

NEWS RELEASE

nVent Reschedules 2026 Investor Day to March 18, 2026

2026-02-25

LONDON, Feb. 25, 2026 (GLOBE NEWSWIRE) -- nVent Electric plc (NYSE: NVT) (“nVent”), a global leader in electrical connection and protection solutions, today announced that it has rescheduled its 2026 Investor Day to March 18, 2026. The event was originally planned for February 24 but was postponed following a state of emergency declared for the New York City metropolitan area ahead of a major winter storm.

The updated Investor Day will feature presentations from Beth Wozniak, nVent chair and chief executive officer, and members of the senior leadership team, who will discuss updated medium-term financial objectives and the next phase of the company’s growth strategy—consistent with the previously announced event format.

The event will begin at 9:30 a.m. ET and end at approximately 12:00 p.m. ET. Live and on-demand webcasts of the event and materials will be available through the **investor relations** section of our website.

A refreshed invitation and registration details for in-person attendance will be issued separately.

About nVent

nVent is a leading global provider of electrical connection and protection solutions. We believe our inventive electrical solutions enable safer systems and ensure a more secure world. We design, manufacture, market, install and service high-performance products and solutions that connect and protect some of the world’s most sensitive equipment, buildings and critical processes. We offer a comprehensive range of systems protection and electrical connections solutions across industry-leading brands that are recognized globally for quality, reliability and innovation. Our principal office is in London and our management office in the United States is in Minneapolis.

Our robust portfolio of leading electrical product brands dates back more than 100 years and includes nVent CADDY, ERICO, HOFFMAN, ILSCO, SCHROFF and TRACHTE. Learn more at www.nvent.com.
