7 million of net realized loss on extinguishment of debt. The loss on extinguishment of debt was a result of the Company's redemption, in full, of the 2022 Notes on April 5, 2021. During the second quarter of 2020, the Company recorded net realized gains on investments of \$0.8 million.

Net unrealized gains on investments for the second quarter of 2021 were \$3.2 million resulting primarily from fair value adjustments. Net unrealized gains on investments for the second quarter of 2020 were \$8.9 million. The Company's net realized and unrealized gains were \$5.5 million for the six months ended June 30, 2021, compared to net realized and unrealized losses of \$7.7 million for the six months ended June 30, 2020.

The Company's net increase in net assets resulting from operations for the second quarter of 2021 was \$12.0 million, or \$0.39 per share, as compared to \$21.2 million, or \$0.69 per share, for the second quarter of 2020. For the six months ended June 30, 2021, the Company's net increase in net assets resulting from operations was \$23.8 million, or \$0.77 per share, as compared to \$16.1 million, or \$0.53 per share, for the six months ended June 30, 2020.

### CREDIT QUALITY

The Company maintains a credit watch list with portfolio companies placed into one of five credit categories, with Clear, or 1, being the highest rating and Red, or 5, being the lowest. Generally, all new loans receive an initial grade of White, or 2, unless the portfolio company's credit quality meets the characteristics of another credit category.

As of June 30, 2021, the weighted average investment ranking of the Company's debt investment portfolio was 2.06, as compared to 2.11 at the end of the prior quarter. During the quarter ended June 30, 2021, portfolio company credit category changes, excluding fundings and repayments, consisted of the following: one portfolio company with a principal balance of \$25.0 million was upgraded from Yellow (3) to White (2).

The following table shows the credit categories for the Company's debt investments at fair value as of June 30, 2021 and December 31, 2020:

<i>Credit Category</i> (dollars in thousands)	June 30, 2021			December 31, 2020
