nVent Honored with Raytheon’s 5 Star Supplier Excellence Award

SAN DIEGO, Calif.– June 18, 2018 – nVent Electric plc (NYSE:NVT) (“nVent”), a global leader in electrical connection and protection solutions, was recently honored with the 5-Star Supplier Excellence Award from Raytheon Integrated Defense Systems. A 5-Star award is the highest level of recognition a Raytheon business supplier can achieve for excellence in quality and performance.

Raytheon recognized the team at nVent’s Schroff brand facility in San Diego, Calif., which manufactures Schroff Calmark and Schroff Birtcher product lines.

nVent was one of nine companies selected for the award which honors suppliers who have provided outstanding service and partnership in exceeding customer requirements. Candidates are judged on certain criteria, including overall quality, on-time delivery and demonstrated commitment to continuous improvement.

About nVent

[nVent Electric plc](#), (“nVent”) with a principal office in London, England, and U.S. management office in Minneapolis, Minn., is a global leader of inventive electrical solutions that connect and protect customers by creating safer systems to ensure a more secure world. The nearly 9,000 employees worldwide design, manufacture and distribute electrical enclosures, electric heat tracing solutions, complete heat management systems, and electrical and fastening solutions. In 2018, nVent became an independent, publicly traded company (NYSE: NVT) after separating from Pentair plc (“Pentair”). Its robust portfolio of leading electrical product brands dates back more than 100 years and includes nVent CADDY, ERICO, HOFFMAN, RAYCHEM, SCHROFF and TRACER.
