TruHome Solutions Signs Seven-Year Contract for Black Knight Financial Services' LoanSphere MSP Servicing System

- Black Knight was selected because of the company's proven technology infrastructure and MSP's continual updates to support changing regulatory requirements
- MSP's scalability will easily accommodate TruHome's expected business growth
- Seven-year contract includes multiple Black Knight solutions, including Customer CareNet, Director, iDisburse, Passport and Web Direct

JACKSONVILLE, Fla. – June 8, 2016 – [Black Knight Financial Services, Inc.](#) (NYSE: BKFS) announced today that [TruHome Solutions, LLC](#), a credit union-owned, full-service mortgage company, servicer and subservicer headquartered in Lenexa, Kansas, has signed a seven-year contract to service its client loans on Black Knight's leading mortgage servicing system, LoanSphere MSP.

MSP offers a single, comprehensive system used by financial institutions to service more than 30 million active loans. The solution helps clients manage all servicing processes – from loan boarding and payment processing to escrow administration, default management and more. Black Knight's proven servicing experience, technology infrastructure, continual system updates to meet changing regulatory requirements and scalability will help accommodate TruHome Solutions' expected business growth and support its compliance efforts.

"MSP's robust functionality will help us deliver exceptional service to our client credit unions and their members," said Doug Hoelscher, president of TruHome Solutions. "Additionally, the system's proven track record and continuous enhancements to support evolving regulatory requirements were very important considerations for our decision."

TruHome Solutions will also use other Black Knight solutions that are integrated with MSP, including:

- LoanSphere Loan Boarding, which offers functionality to automate the loan setup process
- Customer CareNet, an online solution that gives borrowers instant access to their mortgage information
- Director, MSP's graphical interface for users
- iDisburse, a fully automated check-printing solution for reviewing, printing and auditing disbursements

- Passport, a browser-based ad hoc query solution that accesses loan portfolio data housed on MSP
- Web Direct, a Web-based solution that provides online access to loan information for approved third parties

“We are extremely pleased that TruHome Solutions selected MSP for its servicing operations,” said Joe Nackashi, president of Black Knight’s Servicing Technologies division. “MSP’s comprehensive, end-to-end capabilities, automated workflow and scalability will offer exceptional support to help TruHome Solutions achieve its business goals and exceed client expectations.”
