Forward-Looking Statements

This presentation contains forward-looking statements that involve a number of risks and uncertainties. Statements that are not historical facts, including statements regarding expectations, hopes, intentions or strategies regarding the future are forward-looking statements. Forward-looking statements are based on Black Knight management's beliefs, as well as assumptions made by, and information currently available to, them. Because such statements are based on expectations as to future financial and operating results and are not statements of fact, actual results may differ materially from those projected. Black Knight undertakes no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise. The risks and uncertainties that forward-looking statements are subject to include, but are not limited to: changes in general economic, business, regulatory and political conditions, including those resulting from pandemics such as COVID-19, particularly as they affect foreclosures and the mortgage industry; the outbreak of COVID-19 and measures to reduce its spread, including the effect of governmental or voluntary actions such as business shutdowns and stay-at-home orders; security breaches against our information systems; our ability to maintain and grow our relationships with our clients; changes to the laws, rules and regulations that affect our and our clients' businesses; our ability to adapt our services to changes in technology or the marketplace or to achieve our growth strategies; our ability to protect our proprietary software and information rights; the effect of any potential defects, development delays, installation difficulties or system failures on our business and reputation; risks associated with the availability of data; the effects of our existing leverage on our ability to make acquisitions and invest in our business; our ability to successfully integrate strategic acquisitions, including the acquisition of Optimal Blue, LLC ("Optimal Blue"); risks associated with the achievement of the intended benefits related to the acquisition of Optimal Blue; risks associated with our investment in Dun & Bradstreet Holdings, Inc. ("DNB"); and other risks and uncertainties detailed in the "Statement Regarding Forward-Looking Information," "Risk Factors" and other sections of our Annual Report on Form 10-K for the year ended December 31, 2019 and other filings with the Securities and Exchange Commission ("SEC").

Non-GAAP Financial Measures

This presentation contains non-GAAP financial measures, including Adjusted Revenues, Adjusted EBITDA, Adjusted EBITDA Margin, Adjusted Net Earnings and Adjusted EPS. These are important financial measures for us, but are not financial measures as defined by generally accepted accounting principles ("GAAP"). The presentation of this financial information is not intended to be considered in isolation of or as a substitute for, or superior to, the financial information prepared and presented in accordance with GAAP. We use these non-GAAP financial measures for financial and operational decision making and as a means to evaluate period-to-period comparisons. We believe these measures provide useful information about operating results, enhance the overall understanding of past financial performance and future prospects and allow for greater transparency with respect to key metrics used by management in its financial and operational decision making, including determining a portion of executive compensation. We also present these non-GAAP financial measures because we believe investors, analysts and rating agencies consider them useful in measuring our ability to meet our debt service obligations. By disclosing these non-GAAP financial measures, we believe we offer investors a greater understanding of, and an enhanced level of transparency into, the means by which our management operates the company. These non-GAAP financial measures are not measures presented in accordance with GAAP, and our use of these terms may vary from that of others in our industry. These non-GAAP financial measures should not be considered as an alternative to revenues, net earnings, net earnings per share, net earnings margin or any other measures derived in accordance with GAAP as measures of operating performance or liquidity. We have not provided a reconciliation of forward-looking Adjusted EPS and Adjusted EBITDA to the most directly comparable GAAP financial measures, due primarily to variability and difficulty in making accurate forecasts and projections of non-operating matters that may arise, as not all of the information necessary for a quantitative reconciliation is available to us without unreasonable effort. For the same reasons, we are unable to address the probable significance of the information. See the Appendix for further information.

Revenues, EBITDA and EBITDA margin for the Software Solutions and Data and Analytics segments are presented in conformity with Accounting Standards Codification Topic 280, *Segment Reporting*. These measures are reported to the chief operating decision maker for purposes of making decisions about allocating resources to the segments and assessing their performance. For these reasons, these measures are excluded from the definition of non-GAAP financial measures under the SEC's Regulation G and Item 10(e) of Regulation S-K.

APPENDIX

Non-GAAP Financial Measures

Adjusted Revenues – We define Adjusted Revenues as Revenues adjusted to include the revenues that were not recorded by Black Knight during the periods presented due to the deferred revenue purchase accounting adjustment recorded in accordance with GAAP. These adjustments are reflected in Corporate and Other.

Adjusted EBITDA – We define Adjusted EBITDA as Net earnings attributable to Black Knight, with adjustments to reflect the addition or elimination of certain statement of earnings items including, but not limited to: (i) Depreciation and amortization; (ii) Impairment charges; (iii) Interest expense, net; (iv) Income tax expense; (v) Other expense (income), net; (vi) Equity in (earnings) losses of unconsolidated affiliates, net of tax; (vii) (Gains) losses on sale of investments in unconsolidated affiliate, net of tax; (viii) Net earnings (losses) attributable to redeemable noncontrolling interests; (ix) deferred revenue purchase accounting adjustment; (x) equity-based compensation, including certain related payroll taxes; (xi) costs associated with debt and/or equity offerings; (xii) acquisition-related costs, including costs pursuant to purchase agreements; and (xiii) costs associated with expense reduction initiatives. These adjustments are reflected in Corporate and Other.

Adjusted EBITDA Margin – Adjusted EBITDA Margin is calculated by dividing Adjusted EBITDA by Adjusted Revenues.

Adjusted Net Earnings – We define Adjusted Net Earnings as Net earnings attributable to Black Knight with adjustments to reflect the addition or elimination of certain statement of earnings items including, but not limited to: (i) equity in (earnings) losses of unconsolidated affiliates, net of tax; (ii) (gains) losses on sale of investments in unconsolidated affiliate, net of tax; (iii) the net incremental depreciation and amortization adjustments associated with the application of purchase accounting; (iv) deferred revenue purchase accounting adjustment; (v) equity-based compensation, including certain related payroll taxes; (vi) costs associated with debt and/or equity offerings; (vii) acquisition-related costs, including costs pursuant to purchase agreements; (viii) costs associated with expense reduction initiatives; (ix) costs and settlement (gains) losses associated with significant legal matters; (x) adjustment for income tax expense primarily related to the tax effect of the non-GAAP adjustments; and (xi) adjustment for redeemable noncontrolling interests primarily related to the effect of the non-GAAP adjustments.

Adjusted EPS – Adjusted EPS is calculated by dividing Adjusted Net Earnings by the diluted weighted average shares of common stock outstanding.
