LendingPad Integrates With Black Knight's Optimal Blue PPE to Streamline Loan Origination Process

- Black Knight has completed the integrations of its Optimal Blue PPE with the LendingPad loan origination system
- LendingPad users can now seamlessly leverage the Optimal Blue PPE to generate real-time, compliant pricing scenarios across multiple channels
- Through these integrations, loan officers can generate individual scenarios, launch applications and lock loans without leaving the LendingPad platform

JACKSONVILLE, Fla. – July 19, 2021 – Today, [Black Knight, Inc.](#) (NYSE:BKI), an award-winning software, data and analytics provider to the mortgage and consumer loan, real estate and capital markets verticals, announced multiple integrations of its leading product and pricing engine, the Optimal Blue PPE, with [LendingPad](#). As a cloud-based mortgage loan origination system (LOS), LendingPad helps businesses streamline and manage loan origination processes and improve the customer experience. Through this multi-point integration, LendingPad now seamlessly leverages the Optimal Blue PPE to enable wholesale, correspondent and retail lenders to generate real-time, compliant pricing scenarios regardless of their business channel.

"LendingPad's ever-evolving functionality makes it popular among lenders," said Wes Yuan, managing director at LendingPad. "Our clients will greatly benefit from this key integration with the Optimal Blue PPE, delivering automation and pricing accuracy across multiple loan channels."

Using Optimal Blue's application programming interface (API), these connections will help LendingPad LOS users streamline the mortgage process, while enhancing loan officer productivity and reducing costs. Without ever leaving the LendingPad platform, loan officers can generate personalized lending scenarios, quickly launch applications and lock loans.

"Black Knight strives to break down integration barriers to make accurate pricing more accessible for the industry users that rely upon it," said Scott Happ, president of Black Knight Secondary Marketing Technologies.

“We are confident that LendingPad’s clients will gain significant efficiencies with the ability to easily access information from our industry-leading Optimal Blue PPE without leaving the LendingPad interface.”

About LendingPad

Residential mortgage professionals created LendingPad’s innovative loan origination system in 2015 to provide an exceptional user experience, to make better lending decisions and to enhance individual originators’ ability to succeed. Leveraging from a highly scalable cloud infrastructure, LendingPad® is a web-based, end-to-end innovative LOS offering unique features such as same-file multi-user edit capabilities and real-time pushed updates. LendingPad® Network is a hub connecting borrowers, brokers, lenders and service providers. The solutions LendingPad offers elevate the efficiency, compliance, and information security of brokers, lenders, and depository institutions. LendingPad is endorsed by the National Association of Mortgage Brokers (NAMB), a Premier Member of the Mortgage Bankers Association (MBA) and a winner of HousingWire's Tech100 award. LendingPad® is a product of LendingPad Corp headquartered in McLean, VA.
